Best Practices (2024-25)

.....

Best Practice - II

1) Title of the Practice: Departmental Club.

2) Objectives of the practice:

- To encourage the students for participation in various events organized by the Department.
- To impart skills for development and enhancement of personality of students.
- To improve communication skills and decision-making power.
- To enhance spirit of competition among the students.
- To make students feel accepted and valued for their talents and abilities and stimulate their interest and motivation.

3) The Context:

The institution is devoted to provides holistic and value-based education to our student. Majority of our students belongs to rural area. These students face several problems such as lack of motivation, self-esteem, communication skills, competitive spirit, etc. These students are more likely to leave higher educational institutions without completing their degree course. Additionally, in many cases, the entry level marks are average or below average. Analysing the student profile and to sensing the motivational needs, the institution introduced Departmental clubs. These clubs help student to gain knowledge, skills and experience in leadership,

communication, problem-solving, group development and management, finance, presentation and public speaking. As a result, the students are motivated, gain self-confidence and perform well in both academic and non-academic areas.

4) The Practice:

The Departmental clubs are established at the beginning of each academic year to provide students with extracurricular opportunities and to facilitate practical learning among the students. These clubs operate at the departmental level and organize a variety of programs and activities, including study tours, field visits, workshops, training sessions, poster presentation competitions, research awareness initiatives, NET/SET guidance workshops, debates, elocution, essay and various quiz competitions. Such activities encourage students to go beyond the prescribed curriculum, helping them explore new ideas and perspectives. The Departmental Club also provide a platform for students to engage in discussions, collaborate with experts from diverse backgrounds, and develop a broader understanding of concepts that may not be covered in their regular coursework.

5) Evidence of Success:

During the academic year, the college successfully implemented this practice. All activities were organized at the departmental level under the Departmental Clubs, and students actively participated in them. Reports of several programs were published in local newspapers. Geo-tagged photographs, certificates, student attendance records, and activity reports were properly maintained and preserved in the respective Department.

6) Problems Encountered and Resources Required:

- Efforts are made to increase the involvement of maximum number of students in each programme organized by the respective departments.

7) Notes (Optional): --

Abstract of Departmental Club Activities

Rayat Shikshan Sanstha's R. B. Narayanrao Borawake College, Shirampur has introduces the "Departmental Club" as a Best Practice. The primary objective of this initiative is to enhance the overall personality of students and motivate them to actively participate in various academic and co-curricular activities organized by the Departments. Under this practice, a wide range of programmes and activities are conducted, including study tours, workshops, training programmes, poster presentation competition, anchoring programme, research awareness programme, workshop, Debate, Elocution, Essay and Quiz competition. Through these diverse activities, the Departmental Club plays a significant role in nurturing students' skills, boosting confidence, and promoting active learning beyond the classroom.

During academic year 2024-25, many activities were organized by every Department and some of them are mentioned above. Department of Chemistry under the "RASAYANIKA" organized one-day seminar on "Career Opportunities in Chemical Science", On the occasion of National Science Day-2025, the Department of Chemistry organized an outdoor activity titled "Chemistry: *Chalta-Bolta*", National Level Seminar on 'Recent Trends in Nanotechnology and Quantum Mechanics', a field visit is also organized as a part of the curriculum.

Department of Botany organized a "Flower Arrangement Programme", Tree Plantation Programme was organized on the occasion of 84th birthday of Hon'ble Sharadchandraji Pawar (President, Rayat Shikshan Sanstha, Satara), educational tour at *Dapoli Krishi Vidyapith, Dapoli*, Guest Lecture on Biostatistics, Hands-on Training on 'Biofertilizer Production'.

Department of Zoology under the "Zooikos Club" organized various activities such as Museum Specimen and Insect Collection Exhibition, the "Pearl Fest" event organized on theme "Biodiversity Conservation and Sustainable Development." vermicomposting plant set-up, School Visit to Zoology Laboratory to foster early interest in biological sciences among school students. Food Funfair, blood testing camp for Girls Students etc.

Physics Department under the "Photonic Club" organized various activities like study tour to the Indian Institute of Science Education and Research (IISER), Pune, Sports Carnival, Physics Fair, Rangoli Competition, National Space Day, etc. Department of Mathematics organized Mathematical Model Competition on occasion of International *Pi* Day, Essay Writing Competition, Madhava Mathematics Competition and celebrated the National

Mathematics Day, Mathematical Poster Competition, Rangoli Competition and Seminar Competition.

Department of Computer Science under the “Tech-Hub Club” organized Guest Lecture on “Career Opportunities and Project Platform Selection”, the campus drive through the Kiran Academy, Guest Lecture on “Carrier Opportunity and Placement in IT Sector” One Day State Level Seminar on “Recent Trends in Generative AI and Data Engineering”, Guest Lecture on “Current Trends used in IT Sectors & Live Project Demonstration”, Spandan Event, Mimicry Competition, Poetry Writing & Recitation Competition. Statistics Department has organized Statistical Quiz Competition and poster presentation.

Department of Marathi under the *Abhiruchi* Club has celebrated the “Marathi Bhasha Gaurav Din”, Easy Writing, Marathi Language Conservation Fortnight etc. History Department has organized the Study Tours at historical places in Maharashtra. Department of Hindi has organized various competition like Easy Writing, Elocution, *Kavya Vachan* Competition as well as celebration of *Hindi Divas*. Department of Economics has organized expert lecture and Poster Presentation on “Union Budget-2025”, Field Visit to *Krishi Utpanna Bazar Samiti* and lecture on “World Population Day”. Department of Geography organized guest lecture on occasion of “International Ozone Day”, awareness program on “Side effects of Plastic Waste”, a visit to “Water Harvesting & Ground Water Recharge Project” and study tour. Department of Psychology conducted poster presentation on the occasion of World Mental Health Day, Elocution Competition, and Debate Competition. Department of Political Sciences organized Funfair Activity, Visit to Old Age Home, Food Festival Competition etc.

All the activities are organized at the Department level under “Departmental Club” and students were actively participated in the above programs.

Activity Report

In the academic year 2024-25, Department of Chemistry has organized various activities under the “*RASAYANIKA*” Departmental club. The details of the activities are as follows.

- Department of Chemistry has organized “One-Day Seminar on Career Opportunities in Chemical Science”. on 20th July 2024. This activity was run under the Departmental Club- *Rasayanika*. Dr. Bapu R. Thorat, Professor in Chemistry, Government College of Arts and Science, Chhatrapati Sambhajnagar was invited as the resource person for this event. Total 110 students were participated in this Seminar.
- As a part of curriculum, field visit was organized to Vermi-Compost Plant for T. Y. B. Sc. Chemistry students on 20th January 2025.
- National Science Day-2025 was celebrated by the Department of Chemistry on the 28th February 2025. On this occasion, the out-door activity “Chemistry: *Chalta-Bolta*” was organized under the Departmental Club.
- Department of Chemistry has organized National Level Seminar on “Recent Trends in Nanotechnology and Quantum Mechanics (RTNQM-2025)” on 3rd March 2025. Dr. Rakesh Kumar, Professor in Chemistry, University of Delhi, Delhi and Dr. Ketaki Patankat, Rajaram College, Kolhapur was invited as the resource person for this National Seminar.
- Student seminar for M. Sc. II Students was organized under the Departmental Club.

Activity Report

“One-Day Seminar on Career Opportunities in Chemical Science”

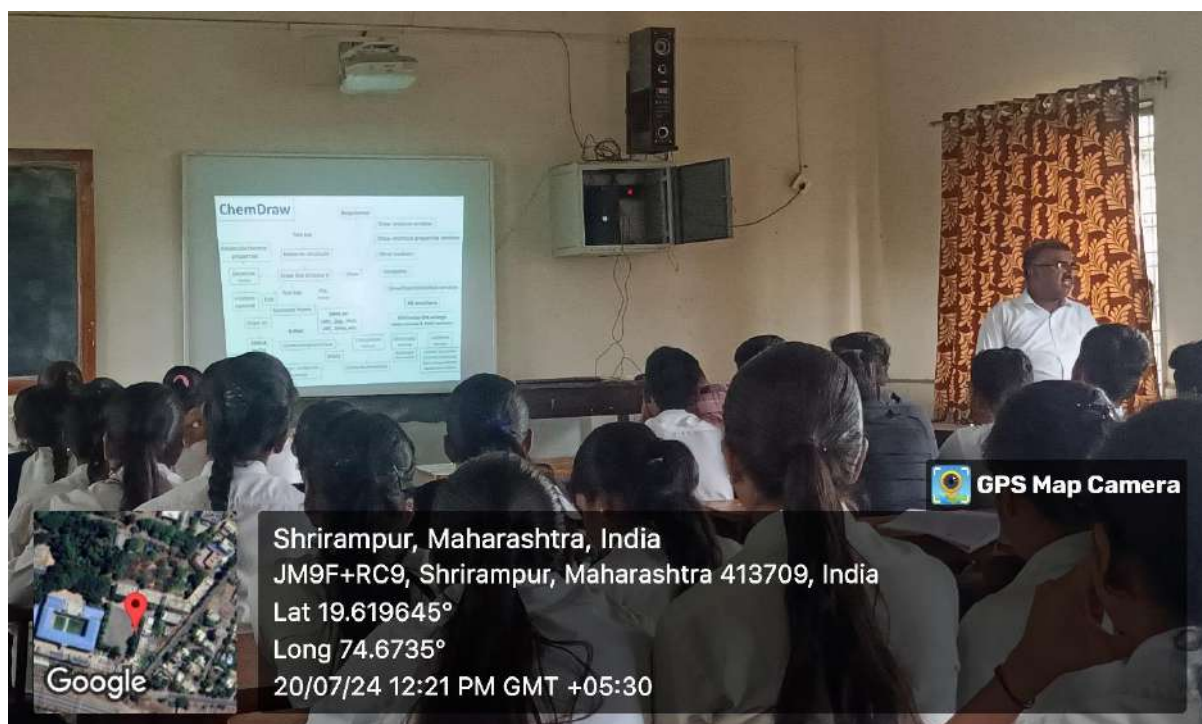

20th July 2024

Department of Chemistry, R. B. Narayanrao Borawake College (Autonomous) had organized a **“One-Day Seminar on Career Opportunities in Chemical Science”**. This was an initiative jointly undertaken by the Head of the Department of Chemistry- Dr. A. N. Jagdale and the Departmental Club- *Rasayanika*. Dr. Bapu R. Thorat from the Government College of Arts and Science, Chh. Sambhajnagar was invited as the keynote speaker for this event.

The seminar began with the formal introduction of speaker by Dr. A. N. Jagdale, HOD Chemistry. He set the context for the seminar and highlighted the expectations of Industry from students after they graduate/post graduate. Dr. Jagdale in his opening remarks talked about the implementation of NEP based course such as On Job Training, Research Methodology and Research Projects at the department. Dr. Jagdale then invited Dr. Thorat to deliver his keynote address to students.

Dr. Bapu Thorat was very candid from the beginning during his talk with students. He was very brief in his address regarding the expectations of industry from students, the aptitude and attitude of students for better placements in industry. He then went on to talk about the steps and domains in which the industrial work functions. In general, he covered the functioning of not only pharmaceutical but also other chemistry-based companies. He highlighted the importance of Research and Development in chemical/pharma sector. He emphasized the need to localize API production in our own country because currently most of APIs are sourced from countries like China at cheaper cost. Very briefly he talked about inner functioning of industry from supply chain of raw materials to delivery of goods to various stakeholders. Hence, he highlighted various opportunities in the industry for chemistry graduate students in segments like R&D, Production, QC, QA, Instrumentation etc.

All students (M.Sc. I, II) who attended this seminar found it very promising as proper guidance for their career directions after post-graduation. Students asked their queries, questions and Dr. Thorat very interactively addressed them. Overall it was a very satisfying event from students point of view as they admitted that they were doubtful regarding career opportunities after completing M.Sc. before this seminar. Dr. S. S. Karhale, as the coordinator of the departmental club- *Rasayanika* presented vote of thanks on behalf of the Department of Chemistry and thanked Dr. Bapu Thorat for this wonderful seminar on career guidance. All students of M.Sc.I (Analytical & Organic) and M.Sc.II (Analytical & Organic) including all staff members of Chemistry Department were present for this seminar.

(Few glimpses form the seminar, Dr. Bapu Thorat while guiding students)

Field Visit

As a part of the curriculum, a field visit for T. Y. B. Sc. Chemistry students was organized under the Departmental Club “*RASAYANIKA*”. In the syllabus of T. Y. B. Sc. Chemistry, the paper “*Soil and Agrochemicals*” emphasize the importance of Vermi-Composting. The field visit was organized to correlate the theoretical knowledge with practical exposure.

Dr. Sandip Kawade, Head of the Department of Zoology, R. B. Narayanrao Borawake College, Shrirampur, was invited as the resource person. He highlighted the significance of a Vermi-Compost Unit and elaborated on its construction, methodology, and working process. The session provided valuable insights into sustainable agricultural practices and enriched the students' practical understanding of the subject. The event was conducted under the guidance of Dr. A. N. Jagdale, Head, Department of Chemistry, and coordinated by the subject teacher Dr. S. S. Karhale and Mr. C. A. Timane.

Dr. S. S. Karhale welcome and introduced the resource person.

Dr. Sandip Kawade explaining the significance of Vermi-Compost and its working process.

Chemistry: *Chalta-Bolta*

On the occasion of National Science Day-2025, the Department of Chemistry organized an outdoor activity titled “Chemistry: *Chalta-Bolta*” on 28th February 2025. The objective of this activity was to create interest in chemistry and to promote scientific awareness through interactive and engaging participation. “Chemistry: *Chalta Bolta*” refers to an engaging, interactive quiz-based activity commonly used in the industrial and educational environments. The activity is conducted to promote safety awareness, knowledge sharing, and participant engagement in tension free environment.

The activity is conducted in “*moving and talking*” format to gain the knowledge beyond the formal academic knowledge ensuring active participation of students. During the activity, students across the college campus were randomly approached and asked one or two general chemistry-related questions to assess and enhance their chemical awareness and general knowledge. An overwhelming response was observed among the students. The activity was coordinated by student Miss. Prachi More, T. Y. B. Sc. Chemistry.

Mis Prachi More, T. Y. B. Sc. Chemistry coordinate the event “Chemistry: *Chalta-Bolta*”

National Level Seminar

on

‘Recent Trends in Nanotechnology and Quantum Mechanics’

Date: 03/03/2025

The Department of Physics and Chemistry, R.B. Narayanrao Borawake College, Shrirampur successfully organized a **National Level Seminar on “Recent Trends in Nanotechnology and Quantum Mechanics”** on **3rd March 2025**. The seminar aimed to bring together researchers, academicians, students, and industry experts to explore the latest advancements and applications in the fields of nanotechnology and quantum mechanics.

The event commenced with a warm welcome by Dr. A. N. Jagdale and Ms S. G. Kolhe, the convener of the seminar, followed by the lighting of the lamp. The welcome address was delivered by Prin. Dr. P.V. Badadhe, who highlighted the significance of nanotechnology and quantum mechanics in today’s rapidly evolving scientific landscape. Also, the seminar was inaugurated by him and he addressed the gathering with inspiring insights on the interdisciplinary impact of quantum physics and nanoscale innovations in shaping future technologies. The vote of thanks was delivered by Ms S. G. Kolhe.

Keynote Speakers and Technical Sessions:

The seminar featured keynote addresses and technical sessions by eminent personalities from premier institutions and research organizations. Some highlights include:

- **Dr. Rakesh Kumar**, Professor, Department of Chemistry, University of Delhi delivered a keynote on Chemosensors explaining the principles of quantum size effect and Chemosensors.
- **Dr. Rakesh Kumar**, Professor, Department of Chemistry, University of Delhi presented a session on **“Design and Synthesis of Chemosensors for selective recognition of metal ion and Amino acids”**, shedding light on the use of nanoparticles in Chemosensors.

- A special lecture on “**Quantum Mechanics and its Applications**” was given by **Dr. K.K. Patankar, Associate Professor, Rajaram College, Kolhapur** which sparked engaging discussions among participants.

'बोरावके'त राष्ट्रीय सेमिनार उत्साहात

श्रीरामपूर : येथील बोरावके महाविद्यालयात रसायनशास्त्र व भौतिकशास्त्र यांच्या संयुक्त विद्यमाने नुकतेच राष्ट्रीय सेमिनारचे आयोजन केले होते. या सेमिनारमध्ये दिल्ली विद्यापीठाचे वरिष्ठ प्राध्यापक डॉ. राकेशकुमार व राजाराम कॉलेज येथील प्रा. डॉ. केतकी पाटणकर प्रमुख वक्ते म्हणून उपस्थित होते.

यावेळी येथील रयत शैक्षणिक संकुलच्या चेअरमन मीनाताई जगधने यांनी मार्गदर्शन केले. तसेच प्राचार्य डॉ. प्रविण

बडधे यांनी महाविद्यालयात होणाऱ्या वेगवेगळ्या उपक्रमांची माहिती दिली. सदर सेमिनार दोन सत्रांमध्ये पार पडले.

पहिल्या सत्रात प्रा. डॉ. राकेशकुमार यांनी केमो सेन्सॉरच्या माध्यमातून अमिनो ॲसिड व विशिष्ट धातूच्या अस्तित्त्वामध्ये नॅनो तंत्रज्ञानाचे महत्त्व स्पष्ट केले. तसेच दुसऱ्या सत्रांमध्ये प्रा. डॉ. केतकी पाटणकर यांनी एकविसाव्या शतकामध्ये क्वांटम क्वांटम मेकॅनिक्सचे फायदे, या विषयावर मार्गदर्शन

केले. रसायनशास्त्र विभागप्रमुख डॉ. अमरनाथ जगदाळे यांनी कार्यक्रमाची रूपरेषा सांगितली.

डॉ. शरद शेळके यांनी प्रमुख व्याख्यात्यांची ओळख करून दिली. तसेच भौतिकशास्त्र विभागप्रमुख प्रा. सोनल कोल्हे यांनी आभार मानले. डॉ. अश्विनी आगळे व डॉ. प्रगती जाधव यांनी सूत्रसंचालन केले. डॉ. कऱ्हाळे, डॉ. कुंदे, प्रा. इंगळे, प्रा. तिमाणे, प्रा. मरभळ, प्रा. भाग्यवंत यांनी कार्यक्रम यशस्वीतेसाठी परिश्रम घेतले.

रावसाहेब बोरावके महाविद्यालयात राष्ट्रीय चर्चासत्र

श्रीरामपूर, ता. ३ : बोरावके महाविद्यालयात रसायनशास्त्र व भौतिकशास्त्र यांच्या संयुक्त विद्यमाने राष्ट्रीय चर्चासत्राचे आयोजन करण्यात आले होते. सदरच्या चर्चासत्रांमध्ये दिल्ली विद्यापीठाचे वरिष्ठ प्राध्यापक डॉ. राकेशकुमार व राजाराम कॉलेज, कोल्हापूर येथील प्रा. डॉ. केतकी पाटणकर हे प्रमुख वक्ते म्हणून उपस्थित होते.

रयत शैक्षणिक संकुलच्या अध्यक्ष मीनाताई जगधने यांनी सदरील कार्यक्रमास शुभेच्छा दिल्या. महाविद्यालयाचे प्राचार्य डॉ. प्रवीण बडधे यांनी उद्घाटनप्रसंगी महाविद्यालयात होणाऱ्या वेगवेगळ्या उपक्रमांची माहिती सांगितली. सदरील चर्चासत्र दोन सत्रांमध्ये घेण्यात आले. पहिल्या सत्रात प्रा. डॉ. राकेशकुमार यांनी केमोसेन्सॉरच्या माध्यमातून अमिनो ॲसिड व विशिष्ट धातूच्या अस्तित्त्वामध्ये नॅनो तंत्रज्ञानाचे महत्त्व विशद केले. दुसऱ्या सत्रांमध्ये प्रा. डॉ. केतकी पाटणकर यांनी एकविसाव्या शतकामध्ये क्वांटम क्वांटम मेकॅनिक्सचे फायदे या विषयावर मार्गदर्शन केले. रसायनशास्त्र विभागप्रमुख डॉ. अमरनाथ जगदाळे यांनी कार्यक्रमाची रूपरेषा सांगितली. डॉ. शरद शेळके यांनी प्रमुख व्याख्यात्यांची ओळख करून दिली. सूत्रसंचालन डॉ. अश्विनी आगळे व डॉ. प्रगती जाधव यांनी केले.

Student Seminar

Student Seminar for the M. Sc. II (Organic & Analytical Chemistry) students were organized under the Departmental Club: *Rasayanika*. Student seminars serve as a crucial and interactive component of education which works as a bridge between theoretical classroom and practical knowledge. Seminar also foster the deep learning, allowing students to explore subjects in-depth and beyond standard textbooks, which is essential for both academic and personal growth of the students. The seminars were coordinated by the class-teaches of the respective class.

