Name of Course :Data Science in Real Life

Duration :30Hrs Theory& Practical

Participants :24 S.Y.B.Sc(Computer Science)Students

Department of Computer Science had organized add-on course on “Data Science in Real Life” in the month of 05/02/2024 to 30/03/2024. student from S.Y.B.Sc. Computer Science completed the program successfully .

The feedback from student was excellent.

Course Outcome:

1. Explore the fundamental concepts of data science Understand data analysis techniques for applications handling large data
2. Understand various machine learning algorithms used in data science process
3. Visualize and present the inference using various tools.

About the Rayat Shikshan Sanstha

History

A premier institution of education like the RayatShikshanSanstha, known and honored far and wide, not only at the national level but at the global level too, needs no introduction. The institution itself is regarded as a noble mission, a noble cause, so earnestly and so endearingly pursued by its founder- father KarmaveerBhaurao Patil, the educator of the educators and his legendary wife Sou. Laxmibai Patil with her exemplary sacrifices made to turn the mission into a reality.

The RayatShikshanSanstha is one of the leading educational institutions in Asia. The value of its contribution to education in general is enormously great as it has, from the very beginning, tried all its best to lay emphasis on the education of the down-trodden, the poor and the ignorant who really form the major bulk of society. The founder of the institution, late Dr. KaramaveerBhaurao Patil, was a man of the masses who devoted all his mind and heart to the cause of their education. He had an incisive understanding of the social ills that beset his times and fully realized the dire need of the spread of education. He believed that education alone could correct the social ills such as caste-hierarchy, money-lending, illiteracy, untouchability, superstitions and social and economic inequality. Throughout his life he tried to translate this belief into reality. He was the champion of the poor, the weak, the dispossessed and left no stone unturned for their upliftment. He was a great humanitarian who endeavored hard to educate the masses to bring a kindly light of hope in their lives of misery and ignorance. He realised that the social ills could be remedied through the education of the masses alone and laid the foundation of the RayatShikshanSanstha by opening a Boarding House at Kale (Tal-Karad, Dist-Satara) in 1919. Soon, however, in 1924 he shifted the head-quarters of his Making MS-CIT course available to know the needs of BPO services and for the preparation of software. MOU with biotechnology institutions and universities.

Department of Computer Science

Department of Computer Science started in the year **1997**. UG Course name – **B.Sc. (Computer Science)** was introduced in the year **1997**. PG Course name – **M.Sc. (Computer Science)** started from **June, 2010**. Students strength is increasing day by day. Expansion and renovation work of the laboratories in the department was undertaken and completed in the last two years. Along with expansion, additional basic infrastructural developments were carried out. Recently department have purchased **120 latest configured computers, 2 latest laptop , 4 LCD projector and 2 E-Learning Class Rooms** . For convenient and handy reference work department runs a 'Departmental library' with **150 books and 05 journals**. Department is provided free internet facility accessible to staff and students. Among faculties in department, two have participated and attended International and national level conference, seminars and workshops and also presented research papers. Department also organizes various '**expert lecture series**' to the students under quality improvement programme of University of Pune. Our students also organize various functions like teachers day, send off function etc.

AIMS & OBJECTIVES:

- To provide Technical and Advanced education to the rural masses.
- To create skilled and employable rural youth.
- To motivate and furnish global competence in students.

STRATEGIES:

- Provide quality education at UG and PG level.
- To make competent generation to face the global challenges in IT by using their domain knowledge and skills.
- To inculcate and create research oriented minds in Computer Science.

Department of English
Language Laboratory

1. Title of the Practice:

Career Enhancement through Language Laboratory

2. Goal:

The career guidance is an important activity in the life of the students. With the intention to make students aware of the avenues available after the Graduation by providing exposure to different career paths, the Department of English has taken initiative in conducting the best practice for Career Enhancement through Language Laboratory.

The main objectives of the Language Laboratory are:

1. To equip and enhance the students with good communication skills.
2. To make them aware of the need of English in the technical and competitive world.
3. To prepare them for interviews and future job environments and opportunities.
4. To make the students competent enough to build and develop overall personality through communicative English
5. To enrich and enhance the written skills of the students.