Activity Report

The Department of Botany is always ready to provide research aptitude and personality development among the students with academic progress. In the Academic year 2024-2025, Department of Botany has organized various activities under the "Dr. E. K. Janaki Ammal" Departmental Club. The details of the activities are as follows.

- As a part of Green Campus initiative, a tree plantation program was organized by the Department on the occasion of 78th Independence Day on 15th August 2024. Saplings of *Cycas*, *Citrus*, Coconut, Custard apple, many ornamental and medicinal were planted by the faculty and students.
- The Department of Botany organized a "Flower Arrangement Program" on 6th September 2024 in the Botany Lab. The event aimed to provide a platform for students to showcase their creativity, deepen their appreciation for the natural world, and develop an understanding of the diverse uses and symbolism of flowers. The program saw enthusiastic participation from 36 students, ranging from F.Y. B.Sc. to Postgraduate levels. The students presented a wide range of creations, including floral rangolis, bouquets, handmade flower baskets, wall hangings, and other decorative items made from flowers and leaves.
- Second tree plantation program was organized by the Department while celebrating the Birthday of Hon'ble Sharad Pawar Saheb, President, Rayat Shikshan Sanstha, Satara, on 12th December 2024 by the auspicious hands of Chief guest Hon'ble Meenatai Jagdhane. Primary objectives of the programme were to create awareness among the students towards tree plantation and environmental sustainability.
- A Botanical Excursion was organized on 05th and 6th February 2025, at Satara, Koyna Dam, Dapoli Krishi Vidyapith, Murud, Harne fort and Mahabaleshwar to learn about research, biodiversity, ecology, wildlife sanctuary and marine ecosystems in their natural habitat. Total 39 students were participated in the study tour.
- A guest lecture on Biostatistics was organized in Department of Botany on 5th March 2025; with the aim of providing students with an in-depth understanding of the application of statistical methods in biological research. Total 81 students were benefitted the lecture.

- A Two Days Workshop *cum* Hands-on Training on 'Biofertilizer Production' was organized by Department of Botany on 07th and 08th March 2025. Primary objective of the workshop was to promote skill development and entrepreneurship in Biofertilizer production. 58 students of F.Y., S.Y., T.Y.U.G., S.Y.P.G. actively participated and successfully completed the workshop cum hand-on training.
- A training programme on 'Milk Production Technology and Organic Farming - Entrepreneurship Development and Employment Opportunities' was organized by Department of Botany and Department of Vocational Education in collaboration with 'Kisan Konnect Safe Food Pvt. Ltd. and 'Organica Farmer Producer Co. Ltd.', on 21st March 2025. Primary objectives of the programme were to promote entrepreneurship in Milk Industry and Organic Farming as well as create awareness about use of residue free food for healthy life. More than 75 students actively participated in training programme.
- The Department of Botany organized a guest lecture on competitive exam in life science guidance for the benefit of undergraduate and postgraduate students aspiring to clear the National Eligibility Test (NET), State Eligibility Test (SET), PET and GATE. Lecture was organised on 24th March 2025; designed to equip aspiring candidates with the necessary tools, resources, and advice to excel in these competitive exams. About 63 students attended the guest lecture.

Report

Date: 15/08/2024

The 78th Independence Day in R. B. Narayanrao Borawake College, Shrirampur was celebrated with great joy and enthusiasm by all students and teachers. Global warming is the most alarming thing that our country is facing now days. For commercial and industrial uses, and for civilization, trees are being cut down leading to the depletion of ozone layer, global warming and pollution. So, planting trees and saving our Nation and ultimately the Earth must be the top most priority for us Indians to celebrate the Independence Day. So, objective of this event was to teach students, how we can save our climate from pollution. After flag hoisting on 15th August 2024, more than twenty-five trees were planted in the campus and Botanical-garden of the college. The tree plantation was done with the Chief guest Principal Prof. Dr. P. V. Badadhe, On this occasion, Vice-principal Dr. A. N. Jagdale and IQAC Coordinator Dr. D. B. Bankar were present. Principal Sir addressed the students about the need tree plantation. Dr. K. W. Pawar, Head, Department of Botany guided students on how to plant a sapling properly. We planted *Cycas*, *Citrus*, Coconut, Custard apple, many ornamental and medicinal were planted by the faculty and students. Faculty members of Botany were coordinated this event.

Flower Arrangement Programme

Report

Date: 06/09/2024

Flowers have always played an important role in human life, symbolizing beauty, love, and emotion. Beyond their aesthetic appeal, they are integral to various cultural, social, and ecological contexts. Recognizing this significance, the Department of Botany organized a **"Flower Arrangement Programme"** on 6th September 2024 at 10:30 a.m. in the Botany Lab. The event aimed to provide a platform for students to showcase their creativity, deepen their appreciation for the natural world, and develop an understanding of the diverse uses and symbolism of flowers.

The event began with an introductory speech by the Head of the Botany Department, Dr. K.W. Pawar, who welcomed all the participants and guests, highlighting the significance of creative activities like the Flower Arrangement Programme in enhancing students' learning experiences. This was followed by an inspiring speech from Dr. A. N. Jagdale, the Vice-principal, who emphasized the importance of holistic development and praised the efforts of the Department of Botany in organizing such an engaging event. Principal, Prof. Dr. P.V. Badadhe, then delivered a motivational presidential speech, encouraging the students to continue exploring their creativity and participate in activities that foster innovation and growth beyond the classroom.

The Programme saw enthusiastic participation from 36 students, ranging from F.Y. B.Sc. to Postgraduate levels, including both boys and girls from various departments who have Botany as a minor subject. The flower arrangements were diverse and imaginative, reflecting the students' understanding of floral aesthetics and arrangement techniques. The students presented a wide range of creations, including floral rangolis, bouquets, handmade flower baskets, wall hangings, and other decorative items made from flowers and leaves.

The judging panel, comprising Ms. K.S. Popere and Dr. P.D. Jadhav, faced a challenging task as all the arrangements were fabulous and showcased exceptional creativity. The judges noted that the inclusion of both commercially available flowers and wild, locally sourced blooms added a unique touch to the arrangements, highlighting the students' resourcefulness and appreciation for nature. The variety of arrangements demonstrated the students' skills and innovation, making the judging process both difficult and rewarding.

The Principal, Prof. Dr. P.V. Badadhe, along with other distinguished guests, including Dr. D.B. Bankar (IQAC Coordinator), Dr. A. N. Jagdale (Vice-principal), Dr. A.S. Mahure, (Head Department of Education) and Dr. S. A. Kawade (Head Department of Zoology Department), took the time to observe each of the floral arrangements closely. They appreciated the creativity and efforts of the students, acknowledging their hard work and innovative ideas. Their words of encouragement and positive feedback greatly motivated the participants, adding to the excitement of the event.

The anchoring of the event was skillfully managed by Ms. K.S. Popere, ensuring a smooth and engaging flow throughout the Programme. Dr. K.W. Pawar, Head of the Botany Department, provided special guidance, underscoring the importance of such creative activities in enhancing students' skills and fostering a love for nature. The Programme concluded with a vote of thanks delivered by Dr. P.D. Jadhav, who expressed gratitude to all dignitaries, participants, judges, faculty members, and volunteers for their contributions to making the event a memorable success.

A Report on Tree Plantation Programme

Date: 12th December 2024.

The Tree Plantation Programme was organized by P.G. Department of Botany and Research Centre on 12th December 2024; on the occasion of 84th birthday of Hon'ble Sharadchandraji Pawar (President, Rayat Shikshan Sanstha, Satara). Primary objectives of the programme were to create awareness among the students towards tree plantation and environmental sustainability.

The plantation was done by the auspicious hands of Chief guest, Hon. Meentai Jagdhane (Member Managing Council, Rayat Shikshan Sanstha, Satara and Chairman, Rayat Shaikshanik Sankul, Shrirampur), Hon. Prakash Nikam Patil (Member, General Body, Rayat Shikshan Sanstha, Satara) along with Principal Dr. P.V. Badadhe. Teaching staff and students also participated in planting trees within campus, symbolizing their commitment to greener future. Saplings of Coconut, *Thuja*, *Spathodia*, and many other ornamental plants were planted in the college campus and in botanic garden.

The tree plantation program likely inspired the participants to recognize the value of trees and to contribute in environmental conservation, also adding college greenery.

Tree Plantation by Chief guest, Hon. Meentai Jagdhane

Educational Tour Report

2024-2025

The Department of Botany, R.B. Narayanrao Borawake College, Shrirampur (Autonomous) has organized a two days educational tour on 5th and 6th February 2025 at Satara, Koyana Dam, Dapoli Krishi Vidyapith, Murud, Harne Port, Mahabaleshwar, Under the guidance of Dr. K. W. Pawar, Head Department of Botany R.B. Narayanrao Borawake College Shrirampur and also faculty members Miss. K.S. Popere, Mr.S .G. Chavan and Miss P. R. Harar. Around 39 students of F.Y., S.Y. and T.Y. B.Sc. Botany were participated in this tour. The purpose of the tour was to provide the knowledge of students with a practical understanding of scientific concepts and technologies studied in class as well as to know about the research, biodiversity, ecology, wildlife sanctuary, plant taxonomy etc.

On the first day of the tour on 5th Feb, our journey was started night at 12 am from our college campus towards the Karad . At 7.30 am we reached to the Rayat Shikshan Sanstha's Sadguru Gadage Maharaj College Karad . Dr. Sutar sir welcome to us and show their college campus. We are visited different Department such as Physics, Chemistry, Botany, Zoology, and Botanical garden, also. The speciality of the college is it conducted several types vocational courses and successfully it run which helpful to the

skill based knowledge. Our students gather the information of that courses such as MBA, Hotel Management, fashion designating to which students gets ideology of entrepreneur and business management.

After complete that visit, our journey started towards Koyana Wildlife sanctuary. We reached our destination at 1.30 pm. Koyana Wildlife Sanctuary is a natural World Heritage Site, which is located in Satara district of the Indian state of Maharashtra. Further, this wildlife sanctuary is designated as an important bird area. The sanctuary is nested in the Western Ghats, covering an area of around 423.55 km² (163.53 sq mi), and elevations ranging from 600 to 1,100 m (2,000 to 3,600 ft). It was notified in 1985 as a wildlife sanctuary situated in Maharashtra. It forms the northern portion of the Sahyadri Tiger Reserve, with Chandoli National Park forming the southern part of the reserve. We have visited Nehru Park. We met forest officers who celebrates the Van Vanava Pratibandh Saptah, (वन वानवा प्रतिबंध सप्ताह) they gave us the idea about this events and guide how conserve the wildlife and biodiversity. The visit was conducted with an objective of make students to observe the structure and functioning of wildlife sanctuary to conserve the nature and wildlife. Students witnessed the beauty of India's biggest biodiversity spot of Sahyadri Mountain range as the observed various wild animals in their natural habitat.

We left this destination at 2.40 pm and our journey was start towards the Dapoli. We reached at the at 7.30 pm. and we had stay at Dapoli. Dapoli is a small town in Ratnagiri district of Maharashtra in India. After Second day on 6th Feb at 7.30 am we move towards on the Murud beach and Karde port. Karde and Murud are small villages on the sea coast. One of the primary attractions here is dolphin watching. Harne port is famous for the fish market which is assumed to be one of the largest suppliers of fish to Maharashtra and also Export. Fish auction carried on a daily basis on the beach is must visit the place.

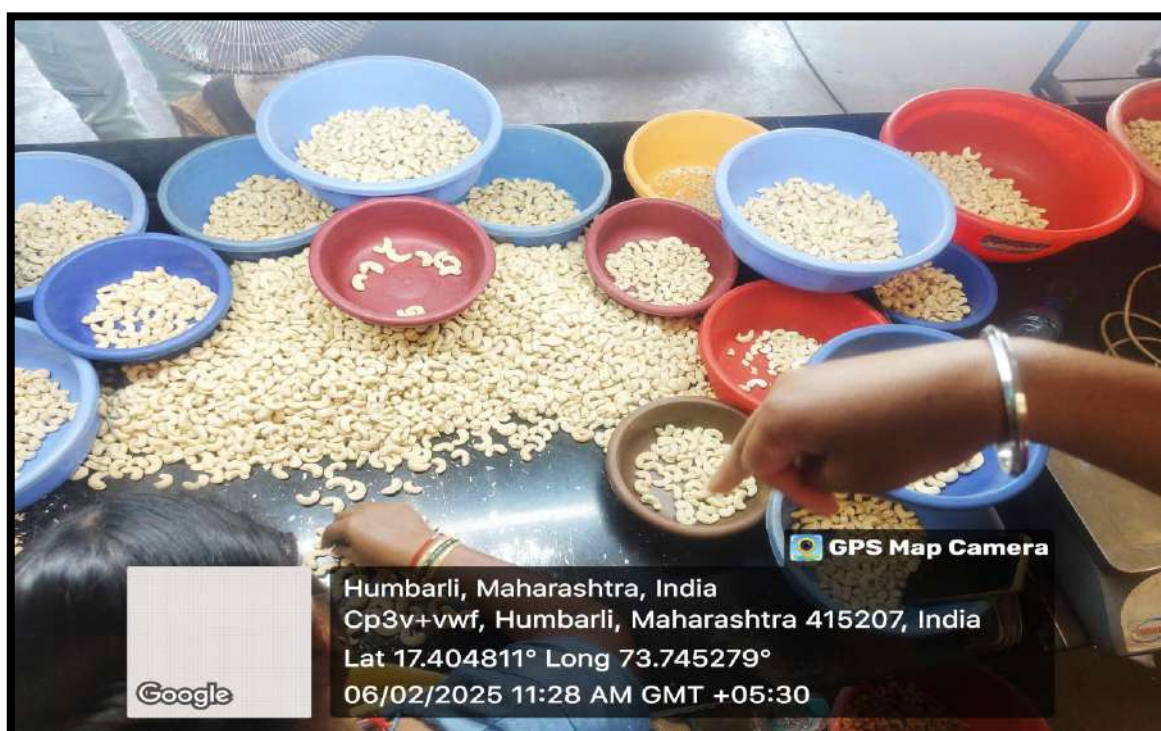

After that we visited the cashew nut factory in Dapoli. Students gathered the information about the valuable insights into the multi-step process involved in cashew processing, including sorting, roasting, shelling, and packaging.

The visit to Bolas Cashew Industry was an insightful and enriching experience for both students and faculty members. It provided an in-depth look at the operational aspects of the cashew processing industry and fostered practical knowledge on industrial practices, machinery, and quality control. This exposure will help students gain a better understanding of the workings of the food processing sector and contribute to their academic growth and career readiness.

Lastly at 12.10 p.m. we visited to the Dr. Balasaheb Sawant Konkan Krishi Vidyapeeth. It is the one of the famous agricultural University at Dapoli in Ratnagiri district of Indian state of Maharashtra. It was established in on 18 May 1972 as Konkan Krishi Vidyapeeth and got its present name on 12 February 2001 in memory of 3rd Chief

minister of Maharashtra Shri. P.K. Sawant. It's research centre at Karjat has developed some patented varieties of rice. Its Major focus area is rice, horticulture and fisheries. In 1997, it receives the Best Institute Awards of Indian Council of Agriculture Research (I.C.A.R.). Various departments were visited in the university such as Biotechnology, Medicinal Plant Garden, Fruit processing centre, Horticulture, Agricultural Botany, Wild ornamental Nursery

More than 100 angiospermic plants were observed and information received from each department. It is useful to students and faculties for further reference.

At 2.30 pm our journey starts towards the Mahabaleshwar reached at 7.00 pm Mapro garden. Mapro Garden is a popular tourist attraction located in the hill station of Mahabaleshwar in the Satara district of Maharashtra, India. The garden is situated on the Panchgani-Mahabaleshwar road, about 2 km from the main market area of Mahabaleshwar.

The garden is spread over an area of 7 acres and is known for its scenic beauty, lush greenery, and strawberry plantations. The garden is maintained by the Mapro Foods Private Limited, a food processing company that specializes in fruit-based products such as jams, syrups, and crushes.

We saw the various types of fruits and vegetables grown there, including strawberries, raspberries, blueberries, and mulberries.

One of the main attractions of Mapro Garden is the Strawberry Festival, which is held every year during the months of March and April. During this festival, visitors can enjoy a variety of strawberry-based dishes, participate in games and activities, and purchase fresh strawberries and other fruit products.

Finally, we started our returned journey at 10.30 p.m via Phaltan, Morgon Nhavara phata, shirur Ahilyanagar and reached at Shrirampur at 7.50 a.m.

Overall this tour was academically very useful to our students. Students will submit report of excursion tour further more practical examination in April May 2025.

We are very thankful to our Rayat Shikshan Sanstha Satara as well as Principal Dr.P. V. Badadhe, R.B. Narayanrao Borawake College Shrirampur, for your kind permission for this excursion.

A Report on Guest Lecture on Biostatistics
Date: 05th March 2025

A guest lecture was organized in Department of Botany on 5th March 2025 on Biostatistics with the aim of providing students with an in-depth understanding of the application of statistical methods in biological research. The Vice Principal of college Dr. A. N. Jagdale took the Presidential seat. The event commenced with an insightful address by Miss. K.S. Popere, who provided an overview and significance. The formal welcome and felicitation of the guest was conducted by Head department of Botany Dr. K.W. Pawar, who extended warm greeting to all dignitaries, faculty members, and students present. The Vice principal of college A.N. Jagdale took the presential seat and inaugurated the session.

The lecture was delivered by Dr. D. D. Ahire, the esteemed Head of the Department of Botany at New Arts, Commerce and Science College Ahilyanagar, who shared his expertise on the importance of biostatistics in the field of life sciences. The primary objective of the guest lecture was to familiarize both undergraduate and postgraduate students with the fundamental concepts and practical applications of biostatistics, which plays a crucial role in analysing and interpreting biological data. Dr. D. D. Ahire commenced the lecture by emphasizing the significance of biostatistics in modern biological research. He explained that biostatistics is essential for making sense of data generated in various fields such as Botany, Ecology, and Environmental sciences. Dr. D. D. Ahire introduced biostatistics as a branch of statistics that applies statistical techniques to biological research.

He highlighted how biostatistics aids in the collection, analysis, interpretation, and presentation of biological data. Various statistical tools commonly used in biological research were discussed, such as descriptive statistics, probability distributions, hypothesis testing, and regression analysis. The importance of using the correct statistical methods to draw valid conclusions from biological experiments was stressed. Dr. D. D. Ahire elaborated on how biostatistics is applied in the field of botany, with examples related to plant growth studies, ecological research, and biodiversity conservation. He provided practical examples where statistical methods help in understanding plant population dynamics, disease spread in plants, and the effectiveness of conservation strategies. The importance of correctly interpreting and presenting statistical data was emphasized. Dr. D. D. Ahire highlighted the use of graphical representations, such as histograms and scatter plots, to convey complex data in an easily understandable format. The lecture also covered the ethical issues related to data analysis, such as data manipulation, and stressed the importance of maintaining integrity in research findings.

After the lecture, Dr. D. D. Ahire opened the floor to questions, where students actively participated in discussions. Several queries were raised regarding the application of specific statistical methods in ongoing research projects. Dr. D. D. Ahire addressed these questions with practical examples, which helped students understand the real-world application of biostatistical techniques. The guest lecture on biostatistics was highly informative and provided valuable insights into the application of statistical techniques in biological research. Dr. D. D. Ahire's clear explanations and practical examples made complex concepts accessible to both UG and PG students. The session successfully achieved its goal of enhancing students understanding of

biostatistics and its relevance in botany and other biological fields. The Department of Botany extends its heartfelt thanks to Dr. D. D. Ahire for delivering such an enriching lecture. The department also appreciates the participation of all students and the effort put in by the faculty members for organizing the event. The vote of thanks was delivered by Miss P. R. Harar.

A Report on Two Days Workshop *cum* Hands-on Training on 'Biofertilizer Production'

Date: 07th and 08th March 2025.

Two Days Workshop *cum* Hands-on Training on 'Biofertilizer Production' was organized by Department of Botany on 07th and 08th March 2025. Primary objectives of the workshop was to promote skill development and entrepreneurship in Biofertilizer production as well as create awareness about use of biofertilizer for environment protection.

Mr. Kiran B. Landage, a research scholar from Department of Botany, C.T. Bora College of Arts, Commerce and Science, Shirur, was invited as resource person. 58 students of F.Y., S.Y., T.Y.U.G., S.Y.P.G. actively participated and successfully completed the two days workshop cum hand-on training. Mr. Kiran B. Landage actively conducted the sessions about preparation and mass production of biofertilizer.

The first day of workshop began with inauguration function chaired by Dr. A.N. Jagdale (Vice Principal), Dr. D.B. Bankar, Dr. S. P. Kunde, Dr. K.W. Pawar (Head, Department of Botany). In the morning session of the workshop Mr. Kiran B. Landage delivered a lecture on 'Introduction of Biofertilizer'. In the afternoon session, he demonstrated steps and procedure for 'Isolation of Beneficial Microorganisms'. Pure culture of microorganisms used as biofertilizer like *Rhizobium*, *Azotobacter* and Phosphate solubilizing bacteria were prepared by the participants as per instructed by Mr. Kiran B. Landage.

In the morning session of second day, He discussed about 'Biofertilizer Production Technology'. Multiplication and mass production techniques for biofertilizer was actively demonstrated. Participant actively prepared and packaged usable forms or final products to be used as biofertilizer.

In the afternoon session, Mr. Kiran B. Landage guided the participants about quality standards and license process, set up of biofertilizer industry, rules and regulation regarding commercial production and marketing of biofertilizer. He also guided the participants on the carrier opportunities, funding agencies, entrepreneurship and employability in Biofertilizer production. The workshop was concluded with vote of thanks delivered by Ms. P.R. Harar.

A Report on 'Milk Production Technology and Organic Farming Training Programme – Entrepreneurship Development and Employment Opportunities'

Date: 21st March 2025.

A training programme on 'Milk Production Technology and Organic Farming – Entrepreneurship Development and Employment Opportunities' was organized by Department of Botany and Department of Vocational Education in collaboration with 'Kisan Konnect Safe Food Pvt. Ltd. and 'Organica Farmer Producer Co. Ltd.', on 21st March 2025. Primary objectives of the programme was to promote entrepreneurship in Milk Industry and Organic Farming as well as create awareness about use of residue free food for healthy life.

More than 75 students actively participated in training programme. Training programme began with inauguration function chaired by Prof. Dr. P.V. Badadhe (Principal), Dr. A.N. Jagdale (Vice Principal), Dr. K.W. Pawar (Head, Department of Botany), and Mr. N.K. Varpe (Coordinator). Mr. Sunil Pawar, Chairman, Organica Farmer Producer Co. Ltd. guided the participants about organic silage production, TMR production for cattle feed. He also provided valuable information about working of Organica Ltd. He encouraged participants about employment opportunities in Organica Ltd.

Dr. Ravi Kiran, Veterinarian, guided the participants on nutritional requirements, advanced breeding techniques in cattle farm. He primarily focused on role of healthy diet in increasing milk production in cattle. He talked about profitability to improve economics of farmers.

Miss Priti Borde. BOD, Kisan Konnect Safe Food Pvt. Ltd. guided on production, processing and marketing of organic vegetables through online platforms. She also talked about organic milk production and processing run by Kisan Konnect Ltd. She offered employability as well as training on entrepreneurship in milk industry and organic farming, to the participants.

In an interactive session with students, delegates happily answered the questions to clarify the doubts of students. Dr. A.N. Jagdale, Vice Principal, praised the initiatives on Kisaan Konnect Ltd. and Organica Ltd. and thank them for valuable guidance to the students. He appealed the students to get advantage of the training programme. The programme was concluded with vote of thanks proposed by Dr. K.W. Pawar.

Year 2024-2025

Competitive Exam in Life Science

REPORT

Date: 24-03-2025

The Department of Botany organized a guest lecture on competitive exam in life science guidance for the benefit of undergraduate and postgraduate students aspiring to clear the National Eligibility Test (NET), State Eligibility Test (SET), PET and GATE. Lecture was organised on 24/05/2025 designed to equip aspiring candidates with the necessary tools, resources, and advice to excel in these competitive exams.

The session was conducted by the Prof. D.A.Tuwar sir, who is renowned for his expertise and extensive experience in guiding students for competitive examination. The primary objectives of the lecture were to introduce students to the NET/SET /GATE/PET exam format and specific requirements for Botany, provide strategies for effective preparation, including study schedules, resources and tips for each paper to clarify common doubts about the exam structure, syllabus, eligibility and inspire students by sharing success stories and the importance of clearing these exams for academic and research careers.

The event began with a formal welcome address by Miss. P.R.Harar. Following the welcome Dr.K.W.Pawar Sir Head Department of Botany, felicitated Prof. Tuwar Sir with a token of appreciation, acknowledging his valuable contribution to academic mentorship and his continued efforts in guiding aspiring scholars. Prof. Tuwar Sir delivered an insightful lecture on effective strategies for NET preparation, covering `exam patterns time management, and the importance of conceptual understanding. The two papers in the NET exam were discussed. Paper I: General Paper on Teaching and Research Aptitude common for all subjects. Paper II: Subject-Specific Paper for Botany, focusing on plant science, ecology, genetics, physiology.

His interactive approach kept the students engaged, and the session concluded with a question and answer round that addressed the student's doubt and queries. The event was a great success, leaving students motivated and better informed about their path to academic excellence.

The event concludes with a vote of thanks proposed by Miss.K.S.Popere, expressing gratitude towards the guest speaker, faculty, and students for making the event a success.

Departmental Club: ZOOIKOS

Academic Year: 2024-2025

In the Academic year 2024-25, Department of Zoology has organized various activities under the "ZOOIKOS" Departmental club. The details of the activities are as follows.

- ❖ To build scientific temperament in students Scientific Rangoli Competition was organised by department of Zoology on 10th Of March 2025. The Rangoli competition provided participants with numerous valuable learning outcomes via engaging students in the competition allowed students to express their artistic abilities and creativity. Prin. Dr. P.V. Badadhe were invited as the chief guest. Total 85 students were participated in this program.
- ❖ To provides students with the opportunity to develop and refine their scientific communication skills the Poster/ Oral presentation was organised for the students of F.Y B.Sc. and S.Y M.Sc on 10th Of March 2025. It gives student participants constructive feedback on their poster design and verbal communication skills.
- ❖ Zooikos club in Department of Zoology has organized Museum Specimen and insect collection exhibition on 10th Of March 2025. Students of UG Zoology were collected, preserved insect pest from environment and presented with their identification, taxonomic position and economic importance.
- ❖ To preserve verities of butterflies and increase their number in college campus Department of Zoology formed Butterfly Park in Botanical Garden, R.B. Narayanrao Borawake College, Shrirampur.
- ❖ Pearl fest is the annual Scientific / Social/ Scientific Reel organized under Zooikos club by Zoology Department. This year's theme was Biodiversity Conservation and Sustainable Development. Museum and Scientific Rangoli exhibition cum hands on workshop and oral, poster competition was arranged in Zoology Department of for Pearl Festival under Scheme for School Children with the main objective to popularize science among school going children. Department has also organized the cultural programme for students to know and conserve the Indian Traditional Culture. UG as well as PG Students participated in this programme as

Volunteers. Museum Specimens, Laboratory equipment's, Entomology display specimens, Cell Biology Models and some experiments were displayed to fascinate students about Zoology. Our student volunteers exchanged their views and information to students and solved all their queries with enthusiasm. College and School students found the setup of exhibition really interesting and were curious to know all about it. Students were inquisitive about Working of laboratory instruments which led to lots of amazing questions answered skillfully by volunteers. Science teachers of schools were amused by QR codes on displayed Specimens. Date: March 2025, No. of beneficiaries- 480.

- ❖ Under Scheme of Add on Course department has organized Two-day Tour at Dapoli Krishi Vidyapeeth and Research Centre, Mahabaleshwar, Mapro Garden, Biodiversity Point, Venna Lake, Apiculture center, Food processing unit, Thiba Palace and freshwater reservoir also visited to Pratapgad. Biodiversity Park is located in Mahabaleshwar. This place is wonderful Place for Nature lovers. Stroll along the forest, beautiful variety of plants and trees. It's good place to learn about biodiversity. Department of Zoology arranged an excursion tour for the students of B.Sc. and M.Sc. Class under the Add on course - Quality analysis of food and study tour. This tour was arranged on 23th January 2025 for educational purpose at "Madhusagar and Training Centre, Mahabaleshwar. For this tour 40 Students of UG and PG were actively participated. Along with them there were 4 faculty members.

ACTIVITY REPORT: Teacher Day Celebration

The ZOOIKOS Club of the Department of Zoology organized a Teacher's Day celebration for the academic year 2024-25 on 5th September 2024 to honor and express gratitude towards the faculty members for their dedication and valuable contribution to students' academic and personal development. The program was conducted under the guidance of Dr. S. A. Kawade, Head of the Department of Zoology.

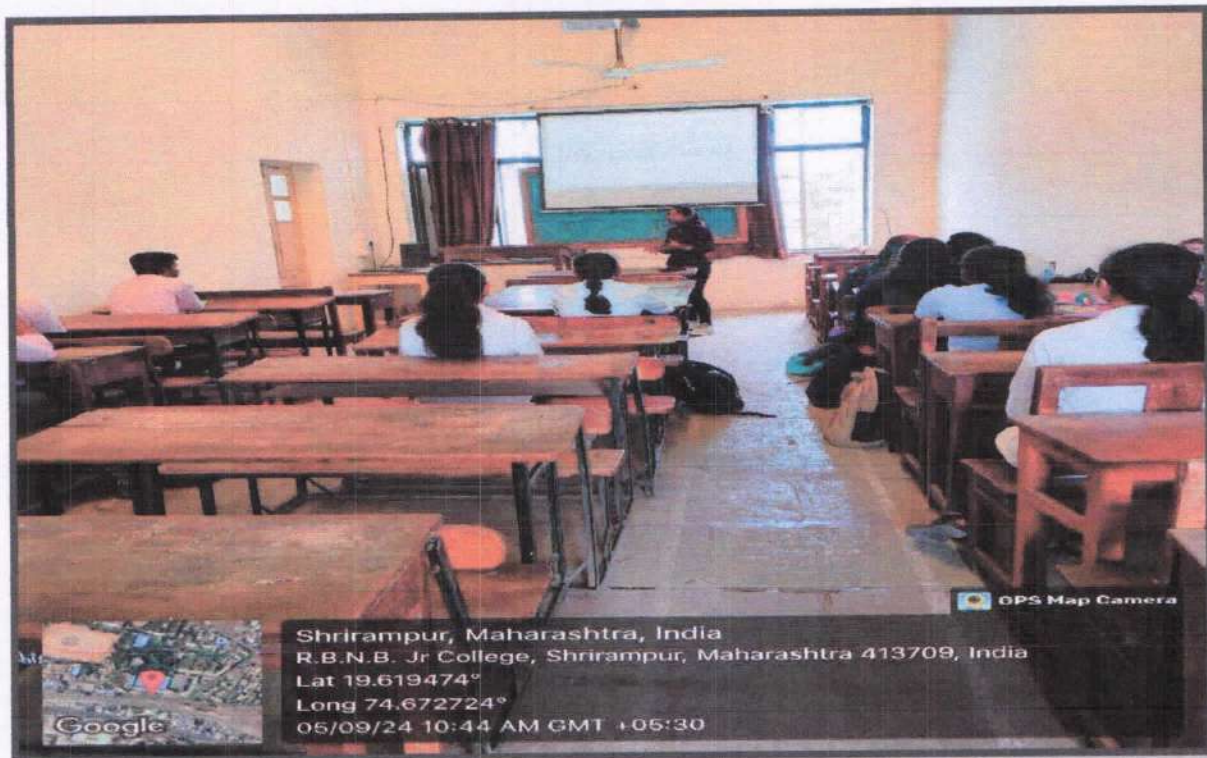

The celebration witnessed enthusiastic participation from students of S.Y.B.Sc., T.Y.B.Sc., M.Sc. I and M.Sc. II, with a total of 45 students actively participating in the event. The program commenced with a warm welcome of the respected teachers by the student representatives. A brief introduction highlighting the significance of Teacher's Day and the birth anniversary of Dr. Sarvepalli Radhakrishnan was presented, emphasizing his philosophy that teachers are the true nation builders.

On this special occasion, students took the initiative to step into the role of teachers. Selected students from T.Y.B.Sc. and M.Sc. classes conducted short teaching sessions for their junior students, explaining basic zoological concepts and sharing their academic experiences. This activity helped them understand the responsibilities of a teacher and enhanced their confidence, communication skills and subject knowledge. The juniors actively interacted during these sessions, making the activity both educational and engaging.

Students also organized speeches, poems and shared memorable classroom experiences as a token of appreciation. A few students expressed their gratitude through short cultural performances and interactive games dedicated to teachers. The event created a joyful and respectful atmosphere, strengthening the bond between students and faculty members.

On this occasion, students felicitated the teachers with flowers and tokens of appreciation to acknowledge their continuous guidance, mentorship and encouragement. The faculty members addressed the gathering and motivated students to pursue academic excellence and maintain discipline, curiosity and scientific temperament in their studies, especially in the field of Zoology.

The program concluded with a vote of thanks delivered by a student representative of the ZOOIKOS Club, expressing sincere appreciation to Dr. S. A. Kawade, all faculty members and participating students for making the event successful. Overall, the Teacher's Day celebration under the ZOOIKOS Club was conducted smoothly and successfully, leaving behind a sense of gratitude, unity and inspiration among all present.

Students from M.Sc. Classes took the initiative to step into the role of teachers

ACTIVITY REPORT

Field Visit: Poultry Farm

The Department of Zoology organized an educational field visit to Nagarkar Poultry Farm, located at Khandala, Shrirampur, on 11/10/2025 with the objective of providing practical exposure to students regarding commercial poultry farming practices. The visit was conducted as part of experiential learning to enhance students' understanding of applied zoology, animal husbandry, and poultry management.

A group of students along with faculty members visited the farm and were warmly welcomed by the farm management. The resource person provided detailed information about the history, establishment, and operational structure of the poultry unit. Students were introduced to different sections of the farm including brooder houses, grower units, layer sections, feed storage area, and egg collection units. During the visit, students observed various poultry breeds reared for egg and meat production. The management explained the differences between broiler and layer farming, their growth rates, feed requirements, and economic importance. Special emphasis was given to scientific management practices such as proper ventilation, temperature control, lighting management, and hygienic conditions maintained inside the poultry sheds.

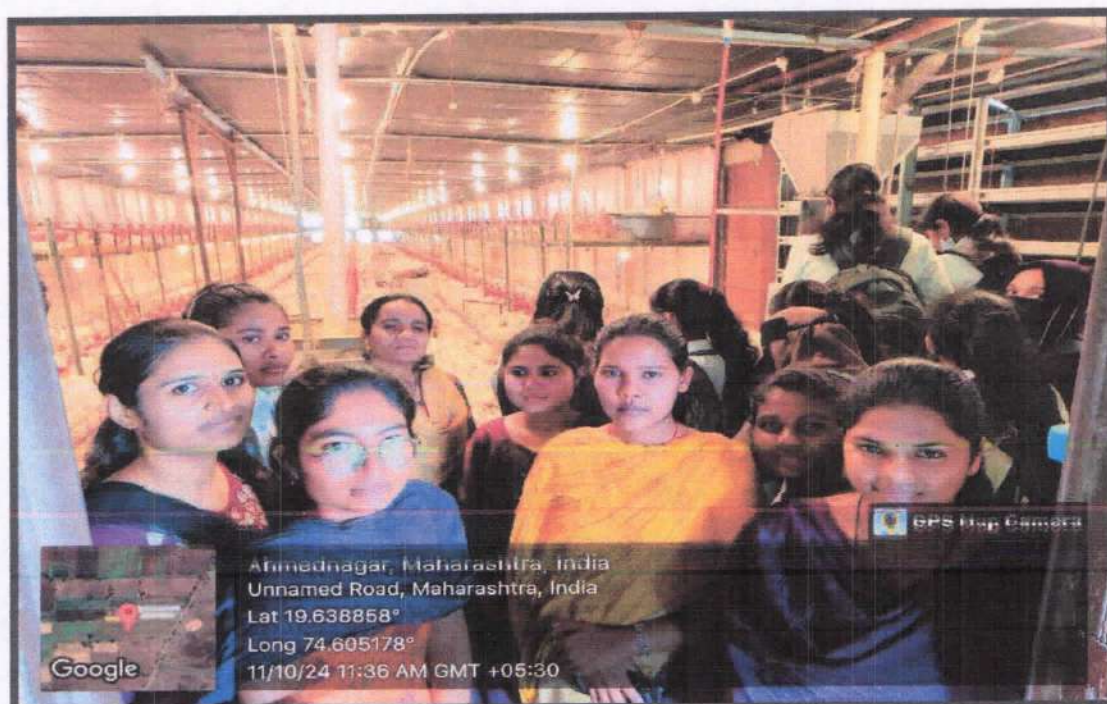

The students gained practical knowledge about:

- Brooding management and care of chicks
- Balanced feed formulation and feeding techniques
- Vaccination schedules and disease prevention measures
- Biosecurity practices to control infections
- Waste management and manure utilization

The farm personnel also explained common poultry diseases, their symptoms, preventive vaccination programs, and the importance of maintaining strict sanitation to reduce mortality rates. Students were informed about the economic aspects of poultry farming including investment, production cost, market demand, and profit margins.

The visit proved highly informative and interactive. Students actively asked questions regarding feed conversion ratio, mortality rate, egg production cycles, and marketing strategies. The field exposure helped bridge the gap between theoretical knowledge and practical application.

Overall, the field visit to Nagarkar Poultry Farm, Khandala, Shirirampur was successful and enriched the students' understanding of commercial poultry farming, entrepreneurship opportunities, and scientific management practices in the poultry industry.

ACTIVITY REPORT

Free Blood Testing Camp for Girls Students

On the auspicious occasion of the 84th Birthday of Sharad Pawar, a Blood Test Camp was organized in the Girls' Hostel of our college on 17th December 2024. The program was thoughtfully arranged by the Department of Zoology with the objective of promoting health awareness and preventive healthcare among students and staff members.

The camp was inaugurated by Meenatai Jagdhane, Honorable Member of the Managing Council of Rayat Shikshan Sanstha, Satara. The program was graced by the presence of the Chief Guest, Principal Dr. P. V. Badadhe, along with faculty members and staff of the college. Their presence added significance and encouragement to the noble initiative.

Before the commencement of the blood testing procedure, all participating girls carefully filled out the required registration forms to ensure proper documentation and systematic conduct of the camp. The program formally began at 10:30 a.m. in a well-organized manner. Medical professionals conducted various essential blood tests to assess general health parameters.

A large number of girl students from the hostel enthusiastically participated in the camp. Teachers and non-teaching staff members also actively took part, making the event a collective effort towards health awareness. The camp aimed at early detection of common health issues and emphasized the importance of regular health check-ups.

After giving blood samples for testing, all participants were provided with fruits, biscuits, and snacks to ensure their well-being and maintain their energy levels. The arrangements were made systematically to ensure hygiene, safety, and comfort for everyone involved.

On this occasion, Honorable Meenatai Jagdhane delivered an inspiring speech highlighting the importance, advantages, and necessity of organizing blood test camps. She emphasized that regular health screening helps in early diagnosis and prevention of diseases and encourages individuals to take responsibility for their health. She appreciated the efforts of the Zoology Department for organizing such a meaningful and socially beneficial activity.

The program concluded successfully with positive feedback from participants. The Blood Test Camp not only marked the birthday celebration in a socially responsible way but also created awareness about health monitoring among students and staff. Overall, the event was conducted smoothly and proved to be highly beneficial and impactful.

ACTIVITY REPORT: National AIDS DAY

The Department of Zoology organized a Poster Presentation activity on 11th December 2024 to mark the observance of World AIDS Day. The primary objective of the program was to create awareness among students about HIV/AIDS, its causes, prevention, and the importance of eliminating social stigma associated with the disease.

The program began with a brief introduction explaining the significance of World AIDS Day, observed every year on 1st December across the globe. Faculty members highlighted the theme of the year and explained the importance of spreading correct scientific information about HIV transmission, preventive measures, and treatment options.

Students from various classes actively participated in the poster presentation competition. They prepared creative and informative posters covering topics such as:

- Modes of HIV transmission
- Prevention and control strategies
- Importance of safe blood transfusion
- Role of awareness and counseling
- Ending stigma and discrimination
- Global and national initiatives to control HIV/AIDS

The posters were displayed in the college premises to maximize visibility and awareness among students and staff. Participants confidently explained their posters to the judges and audience, demonstrating their understanding of the topic. The activity not only enhanced students' scientific knowledge but also developed their communication and presentation skills.

The judging panel appreciated the creativity, clarity, and scientific accuracy of the posters. The best posters were recognized and awarded to encourage students' efforts.

The program concluded with a message emphasizing compassion, awareness, and responsibility in preventing HIV/AIDS. Overall, the Poster Presentation activity was successfully conducted and proved to be highly informative, creative, and impactful in spreading awareness on World AIDS Day.