3. The Context:

It is observed that language laboratory is the best medium to train students. Technology is bringing innovative changes in language laboratory and thus language laboratory is getting equipped with various language learning softwares. Now, English Language Laboratory is not the stockpiles of cassette tapes, CD players and microphones that some of the students experienced a decade ago. But, there are computer rooms with designed software to give students a unique and customizable learning experience.

Language Laboratory at the college is well equipped to foster and facilitate effective language learning. The use of the Interactive English software along with headsets with microphone is very useful for the students. These interactive tools are designed to enhance not only language teaching but also listening, speaking, reading, writing, class room grading and placement skills learning. The content meets the language learning needs of all different levels of proficiencies of the students.

4. The Practice:

India is becoming a global economy. The IT companies, educational institutes and media are conspicuously focusing on English language skills of the candidates. Employers do not expect candidates to be proficient in English with a rich and cultivated vocabulary. But, they expect from them is to have good sense of the language skills while communicating. With beautiful dreams and high spirits the students enter into the Graduation. They set their own goals, and take hard efforts in achieving them and getting placed in to a reputed organization which adds flavor to their life journey.

The college has well-furnished and a licensed Multilingual Interactive ETNL Language Laboratory Software (4.0 Version) in the department of English. The language lab is having one teacher console and 40 student consoles with necessary electronic equipments, like- L.C.D Projector, Smart Board, etc. The laboratory is effectively utilized by the students and faculty members for self-enhancements. The students of Functional English and Special English classes are using it for developing communication skills in reading, writing, speaking and listening, with the emphasis on grammar and vocabulary. This also facilitates to the teacher to conduct tests and assignments to evaluate the students' comprehension.

The language laboratory focuses computer-aided multi-media instructions and language acquisition to achieve the following goals

- To expose the students to a variety of self-instructional, learner friendly modes of language learning.

- To enable them to learn better pronunciation through stress on word accent, intonation, and rhythm.
- To train the students to use language effectively to face interviews, group discussions and public speaking.
- To enhance the attention and listening skills of the students and train them linguistically fluent.
- To cope up with the education system and help the rural, non- English background students for career building.

The students of FYBA performed on the activity of Power Point Presentation. Through this activity students understood how to do presentation and to convey the ideas before the audience

The students of SY BA performed on the activity anchoring a Programme. Through this activity students understood how to do anchoring and handle the programme.

English language laboratory practice:

- Introduction to Phonetics.
- Introduction to Vowels and Consonants and associated Phonetic symbols.
- Introduction to Accent, Intonation and Rhythm
- Situational Dialogues/Role Play
- Debate
- Public Speaking
- Group Discussions
- Facing Interviews
- Resume preparation
- e- Correspondence

English Language and Communication Skills related laboratory sessions:

1. Grammar of English Language: Practice and Exercises
2. Vocabulary Building Skills
3. Active Listening Skills
4. Introduction to Phonetic Sounds
5. Reading Comprehension
6. Business Letter Writing
7. Oral Presentations (Self Introduction, Extempore, Public Speech, Formal Presentation, Use of Audio-Visual Aids, etc.)
8. Group Discussion (Structured and Unstructured)
9. Mastering Presentation Tools (Microsoft Word and Power Point)
10. Preparation of and Appearing for the Interview
11. Situational Conversations
12. Understanding Importance of Body Language

Details of language laboratory:

Software: Multilingual Interactive ETNL Language Laboratory Software (4.0 Version)

Laboratory Location: 'I' Building, Hall No- 11, Department of English

Laboratory In charge (Hardware): Shri Computer, Shrirampur

Laboratory In charge: 1.Mr. S. L. Divekar
2. Smt. A.P. Londhe

Area: 800 sq. ft.