ACTIVITY REPORT: PEARL FESTIVAL

In the Academic year, R.B.N.B. College, Shirampur, Department of Zoology arranged a several activities under ZOOIKOS Department club. Throughout the year the several activities were carried out under this club. Pearl Festival: Scientific Rangoli Competition, Oral/Poster Competition, Food Festival, Butterfly Park Inauguration, Museum Specimen Exhibition, Scientific Reels Competition, Tree Plantation, Study Tour etc. Scientific Rangoli Competition was organised on 10th Of March 2025 under the guidance of Head of the department of Zoology Dr. S.A. Kawade and Prin. Dr. P.V. Badadhe sir, principal of R.B. Narayanrao Borawake College, Shirampur. The Rangoli competition provided participants with numerous valuable learning outcomes via build scientific temperament in students with engaging in the competition allowed students to express their artistic abilities and creativity.

A blood test camp was organized in our college girl's hostel on the occasion of the 84th Birthday of honourable Sharadchandraji Pawar.

The program was organized by the Zoology department of our college. This program was inaugurated by Honorable Meenatai Jagdhane Member of Managing Council, Rayat Shikshan Sanstha, Satara and chief guest principal Dr. P. V. Badadhe are present. All the girls filled out the form before giving blood. After that, the program started at 10:30 am. Many girls student, teachers and college staff giving blood for test & became a part of program. After giving blood for test everyone ate fruits, biscuits or snacks after that Honorable Meenatai Jagdhane gave a speech on the advantages, need of blood test camp.

Our UG and PG students actively participated in extracurricular activities such as career festival and entrepreneurship development programme organised in Department. Under Scheme of Add on Course department has organised Two-day Tour at Dapoli Krishi Vidyapeeth and Research Centre, Mahabaleshwar, Mapro Garden, Biodiversity Point, Venna Lake, Apiculture centre, Food processing unit, Thibaw Palace and freshwater reservoir also visited to Pratapgad. Biodiversity Park is located in Mahabaleshwar. This place is wonderful Place for Nature lovers. Stroll along the forest, beautiful variety of plants and trees. It's good place to learn about biodiversity. Department of Zoology arranged an excursion tour for the students of B.Sc. and M.Sc. Class under the Add on course - Quality analysis of food and study tour. This tour was arranged on 23th January 2025 for educational purpose at "Madhusagar and Training Centre, Mahabaleshwar. For this tour 40 Students of UG and PG were actively participated. Along with them there were 4 faculty members.

Department has been regularly organised study tour / field visits at Poultry, Dairy Industry, Goat Farming, Fishery Centre, Sericulture Unit, Apiculture Unit, Aquarium visit for Aquaculture, Students of UG and PG visited the Fish Market to study Fishery, Botanical Garden to study Insects in Entomology, bird watching visit camp for Bird Diversity.

All the objectives were tried to fulfil by the Department of Zoology under the guidance of Hon. Principal of R.B.Narayanrao Borawake College, Shrirampur

Activity Report 2024-25

In the academic year 2024-25, the Department of Physics at RBNB College, Shrirampur, focused on enhancing practical skills and scientific temperament through student-centric activities, in alignment with the institution's focus on quality education. Activities promoted experiential learning, critical thinking, and technical skill development. Following are the activities organised by department of Physics RBNB College Shrirampur:

- On 23rd August 2024 **National Space Day** was organized to create awareness about India's remarkable achievements in space exploration.
- On 20th September 2024 **Rangoli competition** was organized, the event aimed to celebrate creativity, cultural heritage, and artistic expression and scientific view through the traditional Indian art form of Rangoli.
- On 21st September 2024 **Physics Fair** was arranged for students is to understand concept of physics, to develop analytical skill and gain practical knowledge about physics.
- The **Study Tour** to the Indian Institute of Science Education and Research (IISER) was organized on 7th January 2025 to inspire students towards pursuing careers in scientific research and innovation.
- The Department of Physics and Chemistry, RBNB College, Shrirampur successfully organized a National Level Seminar on "Recent Trends in Nanotechnology and Quantum Mechanics" on 3rd March 2025. The seminar aimed to bring together researchers, academicians, students, and industry experts to explore the latest advancements and applications in the fields of nanotechnology and quantum mechanics.
- The Department of Physics of R. B. Narayanrao Borawake College, Shrirampur organized a **Night Sky Observation** activity on 7 March 2025 to provide students with practical exposure to basic concepts of astronomy and to encourage their interest in observing celestial objects beyond the classroom.
- The Department of Physics organized a **Photography Exhibition** on 01 April 2025 to provide students with practical exposure to photography and to encourage creativity, observation, and artistic skills.

National Space Day Report
2024-25

The Department of Physics at R.B. Narayanrao Borawake College celebrated **National Space Day** on **23rd August 2024** with great enthusiasm. The event aimed to inspire students and provide them with insights into the exciting world of space science and technology, along with future career opportunities in renowned organizations like **ISRO**, **NASA**, and **BARC**. The celebration was organized to create awareness about India's remarkable achievements in space exploration, encourage young minds to explore the vast opportunities in the field of space science, and instill a sense of curiosity and innovation among students. The event witnessed the participation of around 40 students, faculty members, and staff, making it an engaging and interactive celebration.

A comprehensive presentation was delivered by Mrs. S. G. Kolhe detailing India's achievements in space technology, from the launch of Aryabhata to the Mars Orbiter Mission and beyond. It also included the impact of space exploration on daily life and future possibilities in deep space exploration. A session was conducted to guide students about the qualifications, skills, and roles required for careers in organizations like ISRO, NASA, and BARC. The speaker elaborated on various national and international space missions, internships, and research programs available for aspiring scientists and engineers. Students actively participated in an engaging Q&A session where their queries about space research, satellite technology, and human spaceflight were answered by faculty and guest speakers.

To make the event more interactive and fun, the department organized a quiz competition on the theme "India in Space," which tested the students' knowledge about India's space missions and achievements. Winners of the quiz received certificates of

appreciation. The event concluded acknowledging the efforts of the organizing team, faculty, and students for their active participation. The celebration of National Space Day proved to be an excellent platform to ignite a passion for space science among the participants and motivated them to pursue careers in this exciting field. Total 50 students were participated in this event. The day's activities not only enriched the knowledge of the students but also inspired them to dream big and contribute to the ever-expanding realm of space exploration.

Physics fair: Beyond the classroom
2024-25

The Department of Physics R. B. Narayanrao Borawake college, Shrirampur has organized an event '**Physics fair: Beyond the classroom**' at 10:00 AM on 21 Sept. 2024 in department of physics for B.Sc. and M.Sc. students based on the suggestion given by Hon. Prin. Dr. P.V. Badadhe.

The main purpose of this event for students is to understand concept of physics, to develop analytical skill and gain practical knowledge about physics.

Hon. Meenatai Jagadhane, member of managing council Rayat Shikshan sanstha was the chief guest of the event. The Hon. Principal with vice principal and faculties from other departments were present for the program. Head of dept. Ms. Kolhe S. G. welcomed and introduced a guest.

Around 120 students from all the classes were participated in this event. All the participant students showed their models, activities, rangolies, games related to physics such as chandrayaan 3, electricity, magnetism, solar system, DC motors, optics; also visitors enjoyed the games based on Physics.

The participant students were so happy with their creativity. The chief guest and principal surveyed the exhibition and asked about details from students who made different things.

In the end, the chief guest gave a speech on importance of physics and principal also gave good feedback and admire students for their efforts and interests.

Rangoli Competition Report
2024-25

The Rangoli Competition was held on 20th Sept 2024 organized by Photonics Club, Department of Physics. The event aimed to celebrate creativity, cultural heritage, and artistic expression and scientific view through the traditional Indian art form of Rangoli. A total of 15 participants took part in the competition, representing various streams. The competition featured different themes, such as: Indian space mission, Physics concepts, Awareness, etc. The Rangoli designs were evaluated based on the following criteria: Creativity and originality, Use of colors and design aesthetics, Relevance to the theme, Neatness and presentation, Overall impact.

The competition witnessed an enthusiastic response from participants and spectators alike. The venue was transformed into a vibrant display of colors and patterns, reflecting the artistic talents of the participants. Total 20 students were participated in Rangoli competition. Some of the most striking Rangolis depicted intricate patterns and meaningful messages related to the themes. The winners were selected by a panel of esteemed judges, including Dr. Y. M. Randhawane Mrs S. R. Lagad and The awards were distributed as follows:

- **First Prize:** Kulthe Bhakti Ganesh
- **Second Prize:** Kumawat Roshani Ravindra
- **Third Prize:** Naik Tanuja Anil and Yelam Sakshi Anil

The Rangoli Competition was a grand success, fostering creativity and community spirit among participants. The event not only showcased artistic talents but also promoted cultural appreciation and teamwork. The organizers expressed gratitude to all participants, judges, and volunteers for making the event a memorable one. Plans are already underway to make next year's competition even more exciting and inclusive.

Study Tour Report
2024-25

The study tour to the Indian Institute of Science Education and Research (IISER) was organized on **7th January 2025** to provide students with an opportunity to explore advanced research facilities, interact with eminent scientists, and gain insights into the latest developments in science and technology. The visit aimed to inspire students towards pursuing careers in scientific research and innovation.

Objectives

- To understand the research culture at IISER.
- To explore various scientific disciplines and laboratory facilities.
- To interact with researchers and faculty members.
- To learn about the academic programs and career opportunities at IISER.

The visit was structured to maximize learning opportunities. The schedule included: a) An introductory session about IISER, its mission, and academic structure. b) A guided tour of the campus, covering major research centers, libraries, and laboratories. c) Interaction with researchers and observation of experiments in fields such as physics, chemistry, and biology. d) Talks by faculty members on cutting-edge research topics like nanotechnology, quantum physics, and biotechnology. e) Q&A sessions with scientists and students currently pursuing research at IISER. f) IISER promotes an integrated approach to science, encouraging collaboration across various disciplines. g) The visit showcased high-tech labs equipped with state-of-the-art instruments. h) Emphasis on problem-solving and analytical thinking in research. i) Insights into higher education and research prospects in premier institutes like IISER.

The study tour to IISER was a highly enriching experience. It provided a deeper understanding of scientific research, advanced technological developments, and the importance of interdisciplinary studies. The interaction with experts and students at IISER inspired many participants to consider a future in scientific research. Overall, the visit was successful in

broadening our academic and professional horizons. We extend our sincere gratitude to the faculty and administration of IISER for their warm hospitality and valuable guidance. Special thanks to our teachers and organizers for making this tour a memorable learning experience. Total 77 students were participated in study tour.

National Level Seminar
on
Recent Trends in Nanotechnology and Quantum Mechanics
2024-25

The Department of Physics and Chemistry, RBNB College, Shrirampur successfully organized a **National Level Seminar on “Recent Trends in Nanotechnology and Quantum Mechanics”** on 3rd March 2025. The seminar aimed to bring together researchers, academicians, students, and industry experts to explore the latest advancements and applications in the fields of nanotechnology and quantum mechanics.

National Level Seminar

The event commenced with a warm welcome by Dr. A. N. Jagadale and Ms S. G. Kolhe, the convener of the seminar, followed by the lighting of the lamp. The welcome address was delivered by Prin. Dr. P.V. Badadhe, who highlighted the significance of nanotechnology and quantum mechanics in today's rapidly evolving scientific landscape. Also the seminar was inaugurated by him and he addressed the gathering with inspiring insights on the interdisciplinary impact of quantum physics and nanoscale innovations in shaping future technologies. The vote of thanks was delivered by Ms S. G. Kolhe

The seminar featured keynote addresses and technical sessions by eminent personalities from premier institutions and research organizations. Some highlights include: Dr. Rakesh Kumar, Professor, Department of Chemistry, University of Delhi delivered a keynote on Chemosensors explaining the principles of quantum size effect and Chemosensors. Dr. Rakesh Kumar, Professor, Department of Chemistry, University of Delhi presented a session on **“Design and Synthesis of Chemosensors for selective recognition of metal ion and Amino acids”**, shedding light on the use of nanoparticles in Chemosensors.

Prof. Rakesh Kumar delivering technical session on “Design and Synthesis of Chemosensors for selective recognition of metal ion and Amino acids” in online

A special lecture on **“Quantum Mechanics and its Applications”** was given by Dr. K.K. Patankar, Associate Professor, Rajaram College, Kolhapur which sparked engaging discussions among participants. Dr. K. K. Patankar the fundamental principles of quantum

mechanics, a theory that explains the behavior of matter and energy at the atomic and subatomic level. The session would likely delve into the foundational concepts that underpin this complex field: Wave-Particle Duality, Uncertainty Principle, Superposition, Entanglement etc. Also the session involves applications of Quantum Mechanics like: Modern Electronics, Medical Imaging, Lasers, Atomic Clocks and GPS and Materials Science and Nanotechnology etc.

Night Sky Observation
2024-25

The Department of Physics of R. B. Narayanrao Borawake College, Shrirampur organized a **Night Sky Observation** activity on **7 March 2025** for the students of B.Sc. I, II and III and M.Sc. I and II. The main objective of this activity was to provide students with practical exposure to basic concepts of astronomy and to encourage their interest in observing celestial objects beyond the classroom.

During the activity, students were given the opportunity to observe various celestial bodies such as the Moon, stars, and visible planets in the night sky. The observation was carried out using telescopes as well as naked-eye observation. Students were guided on how to properly set up, handle, and focus the telescope to clearly view distant celestial objects. This hands-on experience helped them understand the functioning of telescopes and the techniques used in astronomical observations.

The faculty members explained important astronomical concepts such as constellations, planetary positions, phases of the Moon, and movement of celestial objects. Students actively participated by asking questions and discussing their observations with teachers and fellow students. The activity created a platform for participative learning, where students learned through direct observation, interaction, and collaboration.

The night sky observation program helped students connect theoretical knowledge of astronomy with real-life observation. It enhanced their curiosity, teamwork, and scientific thinking. The activity also inspired many students to develop a deeper interest in space science and astronomical research. Overall, the Night Sky Observation activity was a successful and enriching experience for all participants. It provided valuable practical knowledge and motivated students to explore the fascinating world of astronomy.

Photography Exhibition
2024-25

The Department of Physics organized a Photography Exhibition on 01 April 2025 at R.B. Narayanrao Borawake College, Shrirampur. The exhibition was conducted as a part of the Short Term Course on "Professional Photography." The main objective of this activity was to provide students with practical exposure to photography and to encourage creativity, observation, and artistic skills.

Students from UG and PG actively participated in the exhibition. The participants displayed a variety of photographs captured during the course. The photographs covered themes such as nature, lighting effects, landscapes, and creative compositions, reflecting students' understanding of basic photography techniques.

This activity was conducted by the Department of Physics and was actively carried out under the guidance of the Head of the Department, Mrs. S. G. Kolhe, and the coordination of Mr. A. S. Mali. Their guidance and support motivated students to participate enthusiastically and present their creative work.

The exhibition provided a platform for students to showcase their photography skills and share their creative ideas with fellow students and faculty members. It also helped them understand important aspects of photography such as lighting, framing, focus, and composition. Overall, the photography exhibition was successful and informative, and it encouraged students to develop their interest and practical knowledge in the field of professional photography.

Short Term Course Report
2024-25

A Short Term Course on Photography was organized from 10th March 2025 to 1st April 2025 at Department of Physics, RBNB College Shrirampur. Total 45 students were registered for Photography short term course. The objective of this short term course is providing participants with both theoretical knowledge and practical skills in photography. The course was designed for students who wished to enhance their understanding of camera operations, lighting, composition, and post-processing techniques. The sessions were conducted by experienced photographers and industry professionals such as Suniketan Jondhale who shared insights from their personal and professional experiences. Their mentorship was instrumental in providing real-world exposure to the participants.

Participants actively engaged in discussions, practical tasks, and project presentations. The final session included a photo exhibition where students displayed their best work, which was appreciated by faculty, peers, and invited guests. Feedback collected from the participants indicated a high level of satisfaction, particularly with the interactive approach and hands-on experience. Many expressed interest in pursuing photography either professionally or as a serious hobby. The Short Term Course on Photography was a successful initiative that provided a comprehensive platform for learning and creativity. It not only enhanced technical skills but also nurtured artistic expression among participants. Based on the enthusiastic response, it is recommended that such programs be conducted regularly to cater to the growing interest in visual arts.

Departmental Activities Report

The Department of Mathematics organized various academic and creative competitions during the academic year 2024–2025 to promote interest in mathematics among students. These activities aimed to enhance analytical skills, creativity, and problem-solving abilities. All events were conducted successfully with enthusiastic participation from students.

- The Online Quiz Competition was organized on the occasion of National Mathematics Day to enhance students' interest in mathematics. The quiz included various topics such as algebra, geometry, number systems, and logical reasoning. A total of 34 students participated from different classes, showing active involvement. The competition helped students improve their conceptual understanding and analytical thinking skills. Overall, it was an engaging and informative activity for all participants.
- The Madhava Mathematics Competition 2025 was conducted to promote logical thinking and problem-solving abilities among undergraduate students. About 60 students participated in this competition, which was held in a well-organized and disciplined manner. The competition was inspired by the great mathematician Madhava of Sangamagrama and aimed to create awareness about his contributions. It successfully encouraged students to develop analytical skills and interest in mathematics.
- The Essay Writing Competition was organized on the occasion of International Pi Day to encourage students to express their thoughts on mathematical topics. Participants wrote essays on topics such as mathematics in Artificial Intelligence, role of mathematics in human development, and beauty of mathematics in nature. A total of 16 students participated and submitted essays in different languages. The competition enhanced creativity, writing skills, and deep understanding of mathematical concepts among students.
- The Mathematical Seminar Competition was conducted to develop presentation skills and promote awareness of mathematics and its applications. Students presented seminars on various mathematical topics, showing creativity and knowledge. A total of 5 students participated, and the event was judged by faculty members. The competition helped students improve their communication skills, confidence, and understanding of mathematical concepts.

- The Mathematical Quiz Competition was organized in multiple rounds, including elimination, snake and ladder, and rapid-fire rounds. Students from different classes participated, forming teams with mixed representation. The competition tested knowledge, speed, and teamwork among participants. It was an exciting and interactive event that enhanced students' interest and understanding of mathematics.
- The Mathematical Model Competition encouraged students to apply mathematical concepts to real-life problems. Participants developed models based on given problems and presented their ideas creatively. The models were judged based on innovation, accuracy, and practical application. This activity helped students improve their problem-solving and analytical skills while understanding the real-world importance of mathematics.
- The Mathematical Rangoli Competition was organized to combine creativity with mathematical concepts. Students created rangoli designs based on patterns, symmetry, and geometric shapes. A total of 17 students participated enthusiastically. The competition promoted creativity, artistic skills, and understanding of mathematical patterns among students.
- The Mathematical Poster Competition was conducted to encourage students to present mathematical ideas visually. Participants prepared posters on various mathematical topics and explained them to judges. A total of 11 students participated in this activity. The competition helped students improve their presentation skills, creativity, and conceptual clarity in mathematics.

All these activities were successfully conducted under the valuable guidance of Mr. R. R. Jagtap(H.O.D) and the support of all faculty members. Their encouragement played an important role in the smooth organization of the events. The active participation of students made these programs highly successful.

Celebrating
National Mathematics Day
Report

The Departmental Club:- GANITI of Mathematics, R. B. Narayanrao Borawake College, Shrirampur (Autonomous) organized National Mathematics Day Quiz Competition on the occasion of National Mathematics Day on 22nd December 2024 under the guidance of Mr. R. R. Jagtap. The objective of this competition was to encourage students to explore the importance of mathematics and its applications in various domains of life.

The National Mathematics Day Quiz Competition was successfully organized with enthusiastic participation from students. A total of 34 participants registered and took part in the competition. All participants were students, indicating active involvement from the student community. The participants belonged to different classes such as F.Y.B.Sc., S.Y.B.Sc., T.Y.B.Sc., showing a diverse academic representation.

The quiz included a variety of mathematical questions covering topics like number systems, algebra, sequences, geometry, and logical reasoning. For example, questions involved factorial sums, Hardy-Ramanujan numbers, prime numbers, and equations.

Based on the responses, participants showed good understanding of fundamental mathematical concepts. Some questions received a higher percentage of correct responses, indicating strong conceptual clarity among students, while others highlighted areas for improvement.

Overall, the competition was informative and engaging. It helped in enhancing students' interest in mathematics and encouraged analytical thinking. Such activities play an important role in promoting mathematical awareness and developing problem-solving skills among students.

"Madhava Mathematics Competition 2025"

Report

Date: 15/01/2025

Department of Mathematics, R. B. Narayanrao Borawake College, Shrirampur conducted the "Madhava Mathematics Competition 2025" for undergraduate students on 12 January 2025

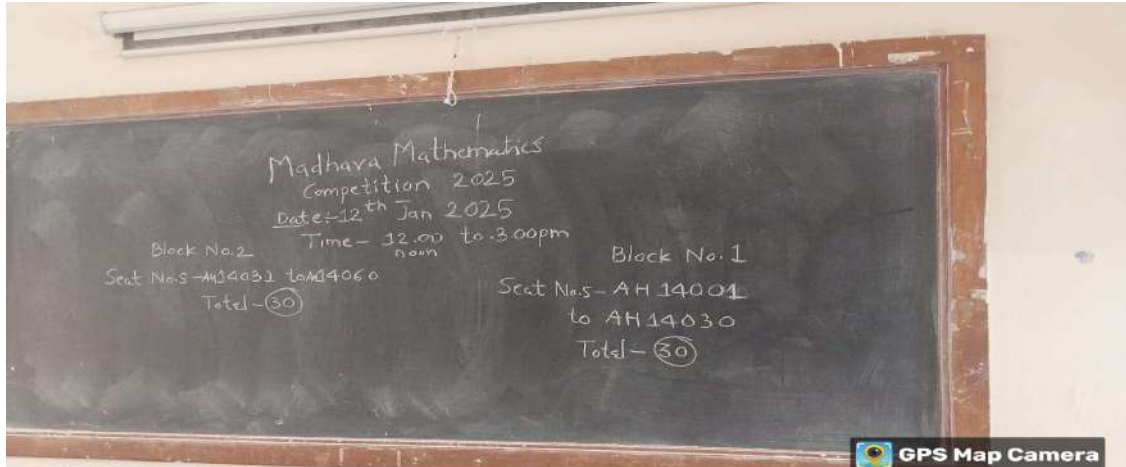

This competition is named after the great Indian mathematician Madhava of Sangamagrama, who introduced profound mathematical ideas in the fourteenth century that later became an integral part of Calculus. His most famous achievements include the Madhava-Leibniz series for π , the Madhava-Newton power series for sine and cosine functions, and a highly accurate numerical value of π . The Madhava School flourished for over two centuries, making significant contributions to mathematics and astronomy. A total of 60 students registered and appeared for this competition. The examination was conducted from 12:00 noon to 3:00 PM. Students were seated block-wise and the examination was conducted smoothly under proper supervision and discipline.

The competition aimed to encourage logical thinking, analytical skills, and problem-solving abilities among students. Certificates will be issued to all participants. The Hon. Principal Dr. P.V. Badhade encouraged and guided the department for successful organization of the activity. Faculty members of the Department of Mathematics actively participated in organizing this competition.

Celebrating
International Pi Day
Report

The Departmental Club of Mathematics, R. B. Narayanrao Borawake College, Shrirampur (Autonomous) organized an Essay Writing Competition on the occasion of International Pi Day on 10th March 2025 under the guidance of Prof. C. E. Gangawane. The objective of this competition was to encourage students to explore the importance of mathematics and its applications in various domains of life.

The topics for the competition were as follows:

1. Mathematics in Artificial Intelligence
2. What if Mathematics did not exist?
3. Role of Mathematics in Human Development
4. Beauty of Mathematics in Nature

A total of 16 students from different classes enthusiastically participated in the competition. The essays were submitted in Marathi, Hindi, and English languages, as per the rules. All participants demonstrated their creativity, analytical skills, and deep understanding of the subject.

The evaluation committee carefully assessed the essays based on originality, clarity of expression, and depth of ideas. After thorough evaluation, the winners were declared as follows:

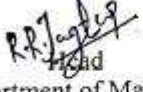

First Prize: Jagtap Radhika Namdev

Second Prize: Bidgar Sonali Dnyandev

Third Prize: Shelar Shivani Narayan

All participants were awarded participation certificates, and the rankers received prizes and certificates of merit. The competition was a grand success and motivated students to appreciate mathematics beyond textbooks, linking it with real-life situations, human development, and nature.

The Department of Mathematics expressed gratitude towards all the participants and congratulated the winners for their excellent performance.

Report on 'Mathematical Seminar Competition'

On the occasion of International Pi Day, Department of Mathematics, R. B. Narayanrao Borawake College, Shrirampur (Autonomous) organized seminar competition on 11th March 2025. The purpose of this competition was to create awareness and interest in pure mathematics and its applications in various fields and promote their creative thinking in UG and PG students. Total 05 students participated in this activity.

The competition was judged by Ms. P. B. Bhakare and Mr. C. E. Gangawane.

The winners of the competition were:

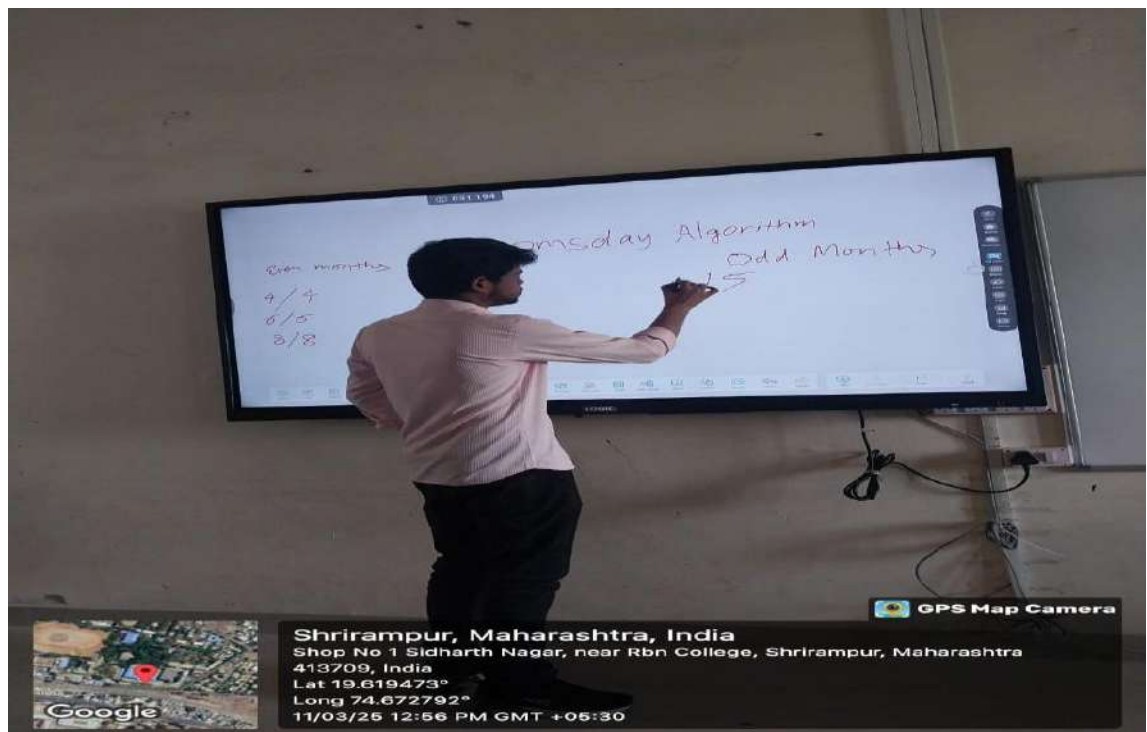

-  **First Rank:** Mr. Patare Chaitanya Prashant (T.Y.B.Sc.)
-  **Second Rank:** Miss. Chindhe Pratiksha Machhindra (M.Sc.-II)
-  **Third Rank:** Mr. Dhanwate Sarvesh Vasantao (T.Y.B.Sc.)

The Honorable Principal encouraged and guided the department in organizing this activity. All the members of the Department of Mathematics and the departmental club actively participated in the successful organization of the competition.

REPORT

Mathematical Quiz Competition

Department of Mathematics, R. B. Narayanrao Borawake College, Shrirampur (Autonomous) organized Mathematical Quiz Competition on the occasion of International Pi Day on 11th March 2025 and 13th March 2025. The purpose of this competition was to create awareness and interest in mathematics and its applications in various fields and promote creative thinking in UG students.

This competition was conducted in three rounds namely Elimination round, Snake and Ladder game and Rapid fire round. All students of FYUG, SYUG and T. Y. B. Sc. classes participated in Elimination round and students of FYPG and SYPG worked as volunteers for this activity. From 1st round (Elimination Round) 10 students were selected from each class and 10 teams were made each of 3 students for the second round. After that these 10 teams were labeled as: Ramanujan, Aryabhata, Brahmagupta, Euler, Archimedes, Pythagoras, Mahavira, Madhava, Fermat, Gauss. Each team consisted of one member from each class. From 2nd round (Snake and Ladder Game) 5 teams were selected for third round and from third round (Rapid fire round) 3 teams were first three winners. The winners of this competition were: First rank- Team Gauss: Mr. Sulakhe Sujal Sandeep (FYUG), Mr. Kapse Yogesh Vinayak (SYUG), Miss. Patel Nishad Kalim (T.Y.B.Sc.), Second rank- Team Madhawa: Miss. Kapse Pooja Ganesh (FYUG.), Miss. Thorat Priyanka Namdeo (SYUG.), Miss. Rokade Dhanshree Popat (T.Y.B.Sc.) and Third rank-Team Pythagoras: Miss. Kapse Bhakti Dinesh (FYUG), Mr. Khamkar Shreyash Appasaheb (T.Y.B.Sc.), Mr. Dhanwate Sarvesh Vasantrao (T.Y.B.Sc.).

Hon. Principal encouraged and guided to organize this activity. All the members of the department and departmental club actively participated to organize this competition.

Annual Report

In the academic year 2024-25, the Department of Statistics of R. B. Narayanrao Borawake College, Shrirampur, focused on promoting academic excellence, skill development, leadership qualities, and co-curricular engagement among students. Following are the activities organized by department of Statistics, R. B. Narayanrao Borawake College, Shrirampur :

- On 10th September 2024 **C. R. Rao birth anniversary** was organized to Department of Statistics to honor his remarkable contribution to the field of Statistics. The program aimed to create awareness among students about the life, achievements, and research work of this great statistician.
- On 6th February 2025 the **Traditional Day** was celebrated with great enthusiasm and joy in the college. The main objective of this event was to promote Indian culture and traditions among students. All the students and teachers participated actively in the celebration.
- A Food Festival was organized in our college to promote different food cultures and encourage students to display their cooking talents. The **Food Expo** was conducted on the college campus on 8th February 2025 under the guidance of principal. Students of department actively participated in the event by preparing a variety of traditional, nutritional, and innovative food items.
- The **study tour** to Shivaji University Kolhapur was organized on 10nd February 2025 to inspire students towards pursuing careers opportunities in Statistics. Prof. Dr. Shashibhushan Mahadik Head of the Department welcomed and introduced the university department . Prof. Somnath Pawar explained running courses at statistics department.

1. C. R. Rao birth anniversary

C. R. Rao birth anniversary is celebrated 10th September 2024 in the department of Statistics. On this occasion Prof. Rutuja Dhokchaule explained about C. R. Rao life journey and his work in statistics.

2. Traditional Day

The **Traditional Day** was celebrated with great enthusiasm and cultural spirit in the college on 6th February 2025. On this occasion, students and faculty members participated actively by wearing traditional attire representing different states and cultures of India. Traditional Day celebration proved to be a memorable event promoting cultural pride and togetherness among students.

3. Student's Food Expo

The Food Expo was conducted on the college campus on 8th February 2025 under the guidance of principle faculty members. Students from various departments actively participated in the event by preparing a variety of traditional, nutritional, and innovative food items.

The stalls displayed different types of dishes including regional foods, fast foods, healthy snacks, beverages, and homemade desserts. Students focused not only on taste but also on hygiene, presentation, nutritional value, and cost management. Each group creatively decorated their stalls, attracting a large number of visitors including students, teaching staff, and non-teaching staff.

4. Educational Visit to Shivaji University, Kolhapur

Department of Statistics has organized two day educational visit on 10th February 2025 to Shivaji University Kolhapur. Prof.Dr.Shashibhushan Mahadik Head of the Department welcomed and introduced the university department . Prof. Somnath Pawar explained running courses at statistics department and guided students about career opportunities in Statistics

Activity Report

In the Academic year 2024-25, Department of Computer Science has organized various activities

Under the "TechHub" Departmental Club. The details of the activities are as follows.

- Department of Computer Science celebrated the "Teachers Day" on 5th September 2024 Departmental Club. On this occasion, various students conducting lecture on class. Total 136 students were participated.
- Department of computer science has organized Guest Lecture on "Career Opportunities and Project Platform Selection" on 13th Sep. 2024, Monday, Mr. Kuldeep Subhash Patil (Sr. Business Development Manager, EDL) was invited as the resource person. Total **86 students** were participated in this program
- To familiarize students with the industrial aspects of their coursework, Department of Computer Science and the Placement Cell of R.B. Narayanrao Borawake College,Shrirampur(Autonomous) in collaboration with Mr.Juber Ayub Pathan (The Kiran Academy, Pune(HR))had organized CSR Placement Drive on Saturday, 04/01/2025.Total **75 students** are participated in this activity and after conducting three round 07 students are placed.
- Department of computer science has organized Guest Lecture on "Carrier Opportunity and Placement in IT Sector" on 11th Jan. 2025, Saturday, Mrs. Shubhada Kabra & Mr.Sachin Kabra (Director,ACKS Solution Pvt. Ltd. IT Consultant and Services, Ahilyanagar) was invited as the resource person. Total **40 students** were participated in this program
- Department of Computer Science, Internal Quality Assurance Cell (IQAC) and Innovation and Incubation Entrepreneurship Development Cell jointly organizes One Day State Level Seminar on "Recent Trends in Generative AI and Data Engineering" on 15th February 2025, Saturday, Mr. Vinay Supekar (Program manager, Thoughtworks Technologies India Pvt. Ltd., Pune) and Mr. Suhas Naik (Vice President Citi Bank, Pune) was invited as the resource person. In the presence of President, Hon. Meenatai Jagdhane, Member, Managing Council, Rayat Shikshan Sanstha, Satara and Chief Guest ,Hon. Prin. Dr. P. V. Badadhe, Principal, R.B. Narayanrao Borawake College Shrirampur.

Dr. B.S. Shinde ,HOD of Computer Science introducing the Guest & Program Theme. Mr. Suhas Naik (Vice President Citi Bank, Pune) conducting First Session on "Latest Trend in IT, Data Engineering & Microservices "and Mr. Vinay Supekar (Program manager, Thoughtworks Technologies India Pvt. Ltd., Pune) conducting Second Session on" Applications of Generative AI" this is Interactive Session.Total **156 students** were participated in this program

- Department of Computer Science celebrated the "National Science Day" on 3rd March 2025 under departmental club. On this occasion, were organized "PPT Presentation" Total 13 students were participated in this program.
- Department of computer science has organized Guest lecture "Live Project Demonstration & Placement Opportunities in IT Fields" on 6th March 2025, Thursday Smt. Archana Nigade (CEO & Founder Orange ITech , Dhankawadi Pune, 43) was invited as resource person. Total **99 students** are participated in this activity.
- Department of Computer Science organized one day Spandan Event on Thursday, 13th March 2025. There are two section in this event Technical and Non-technical. In the Technical Event total three competitions Quiz competition, Typing Master and Programming Champion are conducted and In the Non-Technical Event total two competitions Mimicry and Poetry writing and Recitation are conducted. Through the Technical event students get inspired and Through the non-technical event students can share their extra activity with us. A total **50 students** were participated in this program.

About the Rayat Shikshan Sanstha

Rayat Shikshan Sanstha Satara, Maharashtra State (India), founded by late Padma bhushan Dr. Karmaveer Bhaurao Patil in 1919, is one of the leading educational institutions in Asia. He realized that the social ills could be remedied through the education of the masses alone and laid the foundation of the Rayat Shikshan Sanstha by opening a Boarding House at Kale (Tal-Karad, Dist.- Satara) in 1919. Soon, however, in 1924 he shifted the head-quarter of his educational institution to Satara. Today, Sanstha runs 42 senior colleges, 1 research institute, 438 secondary schools, 8 training colleges, 42 primary schools, 31 pre-primary schools, 80 cosmopolitan hostels, 7 administrative offices, 8 Ashramshalas, and 57 ancillary branches. It is spread over in 15 districts of Maharashtra and 1 district of Karnataka with more than 14000 employees belonging to various castes and communities and over 450000 students. In the year 2021, Rayat Shikshan Sanstha established a Cluster University as ‘Karmaveer Bhaurao Patil University, Satara’.

About the College

The R. B. Narayanrao Borawake College, Shrirampur is one of the leading educational institutes, which was established on 15th June 1960 as a branch of Rayat Shikshan Sanstha, Satara. The college is permanently affiliated to Savitribai Phule Pune University, Pune and situated in Shrirampur a rural Tahsil of Ahilyanagar district in Maharashtra State. The college is approved under section 2(f) and 12(B) of the University Grants Commission (UGC) act. The college campus is spread over an area of 42.27 acres lush green land with state of the arts infrastructure. It provides quality higher education in Arts and Science streams at graduate, postgraduate and research level. The college runs 15 UG, 15 PG, 06 research programs in the subjects of Marathi, Economics, Political Science, Geography, Chemistry and Botany and also runs various Short Term /Value Added and Skill-Based Courses. The college was awarded The Best College Award by the S.P. Pune University, Pune in 2008, Rayat Mauli Award of Rayat Shikshan Sanstha in 2007-2008, Karmaveer Award of Rayat Shikshan Sanstha, in 2012-2013, The Best Principal Award of the S. P. Pune University, Pune in 2008 and 2019. The college Annual Magazine ‘Purti’ awarded with Best College Magazine Award by S. P. Pune University in 2013-2014 and 2019-2020. The college has DST-FIST Recognition and ISO: 9001-2015 Certification. College Reaccredited ‘A+’ Grade in 3rd Cycle by NAAC with CGPA 3.44. The college received the Autonomous Status from UGC, New Delhi in the academic year 2023-2024 and also college implemented National Education Policy 2020 from the academic year 2023-2024.

About the Department of Computer Science and Innovation, Incubation and Entrepreneurship Development Cell

The Department of Computer Science is established in 1997 and runs UG and PG programs. We offer industry oriented and value education through latest technologies. Our mission is to train our students to become professionals which will create opportunities and excel in education. We strive to create and maintain an atmosphere which sees beyond the confinements of established fields, to find problems and their solutions.

College has established the Innovation, Incubation and Entrepreneurship Development Cell to enable professional entrepreneurial ability and mind set to setup their own enterprises. College organizes various activities which are helpful to create scientific temperament among the students, to inculcate logical thinking in students, to initiate Start up, to promote and facilitate knowledge creation and innovation, to develop Entrepreneurship qualities, to promote Scientific Idea and Scientific Projects from Lab scale to industrial scale, to start the Skill Enhancement Projects and Startup.

Objectives of the Seminar

The objective of the seminar is to provide platform to students, academicians, researchers, scientists and industry personnel to share their knowledge, ideas and innovations in the field of Computer Science and their interdisciplinary applications.

Last Date for Submission of Abstract is 14th February, 2025

Registration Fees: Rs.100/-

मराठी विभाग

‘अभिरुची क्लब’

प्रस्तावना :-

मातृभाषा मराठीचे संवर्धन करणे काळाची गरज आहे. मुळातच मराठी भाषा जतन करण्याबरोबरच समृद्ध केली पाहिजे. आपली मराठी भाषा समृद्ध व्हावी व तिचा प्रचार प्रसार व्हावा यासाठी आम्ही महत्त्वपूर्ण भूमिका घेत आहोत ती म्हणजे ‘अभिरुची क्लब’ स्थापन करणे. या क्लब अंतर्गत विद्यार्थ्यांचा सर्वांगीण विकास करणे हे मराठी विभागाचे ध्येय आहे. त्यासाठी पुढील उद्दिष्टे समोर ठेवून ‘अभिरुची क्लब’ची स्थापना करण्यात आली आहे.

उद्दिष्टे :-

- १) विद्यार्थ्यांच्या सुप्त कलागुणांना वाव देणे
- २) लेखन, वाचन, भाषण, श्रवण कौशल्य विकसित करणे
- ३) लोककलाविष्कार जतन करणे
- ४) लोकसंस्कृतीचे संवर्धन करणे
- ५) मराठी भाषा विकास व संवर्धन यासाठी उपक्रम घेणे

स्वरूप :- ‘अभिरुची’ म्हणजे आवड होय. विद्यार्थ्यांमध्ये भाषेविषयी आवड निर्माण करणे तसेच मराठी भाषेच्या संवर्धनासाठी आणि विकासासाठी सदर क्लबची स्थापना केलेली आहे. या क्लबद्वारे विद्यार्थ्यांमधील सुप्त कलागुणांना वाव देणे व विद्यार्थ्यांमधील क्षमता ओळखून स्वतःचा विकास करणे हे उद्दिष्टे आहे.