Consoles: A teacher console and 40 student consoles

5. Evidence of Success:

English Language Laboratory is stepping away from traditional drills and worksheets and getting the students more engaged in grammar and its functional usages. Teachers of the department are using it to cultivate decent pronunciation, to conduct guided study sessions, like- English-language videos, including movie trailers, news making , inspiring talks, etc. that come with clickable captions and built-in learning activities.

The Advanced Digital English Language Laboratory has provided an equal opportunity for the students. It also has offered psychological privacy to help even hesitant students to promote their speaking ability.

A linguistic interaction between the teacher and 40 students in the laboratory has become healthy because the necessary attention is given to each student. The Laboratory is effectively utilized by the students and faculty members for various self-enhancements. Laboratory has proved beneficial for those students who were weak in the use of English language. Students from rural background who are generally weak in English can have sufficient ear training in the language lab.

Majority of the students are selected in education, media, corporate, etc., and some of them have opted for PG as well as further education. We take pride

in mentioning that most of our students are working in TBSS, Infosys and Conneqt as Customer Executives and Team leaders while completing their education from the department. As an outcome of Functional English course numbers of students are working as teachers in English Medium schools in the vicinity after completing their education. As a result of Soft Skills Development Programme many of the students have joined Civil Services, Administrative Sectors, Banking Sectors and various corporate sectors.

6. Problems Encountered and Resources Required:

Problems Encountered:

1. Socio- economic background affects a lot for the enrollment to the courses, like- Functional English.
2. The students from vernacular medium are not ready to take admission.

Resources Required:

1. Proficient and trained language Trainer.
2. Financial support from the govt.

A start-up workshop on
Making of Indian String Light

Report

Date: 21/10/2023

The Department of Physics, R.B. Narayanrao Borawake College, Shrirampur has organized a start-up workshop on 'Making of Indian String Light' on 21st October 2023 for Students in the collaboration with Avience Scientific, Pune. The workshop aimed to provide students with hands-on experience on designing and constructing Indian string lights using basic material, fostering creativity, enhancing practical skills and to promote entrepreneurship. The workshop was hosted by Dr. Avinash Rokade, Founder, Avience Scientific, Pune. The workshop comprised theoretical and practical demonstrations; facilitated by experienced instructors and experts in the field. A question- answer session was also included.

Hon. Meenatai Jagdhane, Member, Managing Council, Rayat Shikshan Sanstha, Satara, Principal Dr. P.V. Badadhe and Vice Principal Dr. S.N. Jagdale were Present for the program. Head of department Ms. Kolhe S.G. welcomed and introduced a guest. Ms. A.R Gadilkar introduced the chief guest. Ms. D. P. Mali delivered a vote of thanks. Nearly 120 students were present for the program. All faculty members of the department of Physics made contributions to the success of this workshop.

**“One-Day Guidance Workshop for NET, SET and GATE Examinations in
Chemical Sciences”**

Jointly Organized by
Department of Chemistry & IQAC

20th February 2024

ACTIVITY REPORT

The Department of Chemistry, in association with IQAC, R. B. Narayanrao Borawake College Shrirampur (Autonomous) had organised a “One-Day Guidance Workshop on NET, SET and GATE Examinations in Chemical Sciences”. This was an initiative undertaken by Dr. A. N. Jagdale, Head, Department of Chemistry and supported by Prof. Dr. P. V. Badadhe, I/C Principal of the College. The one-day workshop was aimed to guide students through the intricacies of these competitive examinations. The Department of Chemistry is one of the prime departments of the College, where about 200 students have enrolled for Post-Graduation. From time to time, the Department is known for its various initiatives to familiarize its large number of students with various career opportunities. Hence this workshop stands as an example of such initiatives.

(Dignitaries while doing Pratimapujan)

The workshop was scheduled on 20th February 2024. It began at 11:00 am in the seminar hall of the College. Dr. Jagdale welcomed the resource persons i.e. Dr. Dattatraya Pansare (Deogiri College, Chh. Sambhajinagar) and Dr. Vitthal Kawade (Ahmednagar College, Ahmednagar) along with all dignitaries and students to the workshop. In his opening remarks he talked about the objectives and need of such initiatives. He conveyed the support and best wishes of Hon. Meenatai Jagdhane (Member, Managing Council, Rayat Shikshan Sanstha, Satara and Chairperson, Rayat Shaikshanik Sankul, Shrirampur) to the workshop. Hon. Mr. Parakash Nikam (Member, College Development Committee) who was the president for the inaugural ceremony, expressed his satisfaction about such initiatives being undertaken at the College. Prof. Dr. S. N. Shelke gave the vote of thanks of the inaugural ceremony.

[Inaugural address by Dr. A. N. Jagdale, HoD, Chemistry (on left) and presidential speech by Hon. Mr. Prakash Nikam (on right)]

The workshop began with its first session at 11:30 am. Prof. Dr. S. N. Shelke introduced Dr. Dattatraya Pansare so that he could proceed with his seminar. Dr. Pansare in his seminar talked briefly about the purpose and the framework of not only NET, SET, GATE but also of other competitive examinations in chemical sciences. He elaborated on the approach one should adapt to achieve success in these examinations. His talk was focused mostly on the CSIR-NET examination. He talked in details about the syllabi, the nature of question paper and the marking system of the exam. He guided students on how to go on with attempting questions with negative marking system. He concluded his seminar with his kind and motivational words wishing students the best in this endeavour. Dr. S. S. Karhale thanked Dr. Pansare after his seminar.

(Dr. Dattatraya Pansare while giving his seminar during Session I)

The second session of the workshop began at 2:00pm after a lunch break. Dr. S. P. Kunde introduced the second resource person, Dr. Vitthal Kawade. Dr. Kawade began his seminar with highlighting various career opportunities after qualifying NET, SET and GATE examinations. He guided students on how to prepare for these competitive examinations. Later on, he focused on one specific subject for the seminar. He talked about the types of problems from Inorganic Chemistry, Organometallic Chemistry and Bio-inorganic Chemistry. He gave many insights regarding solving such problems.

(Dr. Vitthal Kawade while giving his Seminar during Session II)

Students seemed intrigued after his seminar as he discussed some problem-solving approaches for questions from his area of expertise.

The second session was followed by the valedictory function. Dr. Jagdale addressed students, he also invited few students on stage to share their feedback about the workshop. Ms. Chitale Anjali, Ms. Nagare Darshana and Mr. Shaikh Sohail shared their feedback on stage as students' representatives. Afterwards I/C Principal of the college, Prof. Dr. P. V. Badadhe addressed the students. He encouraged students to appear for such exams. He appreciated and thanked the resource persons for their brief seminars. He went on to talk about various students-centric initiatives in the college and concluded his address by congratulating Dr. A. N. Jagdale and all staff members of Chemistry Department for this workshop.

(I/C Principal Prof. Dr. P. V. Badadhe during his Address to students)

(Glimpses from the workshop)

After the distribution of few representative certificates of participation to student, Dr. D. B. Bankar, IQAC Coordinator, expressed the vote of thanks in the end and concluded the one-day workshop. The workshop saw a good response from both M.Sc. I and M.Sc. II students. Total 130 students including all faculty staff of the department were present for the workshop.

One Day Seminar on

“Industrial Training and Guidance in Chemical Sciences”

20th January 2024

Activity Report

The Department of Chemistry and the Placement Cell of R. B. Narayanrao Borawake College, Shirampur (Autonomous) in collaboration with S. M. Pharmachem Pvt. Ltd. had organised a one-day seminar on “Industrial Training and Guidance in Chemical Sciences”. The seminar was scheduled on 20th January 2024 at 10:15 am in the ICT Hall of the department. It was an initiative undertaken by Dr. A. N. Jagdale, Head of the Chemistry Department to familiarize students with the industrial aspects of their coursework. The seminar was aimed for both M.Sc. I (Organic Chemistry) and M.Sc.I (Analytical Chemistry) students of the department. This is also the first batch of the department under the college autonomy with effective NEP 2020 implementation. The seminar also served the purpose of facilitating an opportunity to students to undertake the ‘On-Job Training (OJT)’ course which carries 4 credits in their second semester. Mr. Vinod Shinde (CEO, S. M Pharmachem) was invited as the resource person to deliver the talk of the day.