गटचर्चा

दिनांक -०८/०१/२०२५

विद्यार्थ्यांच्या सर्वांगीण विकासासाठी चालना मिळण्यासाठी, संवाद कौशल्य वाढण्यासाठी, आत्मविश्वास, विचारशक्ती, नेतृत्वगुण विकसित होण्यासाठी गटचर्चा महत्वाची ठरते. गटचर्चा केवळ शैक्षणिक क्रिया नसून व्यक्तिमत्त्व विकासासाठी अत्यंत महत्वाचे प्रभावी साधन आहे. या उद्देशाने 'मराठी अभिजात भाषा संवर्धन उपाय' या विषयावर प्रथम, द्वितीय वर्ष वर्गातील विद्यार्थ्यांची गटचर्चा घेण्यात आली. यामध्ये उत्फूर्तपणे ४५ विद्यार्थ्यांनी सहभाग नोंदविला. सदर उपक्रमास विभाग प्रमुख डॉ. बाळासाहेब शेळके हे प्रमुख उपस्थित होते.

मराठी भाषा संवर्धन पंधरवडा व्याख्यान कार्यक्रम

दि. २३/०१/२०२५

सोमवार दिनांक २३ जानेवारी २०२५ रोजी 'लोकभाषा ते अभिजात भाषा' या विषयावर डॉ. कैलास दौंड, साहित्यिक, पाथर्डी यांचे व्याख्यान आयोजित करण्यात आले होते. त्यांनी आपल्या मनोगतातून श्रवण, भाषण, वाचन, लेखन या चतुःसूत्रीचे महत्त्व सांगून मराठी भाषेच्या उगमापासून ते अभिजात भाषेचा दर्जा मिळेपर्यंत मराठी भाषेचे महत्त्व आपल्या व्याख्यानातून करून दिले. “मराठी भाषेला अभिजात भाषेचा दर्जा मिळाला. ही आपल्या दृष्टीने अभिमानाची बाब आहे. या मराठी भाषेला मौखिक परंपरा लाभलेली आहे आणि ग्रंथिक परंपरासुद्धा तिने उत्तम पद्धतीने सांभाळलेली आहे. काळानुसार होणारे बदल तिने नेमकेपणाने स्वीकारले आहेत. तिचे संस्कारिक गुण आपल्या व्यक्तिमत्त्व विकासात मोलाचे आहेत. म्हणून तिचे संवर्धन केले पाहिजे. कारण या हृदयाशी त्या हृदयी हितगुज करण्याची ताकद तिच्यामध्ये आहे.” असे प्रतिपादन प्रसिद्ध ग्रामीण साहित्यिक डॉ. कैलास दौंड यांनी केले. कार्यक्रमाचे प्रास्ताविक व पाहुण्यांच्या परिचय डॉ. बाळासाहेब शेळके यांनी केले, अध्यक्षपदी मा. मीनाताई जगधने(सदस्य, मॅनेजिंग कौन्सिल, रयत शिक्षण संस्था, सातारा) होत्या. त्यांनी आपल्या अध्यक्षीय मनोगतातून वाचनाचे महत्त्व स्पष्ट केले, तसेच “मराठी भाषा संवर्धन काळाची गरज आहे यासाठी सर्वांनी प्रयत्नशील राहूया.” असे प्रतिपादन केले. डॉ. कैलास महाले यांनी कार्यक्रमाचे आभार व्यक्त केले, तर सूत्रसंचालन डॉ. योगिता रांधवणे व प्रा. प्रकाश साबळे यांनी केले. उपक्रमास उपप्राचार्य डॉ. ए.एस. दळवी, डॉ. ए.एन. जगदाळे, डॉ. कैलास महाले, प्रा. सोमेश कुलकर्णी, इतर प्राध्यापक व २१४ विद्यार्थी उपस्थित होते.

या व्याख्यानाचे औचित्य साधून प्रा. सोमेश कुलकर्णी लिखित “घर...आणि इतर कविता” या कवितासंग्रहाचे अध्यक्ष आणि प्रमुख व्याख्यात्यांच्या हस्ते प्रकाशन करण्यात आले.

सदर मराठी भाषा संवर्धन पंधरवडा उपक्रमास मा.मीनाताई जगधने (सदस्य.मॅनेजिंग कौन्सिल,रयत शिक्षण संस्था सातारा) यांनी शुभेच्छा दिल्या. मराठी भाषा संवर्धन पंधरवडा निमित्त वेगवेगळे उपक्रम घेण्यात आले होते, त्यांची प्रसिद्धी वेगवेगळ्या वर्तमानपत्रातून दिलेली आहे. त्यासंदर्भात सोबत बातमीची कात्रणे जोडलेली आहेत.

मराठी मातृभाषा हृदयाची भाषा : साहित्यिक डॉ. दौंड

श्रीरामपूर : मराठी भाषेला अभिजात भाषेचा दर्जा मिळाला. ही आपल्या दृष्टीने अभिमानाची बाब आहे. मराठी भाषेला मौखिक परंपरा लाभलेली आहे. आणि ग्रांथिक परंपरासुद्धा तिने उत्तम पद्धतीने सांभाळलेली आहे. काळानुसार होणारे बदल तिने नेमकेपणाने स्वीकारले आहे, असे प्रतिपादन ग्रामीण साहित्यिक डॉ. कैलास दौंड यांनी केले.

रयतच्या येथील बोरावके कॉलेजमध्ये मराठी भाषा संवर्धन पंधरवडा या उपक्रमांतर्गत आयोजित कार्यक्रमात लोकभाषा ते अभिजात मराठी भाषा, या विषयावर नुकतेच ते बोलत होते. या कार्यक्रमाच्या अध्यक्षस्थानी रयत शिक्षण संस्थेच्या

श्रीरामपूर : येथील बोरावके कॉलेजमध्ये मराठी भाषा संवर्धन पंधरवड्यानिमित्त मार्गदर्शन करताना साहित्यिक डॉ. कैलास दौंड समवेत मीनाताई जगधने, प्राचार्य डॉ. प्रवीण बडधे, उपप्राचार्य डॉ. अमरनाथ जगदाळे, डॉ. अनुप दळवी व डॉ. बाळासाहेब शेळके. (छाया : सुनील पांढरे)

मॅनेजिंग कौन्सिल सदस्य मीनाताई जगधने उपस्थित होत्या.

याप्रसंगी मीनाताई जगधने यांनी या उपक्रमाचे महत्त्व स्पष्ट करून विद्यार्थ्यांनी मराठी या आपल्या मातृभाषेवर उत्कट प्रेम केले

पाहिजे, तसेच थोरामोठ्यांची चरित्रे, आत्मचरित्रे, कथा, कादंबऱ्या यांचे वाचन, लेखन, चिंतन व मनन केले पाहिजे. आपल्या व्यक्तिमत्त्व विकासासाठी ग्रंथ हा अतिशय महत्त्वाचा घटक असतो, असे त्यांनी

सांगितले. प्राचार्य डॉ. प्रवीण बडधे यांनी ग्रंथ व पुष्पगुच्छ देऊन मान्यवरांचे स्वागत केले. तर मराठी विभाग प्रमुख प्रा. डॉ. बाळासाहेब शेळके यांनी प्रास्ताविक केले. याप्रसंगी विभागातील प्रा. सोमेश कुलकर्णी यांच्या घर आणि इतर कविता या कवितासंग्रहाचे मान्यवरांच्या हस्ते प्रकाशन करण्यात आले. यावेळी उपप्राचार्य डॉ. अमरनाथ जगदाळे व डॉ. अनुप दळवी यांची प्रमुख उपस्थिती लाभली. प्रा. डॉ. योगिता रांधवणे व प्रा. प्रकाश साबळे यांनी सूत्रसंचालन केले. तर प्रा. डॉ. कैलास महाले यांनी आभार मानले.

श्रीरामपूर : बोरावके महाविद्यालयात मराठी भाषा संवर्धन पंधरवड्यानिमित्त मार्गदर्शन करताना साहित्यिक डॉ. कैलास दौंड, व्यासपीठावर मीनाताई जगधने, प्राचार्य डॉ. प्रवीण बडधे, उपप्राचार्य डॉ. अमरनाथ जगदाळे, डॉ. अनुप दळवी व डॉ. बाळासाहेब शेळके आदी.

मातृभाषेचे आपल्यावर गुणात्मक संस्कार

डॉ. दौंड : 'लोकभाषा ते अभिजात भाषा'

श्रीरामपूर, ता. २५ : मराठी ही आपल्या सर्वांचीच मातृभाषा आहे. या भाषेला मानवाच्या भावभावना कळतात. त्यांच्या सुख दुःखात ती नेहमी सहभागी होते. जन्म देणारी आई आणि आपल्याला अन्नाचा घास भरविणारी काळीआई जशी आपल्यावर जीवापाड प्रेम करते, त्याचप्रमाणे मराठी मातृभाषा ही आपल्यावर गुणात्मक संस्कार करते, असे प्रतिपादन साहित्यिक डॉ. कैलास दौंड यांनी केले.

येथील रा. ब. ना. बोरावके महाविद्यालयामध्ये महाराष्ट्र शासन शिक्षण संचालनालय उच्च शिक्षण विभाग आणि मराठी विभाग यांच्यातर्फे आयोजित मराठी भाषा संवर्धन पंधरवडा उपक्रमांतर्गत 'लोकभाषा ते अभिजात मराठी भाषा' या विषयावर प्रमुख व्याख्याते म्हणून ते बोलत होते. अध्यक्षस्थानी रयत शिक्षण संस्थेच्या मॅनेजिंग कौन्सिल सदस्या मीनाताई जगधने होत्या.

डॉ. दौंड म्हणाले, मराठी भाषेला अभिजात भाषेचा दर्जा मिळाला. ही आपल्या दृष्टीने अभिमानाची बाब आहे. या भाषेला मौखिक परंपरा लाभलेली आहे. ग्रांथिक परंपरासुद्धा तिने उत्तम पद्धतीने सांभाळलेली आहे. काळानुसार होणारे बदल तिने नेमकेपणाने स्वीकारले आहेत. तिचे संस्कारिक गुण आपल्या व्यक्तिमत्त्व विकासात मोलाचे आहेत. म्हणून तिचे संवर्धन केले पाहिजे.

प्राचार्य डॉ. प्रवीण बडधे यांनी स्वागत केले. प्रा. डॉ. बाळासाहेब शेळके यांनी प्रास्ताविक केले. यावेळी विभागातील प्रा. सोमेश कुलकर्णी यांच्या 'घर आणि इतर कविता' या कवितासंग्रहाचे मान्यवरांच्या हस्ते प्रकाशन करण्यात आले. उपप्राचार्य डॉ. अमरनाथ जगदाळे व डॉ. अनुप दळवी आदी उपस्थित होते. प्रा. डॉ. योगिता रांधवणे व प्रा. प्रकाश साबळे यांनी सूत्रसंचालन केले. प्रा. डॉ. कैलास महाले यांनी आभार मानले.

“विद्यार्थ्यांनी आपल्या मातृभाषेवर उत्कट प्रेम केले पाहिजे, तसेच थोरामोठ्यांची चरित्रे, आत्मचरित्रे, कथा, कादंबऱ्या यांचे वाचन, लेखन, चिंतन व मनन केले पाहिजे. कारण पुस्तकच आपल्या आयुष्यात परिवर्तन घडवून आणतात. म्हणून आभासी मायाजाळात आपण न अडकता पुस्तके वाचण्याचा आस्वाद घ्यावा.

-मीनाताई जगधने, मॅनेजिंग कौन्सिल सदस्या

मराठी मातृभाषा ही हृदयाची भाषा : साहित्यिक डॉ. कैलास दौंड

प्रतिनिधी । राष्ट्रसह्याद्री

श्रीरामपूर : मराठी ही आपल्या सर्वांचीच मातृभाषा आहे. या भाषेला मानवाच्या भावभावना कळतात. त्यांच्या सुख-दुःखात ती नेहमी सहभागी होत असते. जन्म देणारी आई आणि आपल्याला अज्ञाचा घास भरविणारी काळीआई ही जशी आपल्यावर जीवापाड प्रेम करते, त्याचप्रमाणे मराठी मातृभाषा ही आपल्यावर गुणात्मक संस्कार करते. तिचे मातृप्रेम फोडणे नाही, तर हृदयाच्या भावनांशी ती संपर्क होते. म्हणून तिच्या मोठेपणाचे गोडवे संतांनी, पंडितांनी व शाहिरांनी गायले आहे. फादर स्टीफन्सनेदेखील मराठी भाषेचा गुणगौरव केला आहे. या मराठी भाषेला अभिजात भाषेचा दर्जा मिळाला. ही आपल्या दृष्टीने अभिमानाची बाब आहे. या मराठी

भाषेला मौखिक परंपरा लाभलेली आहे. आणि प्राथमिक परंपरासुद्धा तिने उत्तम पद्धतीने सांभाळलेली आहे. काळानुसार होणारे बदल तिने नेमकेपणाने स्वीकारले आहेत. तिचे संस्कारिक गुण आपल्या व्यक्तिमत्त्व विकासात मोलाचे आहेत. म्हणून तिचे संवर्धन केले पाहिजे. कारण या हृदयाशी त्या हृदयी श्रितगुज करण्याची ताकद तिच्यामध्ये आहे असे प्रतिपादन प्रसिद्ध ग्रामीण साहित्यिक डॉ. कैलास दौंड यांनी केले.

येथील रावबहादूर नारायणराव बोरावके कॉलेजमध्ये महाराष्ट्र शासन शिक्षण संचालनालय उच्च शिक्षण विभाग पुणे आणि मराठी विभाग यांच्या संयुक्त विद्यमाने आयोजित मराठी भाषा संवर्धन पंधरवडा उपक्रमांतर्गत लोकभाषा ते अभिजात मराठी भाषा या विषयावर

प्रमुख व्याख्याते म्हणून ते बोलत होते. अध्यक्षस्थानी रयतच्या मॅनेजिंग कोन्सिल सदस्य मीनाताई जगधने होत्या. जगधने यांनी उपक्रमाचे महत्त्व विशद करून विद्यार्थ्यांनी मराठी या आपल्या

मातृभाषेवर उत्कट प्रेम केले पाहिजे, तसेच थोरामोठ्यांची चरित्रे, आत्मचरित्रे, कथा, कादंबऱ्या यांचे वाचन, लेखन, चिंतन व मनन केले पाहिजे. कारण पुस्तकच आपल्या आयुष्यात परिवर्तन घडवून

आणतात. म्हणून आभासी मायावाळात आपण न अडकता पुस्तके वाचण्याचा आस्वाद घ्यावा. आपल्या व्यक्तिमत्त्व विकासासाठी ग्रंथ हा अतिशय महत्त्वाचा घटक असतो, असे त्यांनी सांगितले.

प्राचार्य डॉ. प्रवीण बडपे यांनी उपस्थित मान्यवरांचे ग्रंथ व पुष्पगुच्छ देऊन स्वागत केले. मराठी विभाग प्रमुख प्रा. डॉ. बाळासाहेब शेळके यांनी प्रास्ताविक केले. वाप्रसंगी विभागातील प्रा. सोमेश कुलकर्णी यांच्या घर आणि इतर कविता या कवितारसग्रहचे मान्यवरांच्या हस्ते प्रकाशन करण्यात आले. यावेळी उपप्राचार्य डॉ. अमरनाथ जगदळे व डॉ. अनुप दुळवी यांची प्रमुख उपस्थिती लाभली. सुरुसंचालन प्रा. डॉ. योगिता रोधकणे व प्रा. प्रकाश साबळे यांनी केले, तर प्रा. डॉ. कैलास महाले यांनी आभार मानले.

अभ्यास सहल- पुणे

२८ फेब्रुवारी २०२५

उपक्रम -०८

शैक्षणिक वर्ष २०२४-२५च्या मराठी विभागाच्या अभ्यास सहलीचे आयोजन शुक्रवारम दिनांक २८ फेब्रुवारी २०२५ रोजी करण्यात आले. सदर अभ्यास सहल पुणे येथील शिवनेरी किल्ला, भिमाशंकर ज्योतिर्लिंग, ओझर गणपती, डिंभे धरण ह्या वेगवेगळ्या प्रेक्षणीय स्थळांच्या ठिकाणी नेण्यात आली.

शिवनेरी हा महाराष्ट्र राज्यातील एक प्राचीन किल्ला असून भारत सरकारने या किल्ल्याला दि.२६ मे १९०९ रोजी महाराष्ट्रातील राष्ट्रीय संरक्षित स्मारक म्हणून घोषित केले आहे. १९ फेब्रुवारी १६३० रोजी छत्रपती शिवाजी महाराजांचा जन्म शिवनेरी गडावर झाला. किल्ल्यावर चारही बाजूंनी कठीण चढाव असून जिंकण्यास कठीण असा बालेकिल्ला आहे. किल्ल्यावर शिवाई देवीचे छोटे मंदिर व जिजाबाई व बाल-शिवाजी यांच्या प्रतिमा आहेत. किल्ल्याचा आकार शंकराच्या पिंडीसारखा असून हा किल्ला शिवरायांचे जन्मस्थळ आहे.

भिमाशंकर ज्योतिर्लिंग हे पुणे जिल्यातील खेड तालुक्यात असून भारतातील १२ ज्योतिर्लिंगापैकी एक ज्योतिर्लिंग म्हणून ओळखले जाते. हे ठिकाण सह्याद्रीच्या प्रमुख रांगेत असून अतिशय घनदाट अरण्याने वेढलेले आहे. १९८४ साली या अरण्याची 'अभयारण्य' म्हणून घोषणा झाली. अतिशय घनदाट जंगल व तीर्थक्षेत्रामुळे हे ठिकाण पुणे जिल्यातील एक प्रमुख पर्यटन स्थळ बनले आहे. या ठिकाणी गुप्त भीमाशंकर, कोकण कडा, सिताराम बाबा आश्रम यांसारखी अनेक प्रेक्षणीय स्थळे आहेत. मंदिरात विद्यार्थ्यांनी भिमाशंकर ज्योतिर्लिंगाचे दर्शन घेतले.

पुणे जिल्यातील अष्टविनायकांपैकी एक सातवा गणपती म्हणजे ओझरचा विघ्नहर. या गणपतीला विघ्नेश्वर म्हणूनदेखील ओळखले जाते. विद्यार्थ्यांनी गणपतीचे दर्शन घेतले व प्रसादाचा आस्वाद घेतला. डिंभे धरण हे आंबेगाव तालुक्यातील घोड नदीवरील धरण आहे. धरणाची उंची

६७.२१ मीटर म्हणजे २२०.५ फूट, तर लांबी ८५२ मीटर आहे. या धरणावर विद्यार्थ्यांनी नयनरम्य देखाव्याचा आनंद घेतला.

विद्यार्थ्यांनी या सगळ्या ऐतिहासिक आणि धार्मिक स्थळांची माहिती जाणून घेतली. या सहलीस मराठी विभागप्रमुख प्रो. डॉ. बी. एस. शेळके, डॉ. वाय. एम. रांधवणे, प्रा. प्रकाश साबळे, प्रा. सोमेश कुलकर्णी तसेच एकूण ३९ विद्यार्थी सहभागी झाले होते. महाविद्यालयाचे मा.प्राचार्य डॉ.प्रवीण बडधे यांनी या अभ्यास सहलीसाठी शुभेच्छा दिल्या व विद्यार्थ्यांनी या माध्यमातून संशोधन कार्य करावे अशी अपेक्षा व्यक्त केली.