The programme began with the guest introduction by Prof. Dr. S. N. Shelke followed by the address of Dr. A. N. Jagdale (Head, Dept. of Chemistry). Dr. Jagdale in his address set context for the seminar and talked very interactively with students regarding their coursework under NEP implementation. He highlighted the significance of future tie-ups with industry for smooth and effective implementation of National Education Policy (NEP) 2020. Dr. Jagdale talked briefly about the On-Job Training (OJT) course, its structure and requirements from students to effectively fulfil the 4 credits of the course. After his address, Dr. Jagdale invited Mr. Vinod Shinde on dais to deliver his seminar.

(From left Dr. A. N. Jagadale while welcoming Mr. Vinod Shinde and addressing students, Mr. Vinod Shinde (Resource Person), Dr. S. P. Kunde (Chairman, Placement Cell) and Prof. Dr. S. N. Shelke)

Mr. Vinod Shinde delivered his seminar using PowerPoint Presentation. He began his talk by introducing students with industrial aspects of chemical sciences. Being the Chief Executive Officer (CEO) of his company, he briefly talked about the business of his company. His company, S. M. Pharmachem Pvt Ltd is indulged in Research & Development (R&D) of active pharmaceutical ingredients (API) and the bulk production of the same. He explained the roles of various departments such as R&D, Intellectual Property, Production, Quality Control (QC) and Quality Assurance (QA) in his business and how they can offer various opportunities for students to pursue their career in this industry. He talked about various instrumentation at his company. He talked about various analytical techniques that are being used in his company. He showed the photographs of the large-scale chemical reactors at his company to give students an idea of the scale of production at his company. He talked about the significance of effluent treatment at the production plant to highlight the environmental responsibilities of the company. Mr. Shinde was very specific during his talk to explain the process right from the raw material till the packaging of the product. He gave very detailed explanation of how his company caters to the chemical as well as pharmaceutical industry.

Overall, this seminar by Mr. Vinod Shinde was very insightful to students as it provided specific information regarding the industrial aspects of the chemical sciences. Students from both divisions Analytical Chemistry as well Organic Chemistry found this seminar very relevant as it gave many insights regarding expectations and requirements of companies from the students. Mr. Shinde also mentioned the opportunity for students to undertake a hands-on

experience at his company for a duration of 30 days with certain fees for the training programme.

The programme concluded with the vote of thanks by Dr. S. S. Karhale. A total of **66 students** participated in this seminar. All faculty members of the Chemistry Department were also present for the programme.

Title of Activity: 'Counseling Sessions for School Students of Vicinity'
(Duration: 09/02/2024 to 03/04/2024)

In collaboration with the schools in vicinity, Department of Psychology, R. B. Narayanrao Borawake College, Shirampur, conceptualized 'Counseling Sessions for School Students', under the guidance of Hon. Minatai Jagdhane, (Member Managing Council, Rayat Shikshan Sanstha and Chairman, Rayat Shaishanik Sankul, Shirampur) and Principal, Dr P. V. Badadhe from 09/02/2024 to 03/04/2024. Mr G. L. Narote, Faculty, Department of Psychology of the college was appointed as a Counselor.

Mr G. L. Narote interacted with students, teachers and some where parents also. He witnessed the exhibits of students showcased at the venue before the interaction. Through, 'Counseling Sessions for School Students', he focused on various topics related to life skills, holistic development, inferiority complex, stress management during examination, etc. More than 385 students were the beneficiaries from the following 07 Schools in these sessions.

Mr. G. L. Narote focused on the importance of 'Counseling Sessions for School Students in the light of Board Examination' and the no. of questions in the minds of the

Young generations of India. He would like to compile all such questions which can be analyzed in the interaction with the students.