हिंदी दिवस समारोह (२०२४-२०२५) प्रतिवेदन

रा. ब. नारायणराव बोरावके महाविद्यालय, श्रीरामपुर के हिंदी विभाग द्वारा दि. १४ सितम्बर 'हिंदी दिवस' के उपलक्ष्य में दि. १९ सितम्बर २०२४ को सुबह ९:०० बजे 'हिंदी दिवस समारोह' का आयोजन किया गया था। इस अवसर पर रयत शिक्षण संस्था, सातारा के भूतपूर्व ऑडीटर मा. प्रिं. विश्वासराव जी काळे अतिथि के रूप में उपस्थित थे। समारोह की अध्यक्षता महाविद्यालय के प्रधानाचार्य प्रो. डॉ. प्रवीण बडधे जी ने की। विभागाध्यक्ष प्रो. डॉ. अनुप दळवी जी ने समारोह की प्रस्तावना तथा अतिथि परिचय करवाया। प्रा. जलाल पटेल जी ने कृतज्ञता ज्ञापन किया। प्रा. बापूसाहेब थोरात ने सूत्र संचालन किया। समारोह में हिंदी विभाग तथा महाविद्यालय के विभिन्न अध्यापक एवं छात्र बड़ी संख्या में उपस्थित थे।

प्रमुख अतिथि मा. प्रिं. विश्वासराव काळे जी ने अपने मनोगत में हिंदी भाषा एवं साहित्य का महत्व प्रतिपादित करते हुए केवल राष्ट्रीय स्तर पर ही नहीं तो अंतर्राष्ट्रीय स्तर पर हिंदी को संपर्क भाषा के रूप में स्थापित करने का मनोदय व्यक्त किया। उन्होंने बताया कि हिंदी भाषा बोलनेवालों की संख्या की दृष्टि से विश्व की तीसरी सबसे बड़ी भाषा है। हिंदी भाषा एवं साहित्य में इतनी व्यापक क्षमता है कि वह न केवल देश की राष्ट्रभाषा के पद का वहन कर सकती है, बल्कि विश्वभाषा की गरिमा का भी सार्थक वहन कर सकती है। उन्होंने छात्रों से आवाहन किया कि वे हिंदी को महत्व दिलवाने हेतु अपना सक्रीय योगदान दें। इस अवसर पर उन्होंने हिंदी में रोजगार के अवसर भी प्रतिपादित किए। साथ ही उन्होंने अपनी वर्तमान स्थिति पर आधारित कुछ कविताएँ भी सुनाई।

समारोह के अध्यक्ष प्रो. डॉ. प्रवीण बडधे जी ने राष्ट्रभाषा के रूप में हिंदी भाषा का महत्व बताते हुए हिंदी भाषा की प्रगति के संबंध में अपने विचार प्रस्तुत किए। उन्होंने हिंदी भाषा का अधिकाधिक प्रयोग करने का आवाहन छात्रों से किया। उन्होंने बताया कि हिंदी हमारे देश की अस्मिता की भाषा है। अंतर्राष्ट्रीय स्तर पर देश की अस्मिता को बनाए रखने के लिए हमें अधिकाधिक मात्रा में हिंदी का प्रयोग करना आवश्यक है।

हिंदी भाषेचा विस्तार गरजेचा : विश्वास काळे

श्रीरामपूर, ता. २४ : राष्ट्रध्वज व राष्ट्रगीताप्रमाणे राष्ट्रभाषा देशाच्या अस्मितेची प्रतीक मानली जाते. आंतरराष्ट्रीय स्तरावर राष्ट्राची ओळख निर्माण करण्यामध्ये राष्ट्रभाषेचे महत्त्वाचे योगदान आहे. इंग्रजी व मराठी या भाषाही हिंदी भाषेच्याच भगिनी आहेत. हेही आपण लक्षात घेतले पाहिजे. हिंदी व भारतीय भाषांचा विकास व विस्तार मोठ्या प्रमाणावर होण्यासाठी सर्वांनीच प्रयत्न करणे गरजेचे आहे, असे प्रतिपादन माजी प्राचार्य विश्वास काळे यांनी केले.

येथील रयत शिक्षण संस्थेच्या रा. ब. ना. बोरावके (स्वायत्त) महाविद्यालयात हिंदी विभागाच्या वतीने हिंदी दिवस कार्यक्रम प्रमुख व्याख्याते म्हणून ते बोलत होते. अध्यक्षस्थानी महाविद्यालयाचे प्रभारी प्राचार्य डॉ. प्रवीण बडधे होते.

काळे म्हणाले, हिंदी ही आपल्या देशातील सर्वात मोठी भाषा आहे. राष्ट्रभाषा व राजभाषा म्हणून आपण

श्रीरामपूर : बोरावके महाविद्यालयात हिंदी भाषा दिवस कार्यक्रमात मार्गदर्शन करताना माजी प्राचार्य विश्वास काळे. समवेत प्रभारी प्राचार्य प्रवीण बडधे, उपप्राचार्य डॉ. अनुप दळवी, प्रा. जलाल पटेल आदी.

तिच्याकडे पाहतो. डॉ. बडधे यांनी हिंदी भाषा ही भारतात मोठ्या प्रमाणावर बोलली जाते, तसेच शाळा व महाविद्यालयांमध्ये सुद्धा भाषा विषय हा अनिवार्य केलेला आहे. या हिंदी भाषेचे महत्त्व, तिचा प्रचार व प्रसार समाजाच्या

तळागाळापर्यंत पोहोचविण्यासाठी सर्वांनीच प्रयत्न केले पाहिजे. तिची प्रतिष्ठा जपली पाहिजे, असे सांगितले. प्रास्ताविक हिंदी विभागप्रमुख प्रा. डॉ. अनुप दळवी यांनी केले. याप्रसंगी हिंदी विभागाने घेतलेल्या

वक्तृत्व, निबंध, काव्यवाचन व पोस्टर स्पर्धांमधील विजेत्या स्पर्धकांना मान्यवरांच्या हस्ते सन्मानित करण्यात आले. सूत्रसंचालन प्रा. बापूसाहेब थोरात यांनी केले. प्रा. जलाल पटेल यांनी आपार मानले.

Academic Year- 2024-2025

Activity Report

The RBNB English Club was started in the academic year 2024-25 by the Department of English under the guidance of chairperson, Dr. Sunil Deokar, HoD and Mr. S.L. Divekar, Club coordinator. The Department of English took initiative to conduct various curricular and extracurricular activities for the holistic development of the students in the academic year 2024-25. The following noteworthy activities have been conducted by the department.

➤ **Welcome Function for FYBA**

The Department of English organized a Welcome Function for FYBA students on 6th September 2024. The programme aimed to warmly welcome the new students and introduce them to the college environment. Teachers guided students about academic activities and opportunities in the department. Senior students shared their experiences and interacted with the newcomers. The programme created a friendly and encouraging atmosphere for the students.

➤ **Group Discussion Activity**

The Department of English organized a Group Discussion Activity on 20th January 2025. The aim of the activity was to improve students' communication and critical thinking skills. Students discussed various social and academic topics in groups. Faculty members guided and evaluated their performance. The activity helped students gain confidence in expressing their ideas.

➤ **Visit of TYBA (Functional English) to MIDC, Shrirampur**

The students of TYBA (Functional English) visited MIDC, Shrirampur on 5th March 2025. The visit aimed to provide practical knowledge about industrial work culture. Students observed different departments and learned about professional communication in industries. Industry officials explained various processes and career opportunities. The visit was informative and beneficial for the students.

➤ **Industrial Visit to Mapro Industry Pvt. Ltd., Mahabaleshwar**

An industrial visit to Mapro Industry Pvt. Ltd., Mahabaleshwar was organized on 7th March 2025. Students observed the production process of fruit-based products such as

syrups and jams. The staff explained manufacturing, packaging and quality control procedures. The visit helped students understand industrial management. It provided practical exposure beyond classroom learning.

➤ **Field Visit to Radio Centre, Krishi Vigyan Kendra (PIRENS), Babhaleshwar –**

A field visit to the Radio Centre at Krishi Vigyan Kendra, Babhaleshwar was organized on 20th December 2024. Students learned about radio broadcasting and programme production. The staff demonstrated recording and transmission processes. The visit helped students understand the role of radio in rural communication. It was an informative learning experience.

➤ **Alumnus Interactive Session on “Career Opportunities in Government Sectors”**

An alumnus interactive session was conducted on 28th December 2024 by Ms. Trupti Fukate, Revenue Officer, Newasa. She guided students about career opportunities in government sectors. She shared her experiences and discussed preparation for competitive exams. Students asked questions and gained valuable career guidance. The session was informative and motivating.

➤ **Students’ Visit to English Language Laboratory, SSB College of Education**

Students visited the English Language Laboratory at SSB College of Education, Shirampur on 6th March 2025. They learned about modern technology used in language learning. The staff demonstrated pronunciation and listening practice using software. Students practiced speaking and communication skills. The visit helped improve their confidence in English.

➤ **Farewell Function to TYBA**

A farewell function for TYBA students was organized on 4th April 2025. Teachers and junior students gathered to wish the final year students’ success in their future. Students shared their college memories and experiences. Cultural activities and speeches were organized during the programme. The event created emotional and memorable moments for everyone.

➤ **Poster Presentation on ‘Career Opportunities in English’**

A poster presentation on “Career Opportunities in English” was organized on 9th April 2025. Students prepared creative posters highlighting various career options. The activity helped improve their research and presentation skills. Faculty members evaluated the posters and appreciated students’ efforts. The programme created awareness about career opportunities in English.

➤ **Visit to Snehalaya, Ahilyanagar for Community Engagement Programme**

A visit to Snehalaya, Ahilyanagar was organized on 5th May 2025 as part of a community engagement programme. Students learned about the social work carried out by the organization. They interacted with the residents and understood social issues. The visit

encouraged students to develop empathy and social responsibility. It was a meaningful and inspiring experience.

➤ **Guest Lecture on 'Entrepreneurship Development Skills'**

A guest lecture on "Entrepreneurship Development Skills" was organized on 4th March 2025. The resource person was Mr. Nilesh Jadhav, Founder of Graduate Tea Pvt. Ltd. He shared his entrepreneurial journey and motivated students to start their own ventures. The lecture highlighted the importance of innovation and leadership. It inspired students to explore entrepreneurship as a career.

Poster Presentation on Career Opportunities in English (09/04/2025)

The Department of English organized a Poster Presentation on Career Opportunities in English, arranged by the English Department Club. The Programme aimed to create awareness among students about various career options available in the field of English. The event was graced by Vice Principal Dr. Anup Dalvi Sir as the Chief Guest. The activity was conducted under the guidance of Convener Dr. S. S. Deokar. Students of FYBA, SYBA, and TYBA actively participated and prepared creative and informative poster presentations highlighting diverse career paths such as teaching, journalism, content writing, translation, civil services, and media. The Programme was successful in motivating students to explore wider career opportunities in English. The staff of the department played crucial role for making this programme at grand success.

Dr. Anup Dalvi sir (Vice Principal) inaugurated the English Galaxy Poster presentation on the Opportunities in English

Students of the Department giving presentation on the Opportunities in English

A Session on Career Opportunities in English (28/09/2024)

The Department of English organized a Session on **Career Opportunities in English**, arranged by the RBNB English Department Club. The Programme aimed to guide students about various career prospects available in the field of English. The session was delivered by Miss Trupti Fukte, who shared valuable insights about career options such as teaching, content writing, translation, media, and competitive examinations. The Programme was conducted under the guidance of President, Vice Principal Dr. Anup Dalvi Sir, and Convener Dr. S. S. Deokar. The session was informative and encouraged students to explore diverse and promising career opportunities in English.

Visit of TYBA Functional English to MIDC, Shirampur (During January 2025)

The Department of English organized an industrial visit for the students of TYBA Functional English to MIDC, Shirampur. The visit aimed to provide practical exposure and help students understand industrial communication and workplace functioning. During the visit, students observed the working environment, management processes, and communication systems used in industries. The experience helped them connect their academic learning with real-world applications. The visit was informative and beneficial, enhancing students' knowledge about professional practices and career opportunities in the industrial sector.

Visit to Snehalay Charity, Ahilyanagar (05/05/2025)

The Department of English organized a visit to **Snehalaya** Charity, Ahilyanagar under the course Community Engagement Programme for the students of SYBA. Around 14 students were participated in the visit. The visit aimed to develop social awareness and a sense of responsibility among students. During the visit, students interacted with the members of the organization and learned about the social work carried out by **Snehalaya** for the welfare of society. The experience helped students understand the importance of compassion, service, and community involvement. The visit was meaningful and enriched the students with practical exposure to social issues and humanitarian values.

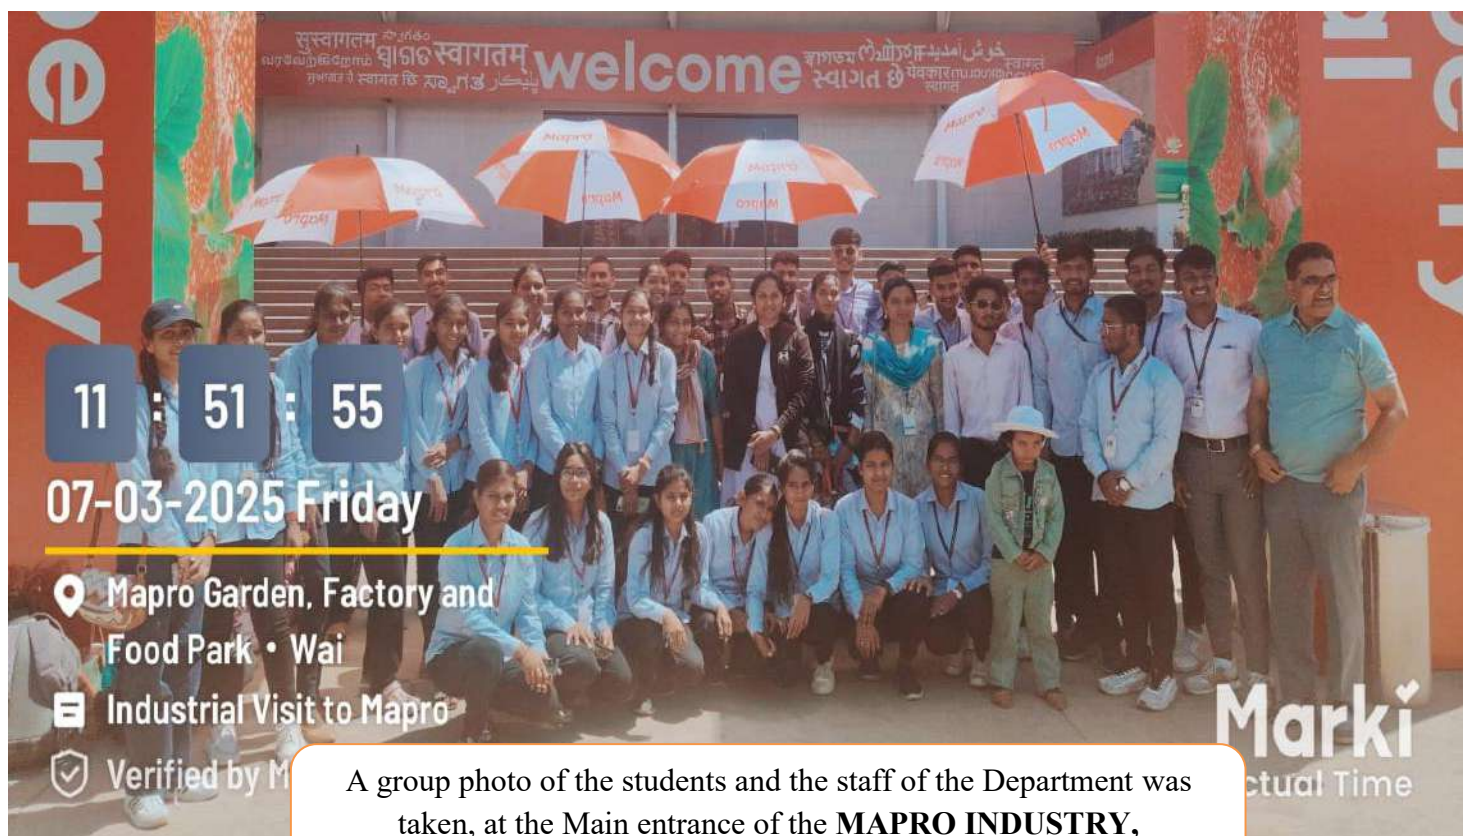

A visit to Snehalay Charity, Ahilyanagar under the course Community Engagement Programme was arranged by the Department. A group photo of the students and the staff was taken during the visit

Visit to Mapro Industry Pvt. Ltd., Mahabaleshwar (07/03/2025)

The Department of English organized an industrial visit to Mapro Industry Pvt. Ltd., Mahabaleshwar on 07th March 2025, under the course Functional English – Entrepreneurship Development and Project for the students of TYBA Functional English. The visit aimed to provide practical exposure to entrepreneurship, business management, and communication skills in an industrial setting. During the visit, students learned about production processes, marketing strategies, branding, and customer relations adopted by the company. The visit was highly informative and helped students understand real-life applications of entrepreneurship concepts, enhancing their practical knowledge and professional skills.

A group photo of the students and the staff of the Department was taken, at the Main entrance of the **MAPRO INDUSTRY**, Mahabaleswar.

Guest Lecture on Developed India (17/02/2025)

The Department of English organized a Guest Lecture on Developed India, arranged by the RBNB English Department Club. The Programme aimed to create awareness among students about the vision and responsibilities of building a developed nation.

The chief guest, Mr. Vilas Shinde, (IRS Officer at Bangalore), delivered an insightful lecture highlighting economic growth, good governance, youth participation, and ethical values as key factors in national development. He encouraged students to contribute actively to the progress of the country. The Programme was conducted under the guidance of Hon. President, Principal Dr. P. V. Badadhe, and Convener Dr. S. S. Deokar. The lecture was inspiring and motivated students to work towards the vision of a developed India.

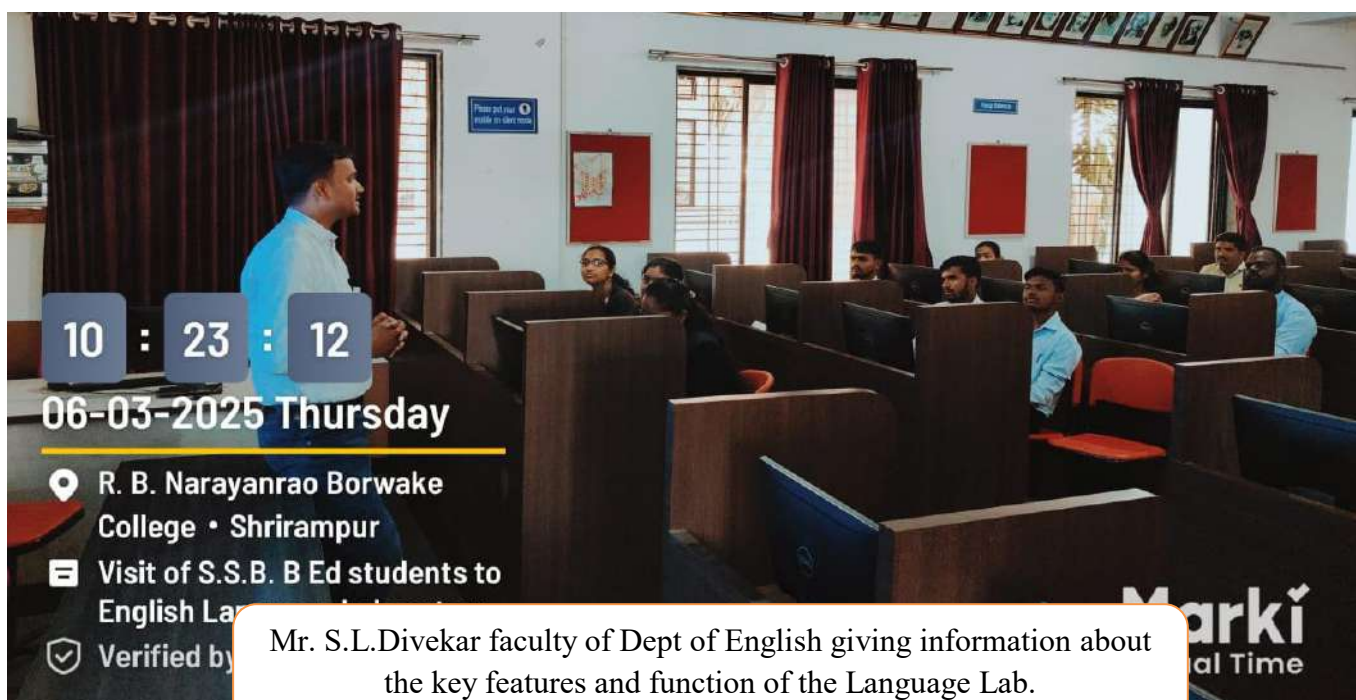

The Chief Guest **Mr. Vilas Shinde, (IRS Officer at Bangalore)** addressing the students on the topic 'Developed India'

Visit of SSB B.Ed. Students to English Language Laboratory (08/03/2025)

The Department of English organized a visit to the English Language Laboratory for the students of B.Ed., arranged by Swami Sahajanand Bharti B.Ed. College, Shrirampur.

The purpose of the visit was to provide practical exposure to modern language learning tools and techniques. The technical session was provided by Mr.S.L.Divekar .During the session, students were introduced to the use of audio-visual aids, pronunciation software, and communication skill development activities conducted in the language lab. The visit was informative and beneficial, helping the B.Ed. students understand the importance of technology in effective English language teaching and learning.

Rain Water Harvesting तसेच Ground Water Recharge प्रकल्प भेट

अहवाल

दिनांक :- ०५/०८/२०२४

रयत शिक्षण संस्थेचे, रा. ब. नारायणराव बोरावके महाविद्यालय, श्रीरामपूर येथिल वसुंधरा ग्रीन क्लब व भूगोलशास्त्र विभाग क्लब यांच्या संयुक्त विद्यमाने दि. ०५/०८/२०२४ रोजी महाविद्यालयातील Rain Water Harvesting तसेच Ground Water Recharge Project या प्रकल्पांना भेट देऊन विद्यार्थ्यांना माहिती दिली.