Mr. G. L. Narote framed a module of 'Counseling Sessions for School Students' by keeping the following areas in mind;

- 1. Handling disappointment**
- 2. Preparation for examinations and time management**
- 3. Unfair means in examinations and taking shortcuts**
- 4. Working hard vs working smart**
- 5. Recognizing one's potential**
- 6. Handling criticism**
- 7. Gaming and online addiction**
- 8. Stress after examination**
- 9. Role of teachers in motivating students**
- 10. Behaviour of students**

Some glimpses of the sessions are summarized as below:

Handling disappointment: Addressing a question regarding family disappointment in the case of poor marks, there is nothing wrong with family expectations. However, if these expectations are due to social status-related expectations then it is concerning. One should look inwards and link the expectation with one's own capabilities, needs, intentions and priorities.

Preparation for exams and time management: Addressing the questions about not knowing where to start the preparations for the exam and the stressful situation leading to forgetfulness. He asked students to note down the time allotment to various things that they do. He said while allocating time to a subject, one should take up the least interesting or most difficult subject when the mind is fresh. Do find the time to engage in some creative work in the remaining time.

Unfair means in exams and taking shortcuts: He asked students to refrain from wasting time in finding ways and preparing cheating material and spend that time in learning. He also, pointed out that shortcuts will not take you anywhere by saying, "Shortcuts will cut you short."

Working hard vs working smart: The Counselor emphasized the need to analyze and understand the work and highlighted the moral from the story of working hard, smartly. He said that we should focus on what needs to be done. One should do hard work smartly and in the areas that are important.

Recognizing one's potential: The Counselor Mr. G. L. Narote appreciated the goals and skills of the student. Knowing one's potential makes a person very capable.

Handling criticism: He stressed that 'criticism is a process of purification'. He said that parents these days have got into the habit of interrupting their kids instead of constructive criticism and urged them to break this habit as it will not mould the lives of the kids in a restrictive way.

Gaming and online addiction: He said that the first decision is to decide whether you are smart or your gadget is smart. He expressed concern that, as per a study, the average screen time for an Indian is up to six hours. In such a situation gadget enslaves us. So, one should keep testing and learning in this era of artificial intelligence in order to preserve one's creativity.

Stress after exams: Addressing the questions about channelizing the stress from not getting the desired results even after working hard, he mentioned that the competition among the students is a stress-inducing factor and suggested that students should live and learn from themselves and their surroundings while strengthening their inner capabilities.

The role of teachers in motivating students: About motivating students and keeping classes interesting and disciplined – Mr. Narote said that teachers should be flexible and not be too rigid about the topic and syllabus. Instead of humiliating weak students, teachers should reward strong students by asking questions.

The behaviour of students: Addressing the question about the behaviour of students in society, Mr. Narote remarked that parents should not limit the scope of the behaviour of students and focus on holistic approach to the student's development.

At the end of every presentation, Mr. G. L. Narote thanked everyone present on the occasion and urged parents, teachers and guardians to dilute the stressful environment that is being created during exams to the maximum extent. As a result, the exams will be transformed into a celebration. The 'Counseling Sessions for School Students' on Life skills, holistic development, inferiority complex, stress management during examination, etc. would fill enthusiasm and excellence among the students.

“Certificate Course in Soil and Water Analysis”
2023-2024 **Date: 30/04/2024**

Report

Department of chemistry conducted a certificate course in “Soil and Water Analysis” during the academic year 2023-2024. 31 students were enrolled for this course. Duration of the course was one month and conducted from 1st March 2024 to 04th April 2024. The syllabus of the course included theory and practicals.

Students learned about sampling of soil and water as well as analyzing different general parameters of soil and water like P^H, EC, COD, BOD, TDS, Carbonate, Bicarbonate, Sulphate, Potassium, Phosphate, Nitrogen, Calcium, Magnesium, Boron, and DO. Students also learned about which types of trace elements present in soil and water. Overall syllabus designed for this course was very useful for students.

During this course, student learned about how to analyze different soil and water samples. Also, students handled instruments like AAS, Flame Photometer, Conductometer, P^H meter, UV Spectrophotometer etc. Student learned to get the required information in order to determine the quality of the soil and water samples. This course was designed and conducted considering students' interests.

नियमित आरोग्य तपासणी केल्यास कर्करोग आजारावर मात करता येते - डॉ. सतीश सोनवणे

श्रीरामपूर : बोरावके कॉलेजमध्ये कर्करोग या आजाराविषयी विद्यार्थिनींना मार्गदर्शन करताना प्रमुख व्याख्याते डॉ. सतीश सोनवणे व समोर बसलेले डॉ. रवींद्र जगधने, डॉ. रवींद्र कुटे, डॉ. सरिता देशपांडे, प्राचार्य डॉ. प्रवीण बडधे व विद्यार्थिनी

स्नेहप्रकाश वृत्तसेवा

श्रीरामपूर : कर्करोग हा अतिशय भयावह आजार आहे. या आजाराकडे वेळीच लक्ष द्यावे लागते. कर्करोगाचे अनेक प्रकार आहेत. हा आजार कसा होतो? कशामुळे होतो? यासाठी आरोग्याची काळजी कशी घ्यावी हे फार महत्वाचे आहे. सध्याच्या धावपळीच्या काळात योग्य आहार, नियमित व्यायाम या गोष्टी गरजेच्या आहेत. मुली स्वतःच्या आरोग्याकडे दुर्लक्ष करताना दिसतात. त्यामुळे अनेक समस्यांना त्यांना सामोरे जावे लागत आहे. खर तर उपचारापेक्षा प्रतिबंध हा नेहमीच चांगला असतो. नियमित वैद्यकीय आरोग्य तपासणी केल्यास कर्करोगासारख्या भयावह आजारावर मात करता

येते. असे प्रतिपादन प्रसिद्ध कॅन्सर तज्ज्ञमॅककेअर हॉस्पिटल अहमदनगर येथील डॉ. सतीश सोनवणे यांनी केले.

येथील रावबहादूर नारायणराव बोरावके (स्वायत्त) कॉलेजमध्ये सांस्कृतिक विभाग राष्ट्रीय सेवा योजना व महिला सक्षमीकरण समिती यांच्या संयुक्त विद्यमाने भारताचे माजी केंद्रीय कृषीमंत्री व रयत शिक्षण संस्थेचे अध्यक्ष मा. पद्मविभूषण खासदार शरदचंद्ररावजी पवार यांच्या ८३ व्या वाढदिवसानिमित्त कार्यक्रमात प्रमुख व्याख्याते म्हणून ते बोलत होते. कार्यक्रमाचे अध्यक्षस्थान प्रसिद्ध स्त्रीरोग तज्ज्ञ डॉ. सरिता देशपांडे यांनी भूषविले होते. त्यांनी आपल्या अध्यक्षीय समारोपात सांगितले की, महिलांनी या आजाराबाबत जागृत राहून आपल्या आरोग्याकडे जातीने लक्ष

दिले पाहिजे. कारण कोणताही आजार हा एकाएकी निर्माण होत नाही. म्हणून आजारापुर्वी किंवा त्याचा प्रादुर्भाव होऊ नये म्हणून प्रतिबंधात्मक काळजी घेतली पाहिजे असे महत्वाचे विचार त्यांनी व्यक्त केले.

कार्यक्रमाचे प्रास्ताविक व व्याख्यात्यांचे स्वागत महाविद्यालयाचे प्रभारी प्राचार्य डॉ. प्रवीण बडधे यांनी केले. यावेळी डॉ. रवींद्र जगधने, डॉ. रवींद्र कुटे, उपप्राचार्य डॉ. अमरनाथ जगदाळे, प्रा. उषा आढाव यांची प्रमुख उपस्थिती लाभली होती.

कार्यक्रमाचे सूत्रसंचालन व सर्व उपस्थितीतांचे आभार प्रा. डॉ. योगिता रांधवणे यांनी मानले. सदर कार्यक्रमात महाविद्यालयातील विद्यार्थिनी, परिसरातील महिला व नर्सिंग ट्रेनिंगच्या विद्यार्थिनी मोठ्या संख्येने उपस्थित होत्या.

Activity 5. Celebration of Birth Anniversary of Savitribai Phule

DATE - 03/01/2024

A speech on the life and contributions of Savitribai Phule was organized on January 3, 2023, to celebrate her birth anniversary. Prof. Dr. Jyoti Shinde was the resource person for the program. The event began with the worship of Savitribai Phule's image, honouring her legacy.

Mrs. A.S. Mhetras, Chairperson of the Women Empowerment Cell, introduced the resource person Prof. Dr. Jyoti Shinde (Assistant Professor, Khasdar Govindrao Adik Law College, Shrirampur). Prof. Jyoti Shinde shared insights into the inspiring life of Savitribai Phule and her contributions to women's education and social reform.

In her speech, she also discussed the topic "*Stri Mhanun Jagtana*" (Living as a Woman). She provided examples to explain her points and shared important information about laws related to women's rights. Her talk was both informative and inspiring.

मुलींनी आत्मनिर्भर बनावे : जगधने

श्रीरामपूर, ता. १५ : सध्याचे युग हे परिवर्तनाचे युग आहे. काळाला अनुसरून सर्वच क्षेत्रांमध्ये आमूलाग्र परिवर्तन होत आहे. या बदलाला अनुसरून आपणही आपल्यामध्ये परिवर्तन म्हणजे बदल घडून आणला पाहिजे. विशेषतः मुलींना संघर्ष करावा लागतो. या संघर्षामध्ये टिकाव धरण्यासाठी मुलींनी अगोदर आत्मनिर्भर बनले पाहिजे, असे प्रतिपादन रयत शिक्षण संस्थेच्या मॅनेजिंग कौन्सिल सदस्या मीनाताई जगधने यांनी केले.

येथील रा. ब. ना. बोरावके महाविद्यालय, सावित्रीबाई फुले पुणे विद्यापीठाचे विद्यार्थी विकास मंडळ यांच्या संयुक्त विद्यमाने आयोजित निर्भय कन्या अभियानात अध्यक्षपदावरून त्या बोलत होत्या. याप्रसंगी पंचायत समितीच्या महिला व बालकल्याण अधिकारी शोभा शिंदे, प्रा. मनीषा निफाडे व अकबर शेख या व्याख्यात्यांची प्रमुख उपस्थिती लाभली.

श्रीरामपूर : बोरावके महाविद्यालयात 'निर्भय कन्या अभियान' कार्यशाळेत मार्गदर्शन करताना मीनाताई जगधने.

शोभा शिंदे यांनी महिला सबलीकरण या विषयावर मुलींना मार्गदर्शन करताना शासनाच्या विविध योजनांची माहिती देऊन स्वतःच्या आहाराकडे लक्ष द्यावे, असे आवाहन केले. प्रा. मनीषा निफाडे यांनी युवतींचे विवाहपूर्व समुपदेशन या विषयावर मुलींना प्रथम स्वावलंबी बनून स्वविकास साधावा, आर्थिकदृष्ट्या सक्षम व्हावे, यासाठी आत्मनिर्भर होणे अत्यंत महत्त्वाचे आहे. आत्मनिर्भर

होण्यासाठी विशिष्ट वयात मुलींना उत्तम समुपदेशनाची नितांत गरज आहे, असे सांगितले. अकबर शेख यांनी स्वसंरक्षण, कराटे प्रशिक्षण या विषयावर मुलींना मार्गदर्शन केले.

प्रास्ताविक प्रा. डॉ. अनुप दळवी यांनी केले. यावेळी उपप्राचार्य डॉ. सुनील चोळके, डॉ. अमरनाथ जगदाळे, डॉ. योगिता रांधवणे आदी उपस्थित होते. सूत्रसंचालन प्रा. शबाना तांबोळी, प्रा. गीतल बच्छाव यांनी केले.