महाविद्यालयातील भूगोलशास्त्र विभागातील प्राध्यापक डॉ. सचिन पवार यांनी या प्रसंगी विद्यार्थ्यांना मार्दर्शन केले. त्यांनी विद्यार्थ्यांना पावसाच्या पाण्याचे नियोजन हि सध्याच्या काळात गरज निर्माण झाली असून पावसाच्या वाहून जाणाऱ्या पाण्याचे संचयन तसेच भूगर्भ जल पुनर्भरण करण्याच्या वेगवेगळ्या पारंपारिक व आधुनिक पद्धतींची माहिती मुलांना दिली. तसेच महाविद्यालयात स्थापन केलेल्या Rain Water Harvesting तसेच Ground Water Recharge Project या प्रकल्पांना भेट देऊन विद्यार्थ्यांना या प्रकल्पाचे महत्व व त्यामुळे आजूबाजूच्या परिसरातील वाढलेल्या पाणी पातळीबाबत माहिती दिली.

सदर उपक्रमासाठी महाविद्यालयाचे प्राचार्य डॉ. प्रवीण बडधे तसेच भूगोल विभागप्रमुख डॉ. संजय सांगळे यांनी मार्गदर्शन केले तर कार्यक्रमाच्या यशस्वीतेसाठी वसुंधरा ग्रीन क्लबचे समन्वयक प्रा. अमोल सदाफळ तसेच प्रा. निलेश कुदळे व प्रा. रवींद्र आदमाने यांनी परिश्रम घेतले.

जागतिक ओझोन दिन कार्यक्रम अहवाल

दिनांक :- २१/०९/२०२४

रयत शिक्षण संस्थेचे, रा. ब. नारायणराव बोरावके महाविद्यालय, श्रीरामपूर येथे जागतिक ओझोन दिन उत्साहात साजरा करण्यात आला. याप्रसंगी एस. एस. जी. एम. महाविद्यालय, कोपरगाव येथील भूगोल विभाग प्रमुख प्रा. डॉ. सी. बी. चौधरी यांचे व्याख्यान आयोजित करण्यात आले होते.

१६ सप्टेंबर हा दिवस जागतिक ओझोन दिन म्हणून जगभर साजरा करण्यात येतो. बोरावके महाविद्यालयात भूगोल विभाग आणि वसुंधरा ग्रीन क्लब यांच्या संयुक्त विद्यमाने जागतिक ओझोन दिन साजरा करण्यात आला. प्रा. डॉ. सी. बी. चौधरी यांनी विद्यार्थ्यांना मार्गदर्शन करताना सांगितले की, ओझोन दिन साजरा करण्याचा प्रमुख उद्देश म्हणजे, मानवी व्यवसाय व त्यातून क्लोरोफ्लूरोकार्बनचे वाढते उत्सर्जन आणि ओझोन वायूच्या थराचा होणारा क्षय याबाबत जागरूकता निर्माण व्हावी हा आहे. १६ सप्टेंबर रोजी मॉन्ट्रियल प्रोटोकॉलवर सहा केल्याच्या औचित्याने दरवर्षी जागतिक ओझोन दिवस साजरा केला जातो. ओझोन थराला नुकसान पोहोचवणाऱ्या पदार्थांचे उत्पादन आणि उपभोग टप्प्याटप्प्याने बंद करण्यासाठी आंतरराष्ट्रीय पर्यावरण करारावर स्वाक्षरी केल्याच्या स्मरणार्थ हा दिवस साजरा होतो. याबाबत अधिक माहिती देतांना चौधरी सर म्हणाले की ओझोन वायूचा थर हा फक्त ३ मिलीमीटर जाडीचा असला तरी तो आहे म्हणूनच पृथ्वीवर जीवन आहे. कारण सूर्यापासून येणाऱ्या अतिनील किरणांपासून पृथ्वीचे संरक्षण करण्याचे महत्वाचे कार्य ओझोनचा थर करत असतो. त्यांनी आपल्या व्याख्यानातून ओझोन वायूच्या थराचे महत्त्व, ओझोन वायूचा होणारा क्षय, त्याची कारणे, ओझोन वायूच्या क्षयाची मानव, प्राणी, वनस्पती तसेच भू आणि जलीय परिसंस्थांवर होणारे परिणाम आणि ओझोन वायूचा क्षय थांबवण्यासाठीचे उपाय याबाबत विद्यार्थ्यांना माहिती दिली. तसेच ओझोन वायूच्या संरक्षणासाठी आपण निसर्गाचा अतिवापर न करता त्याचे संरक्षण करावे. अध्यक्षीय मनोगत व्यक्त करताना

महाविद्यालयाचे कला विभागाचे उपप्राचार्य प्रा. डॉ. अनुप दळवी यांनी पर्यावरणाचा ढासळता समतोल आणि विद्यार्थ्यांची भूमिका तसेच क्लोरोफ्लूरोकार्बन उत्सर्जित करणाऱ्या उपकरणांचा योग्य वापर कसा करावा, याबात विद्यार्थ्यांना मार्गदर्शन केले. कार्यक्रमाचे प्रास्ताविक भूगोल विभागातील विद्यार्थी पंकज देशमुख याने केले. कार्यक्रमाच्या यशस्वीतेसाठी भूगोल विभागाचे डॉ. एस. बी. सांगळे, डॉ. एस. एन. पवार, वसुंधरा ग्रीन क्लबचे समन्वयक प्रा. अमोल सदाफळ, प्रा. एन. व्ही. कुदळे, प्रा. आर. बी. आदमाने यांनी विशेष परिश्रम घेतले. कार्यक्रमास मराठी विभागाचे विभागप्रमुख डॉ. बी. एस. शेळके, राज्यशास्त्र विभागाचे विभागप्रमुख डॉ. बी. एस. तोंडे व इंग्रजी विभागाचे विभागप्रमुख डॉ. एस. एस. देवकर, प्रा. डॉ. एम. ई. औटी हे उपस्थित होते. महाविद्यालयातील भूगोल विभागातील विद्यार्थिनी कु. कोमल केने हिने सूत्रसंचालन केले तर प्रतीक्षा सावंत हिने उपस्थितांचे आभार मानले.

कार्यक्रमाच्या उद्घाटन प्रसंगी प्रतिमा पूजन करतांना उपस्थित मान्यवर

विद्यार्थ्यांना मारदर्शन करतांना प्रा. डॉ. सी. बी. चौधरी

दिनांक :- २४/०१/२०२५

रयत शिक्षण संस्थेचे, रा. ब. नारायणराव बोरावके महाविद्यालय, श्रीरामपूर येथील वसुंधरा ग्रीन क्लब व भूगोलशास्त्र विभाग क्लब यांच्या संयुक्त विद्यमाने दि. २४/०१/२०२५ रोजी विद्यार्थ्यांसाठी प्लास्टिक वापराबाबत जागृती व मार्गदर्शनपर व्याख्यान आयोजित करण्यात आले होते. सदर कार्यक्रमासाठी ए. एस. सी. कॉलेज, जुन्नर येथील प्रा. एस. बी. गावळी हे प्रमुख व्याख्याते म्हणून उपस्थित होते.

याप्रसंगी प्रा. गावळी म्हणाले कि, प्लास्टिकच्या अतिवापराने जगभरात अनेक समस्या निर्माण झाल्या आहे. प्लास्टिकमुळे निर्माण होणारा कचरा अविघटनक्षम आहे. हा कचरा हजारो वर्षे पर्यावरणात तसाच पडून राहिल्याने प्रदूषणात प्रचंड वाढ होते. त्याचा विपरीत परिणाम मानवी आरोग्यावर होत आहे. अनेकदा जनावरांच्या पोटात हे प्लास्टिक गेल्याने त्याचा मृत्यूही झाल्याच्या अनेक घटना सध्या घडत आहे. त्यामुळे प्लास्टिक वापराबाबत अत्यंत काळजी घेणे किंवा ते न वापरणे हेच संयुक्तिक ठरते. त्यांनी प्लास्टिकच्या कचऱ्याची विल्हेवाट लावण्याच्या पद्धती हि विद्यार्थ्यांना सांगितल्या. प्लास्टिकच्या पिशवी ऐवजी कापडाच्या पिशवीचा वापर करावा म्हणजे प्लास्टिक व त्यापासून निर्माण होणाऱ्या कचऱ्याचा प्रश्नच सोडवणे सोपे होईल असे प्रतिपादन केले.

सदर कार्यक्रमासाठी महाविद्यालयाचे प्राचार्य डॉ. प्रवीण बडधे तसेच भूगोल विभागप्रमुख डॉ. संजय सांगळे यांनी मार्गदर्शन लाभले तर कार्यक्रमाच्या यशस्वीतेसाठी वसुंधरा ग्रीन क्लबचे समन्वयक प्रा. अमोल सदाफळ तसेच डॉ. सचिन पवार, प्रा. निलेश कुदळे यांनी परिश्रम घेतले. शेवटी प्रा. रवींद्र आदमाने यांनी उपस्थितांचे आभार व्यक्त केले.

इतिहास विभाग

शिवनेरी क्लब

प्रस्तावना –

आजच्या काळात इतिहासाचे जतन आणि संवर्धन होणे अत्यंत गरजेचे आहे. कारण इतिहास हा माणसाचा खरा गुरु आहे. जो समाजाला भविष्यासाठी योग्य मार्ग दाखवितो. कोणताही वंश किंवा राष्ट्र जिवंत, प्रगतशील आणि गतिमान राहण्यासाठी इतिहासाचा अभ्यास महत्वाचा आहे. म्हणून आजच्या पिढीला इतिहासाचे ज्ञान व्हावे यासाठी आम्ही महत्वपूर्ण भूमिका घेत आहोत. यासाठी इतिहास विभागाने शिवनेरी क्लब ची स्थापना केली. या क्लब मार्फत विद्यार्थ्यांच्या मनामध्ये इतिहासाविषयी आवड, जिज्ञासा निर्माण करणे, तसेच विद्यार्थ्यांच्या चौकसबुद्धीला चालना देणे. तसेच विद्यार्थ्यांचा सर्वांगीण विकास घडून आणणे. हे इतिहास विभागाचे मुख्य ध्येय आहे

उद्दिष्टे

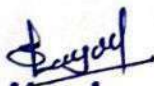

१. विद्यार्थ्यांची जीज्ञासावृत्ती जागृत करणे.
२. विद्यार्थ्यांच्या चौकसबुद्धीला चालना देणे.
३. विद्यार्थ्यांच्या सुप्त कलागुणांना वाव देणे.
४. ऐतिहासिक वस्तूंच्या व वास्तूंच्या जतनाची जाणीव निर्माण करणे.
५. राष्ट्रीय प्रतीकांबद्दल आदर निर्माण करणे व राष्ट्रीय एकात्मतेची भावना निर्माण करणे.

शिवनेरी क्लब
२०२४-२५

शैक्षणिक वर्ष २०२४-२५ मध्ये इतिहास अंतर्गत विविध उपक्रम घेण्यात आले.

- दि. ५ सप्टेंबर २०२४ रोजी इतिहास विभागातील विद्यार्थ्यांनी डॉ. सर्वपल्ली राधाकृष्णन यांच्या जन्मदिनी शिक्षक दिन साजरा करण्यात आला. याप्रसंगी इतिहास विभाग प्रा. सुरेखा लगड, प्रा. मंगेश देवडे, प्रा. ओम वर्पे व प्रा. प्रियंका जगताप इ. उपस्थित होते.
- दि. २४/०९/२०२४ रोजी पुस्तक प्रदर्शन भरविण्यात आले. याप्रसंगी इतिहास विभाग प्रमुख, प्रा. सुरेखा लगड, प्रा. मंगेश देवडे, प्रा. ओम वर्पे, प्रा. प्रियंका जगताप तसेच इतिहास विभागातील विद्यार्थी इ. उपस्थित होते.
- दि. १६/०१/२०२५ रोजी इतिहास विभागाद्वारे तिळगुळ वाटप कार्यक्रम घेण्यात आला. याप्रसंगी उप प्राचार्य डॉ. अनुप दळवी व इतिहास विभाग प्रमुख, प्रा. सुरेखा लगड, प्रा. मंगेश देवडे, प्रा. ओम वर्पे, प्रा. प्रियंका जगताप तसेच इतिहास विभागातील विद्यार्थी इ. उपस्थित होते.
- दि. २८/०१/२०२५ इतिहास विभागातील एम. ए. भाग-२ चा विद्यार्थी अशोक शंकर शिंदे याने साउथ कोरिया तायकोन स्पर्धेत सुवर्ण पदक मिळविले. याप्रसंगी अभिनंदन करताना महाविद्यालयाचे प्राचार्य डॉ. प्रवीण बडदे व इतिहास विभाग प्रमुख प्रा. सुरेखा लगड, प्रा. ओम वर्पे व प्रा. प्रियंका जगताप व इतर शिक्षक उपस्थित होते.
- दि. ०६/०२/२०२५ रोजी पारंपारिक वेशभूषा दिवस साजरा केला गेला. याप्रसंगी इतिहास विभाग प्रमुख, प्रा. सुरेखा लगड, प्रा. मंगेश देवडे, प्रा. ओम वर्पे, प्रा. प्रियंका जगताप तसेच इतिहास विभागातील विद्यार्थी इ. उपस्थित होते.
- दि. ०७/०२/२०२५ रोजी खेळ महोत्सव साजरा करण्यात आला. याप्रसंगी इतिहास विभाग प्रमुख, प्रा. सुरेखा लगड, प्रा. मंगेश देवडे, प्रा. ओम वर्पे, प्रा. प्रियंका जगताप तसेच इतिहास विभागातील विद्यार्थी इ. उपस्थित होते.
- दि. ०८/०२/२०२५ रोजी खाद्य महोत्सव साजरा करण्यात आला. याप्रसंगी महाविद्यालयाचे प्राचार्य डॉ. प्रवीण बडदे, इतिहास विभाग प्रमुख, प्रा. सुरेखा लगड, प्रा. मंगेश देवडे, प्रा. ओम वर्पे, प्रा. प्रियंका जगताप तसेच इतिहास विभागातील विद्यार्थी इ. उपस्थित होते.
- दिनांक ०४/०३/२०२५ रोजी सद्याद्री ट्रेकर्स द्वारे शिवकालीन नाणी व शस्त्र प्रदर्शन भरविण्यात आले. याप्रसंगी इतिहास विभाग प्रमुख, प्रा. सुरेखा लगड, प्रा. मंगेश देवडे, प्रा. ओम वर्पे, प्रा. प्रियंका जगताप तसेच इतिहास विभागातील विद्यार्थी इ. उपस्थित होते.
- शिवनेरी क्लब अंतर्गत शैक्षणिक सहलीचे दि. ०७/०३/२०२५ ते ०८/०३/२०२५ या दरम्यान शिखर शिंगणापूर, गोंदवले, येमाई देवी मंदिर औंध व भवानी चित्र संग्रहालय व ग्रंथालय औंध, ज्योतिबा, पन्हाळा गड, शाहू पैलेस, रंकाळा तलाव व महालक्ष्मी मंदिर कोल्हापूर या ठिकाणांना भेटी दिल्या.
- शिवनेरी क्लब अंतर्गत क्षेत्र भेट त्यासाठी केशव गोविंद बन व महानुभाव मंदिर वनदेव ट्रस्ट बेलापूर या ठिकाणांना दिनांक १२/०३/२०२५ रोजी भेट दिली.

Teachers' Day Celebration Report

Event Details

- **Name of the Activity:** Teachers' Day Celebration
- **Date:** 05 September 2024
- **Organized by:** Department of Political Science
- **Venue:** Department Premises
- **Chief Guest:** Dr. Ashok Mahure, Head of Examination Department
- **Participants:** Students of FYBA, SYBA, TYBA, MA Part I & II

Objective of the Program

The objective of this celebration was to honor and express gratitude to teachers who play a pivotal role in shaping the intellectual and moral foundation of students. It also provided a platform for students to showcase their **creativity, emotions, and talents**, reinforcing the student-teacher bond.

Program Highlights

- The program began with a **floral tribute to the portrait of Dr. Sarvepalli Radhakrishnan**, the great philosopher, scholar, and former President of India, whose birthday is celebrated as Teachers' Day.
- Students from FYBA to MA Part II actively participated and **coordinated the event with great enthusiasm**.
- **Heartfelt speeches and expressions of gratitude** were delivered by students acknowledging the guidance, inspiration, and efforts of their teachers.
- Many students showcased their **talents through poems, songs, speeches, and anchoring**, making the event vibrant and engaging.
- The **Chief Guest, Dr. Ashok Mahure**, appreciated the discipline and devotion of the students and shared valuable thoughts on the role of teachers in nation-building.

- The program also featured a **prize distribution ceremony** honoring meritorious students who ranked first in the previous academic year.
- The classroom was **beautifully decorated with balloons and flowers**, and the entire event was conducted in a warm and celebratory atmosphere.

Outcomes of the Program

- Strengthened the **student-teacher bond** through mutual respect and appreciation.
- Provided a platform for students to **demonstrate leadership, organization, and creativity**.
- Honored academic achievements through **prize distribution**, motivating other students.
- Celebrated the value of **education, discipline, and gratitude** in academic culture.
- Encouraged students to recognize the **impact of educators** in shaping their future.

Library Visit Report

Event Details

- **Name of the Activity:** Library Visit
- **Date:** 24 September 2024
- **Venue:** Central Library, R.B.N.B. College, Shrirampur
- **Organized by:** Department of Political Science
- **Participants:** Students from FYBA, SYBA, TYBA, M. A. Part I & II

Objective of the Visit

The purpose of the visit was to help students understand the **value of library culture**, the **importance of independent reading**, and how **access to books and reference materials** enhances their understanding of academic subjects, especially Political Science.

The activity emphasized that **formal classroom education alone is not sufficient** and must be complemented by a habit of reading and research, which is essential for holistic development.

Activity Highlights

- Students were introduced to various sections of the library including reference books, periodicals, competitive exam resources, and journals.
- The college librarian provided guidance on how to locate Political Science books, use the catalog system, and explore online databases.
- Students engaged in browsing, selecting books of their interest, and understanding how to utilize library resources effectively for assignments and projects.
- A short orientation session was conducted on the **importance of reading beyond the syllabus** and building a critical perspective through diversified reading material.

Outcomes of the Visit

- Encouraged students to adopt **reading as a regular habit** for academic enrichment.
- Increased awareness about **library facilities and resources** available at the college.
- Promoted **self-study, research orientation, and independent thinking** among students.
- Helped MA students in selecting reference materials for dissertation and paper writing.
- Boosted students' curiosity and deepened their interest in **contemporary political issues and theoretical knowledge**.

Conclusion

The Library Visit provided students a **gateway to knowledge beyond textbooks**. It helped bridge the gap between syllabus-based education and broad intellectual development. The Department of Political Science is committed to encouraging such initiatives that nurture **critical reading, analytical thinking, and lifelong learning** among students.

- **Time:** Full Day Visit
- **Level:** College
- **Organized by:** Department of Political Science
- **Places Visited:**
 - Belapur Gram Panchayat
 - Belapur Health Center
 - Keshav Govind Ban, Belapur
- **Number of Participants:** 23 Students

Objective of the Visit:

The objective of the field visit was to provide students with practical exposure to grassroots-level governance, public health infrastructure, and socio-economic structures in a rural setting. The visit aimed to enhance their understanding of real-life political, social, and economic dynamics.

Highlights of the Activity:

- Students visited the **Belapur Gram Panchayat** and interacted with local officials to understand the working of rural self-governance under the Panchayati Raj system.
- At the **Belapur Health Center**, students examined the structure and functioning of rural healthcare services, availability of resources, and public outreach.
- The visit to **Keshav Govind Ban** offered insight into environmental conservation efforts and community-based ecological awareness.
- The students also conducted an informal survey and observation to assess the **socio-political awareness, economic status, and civic participation** of the local population.

Outcome: The field visit helped students gain practical insights into political systems at the local level. It encouraged critical thinking, analytical observation, and a better understanding of the connection between academic knowledge and ground realities.

Fun and Fair Activity Report

Event Details

- **Name of the Event:** Fun and Fair
- **Date:** 07 February 2025
- **Organized by:** Department of Political Science
- **Participants:** FYBA, TYBA, SYBA and M. A. I& II Political Science Students
- **Level:** College-Level

Objective of the Activity

The **Fun and Fair** event was organized with the aim of promoting **students' mental well-being, personality development, and interpersonal skills**. The event created a joyful environment to encourage **creative expression, teamwork, and stress relief** during the academic year.

Activity Highlights

- The program included a variety of entertaining and interactive games such as:
 - Balloon Bursting
 - Ring Toss
 - Memory Challenge
 - Dumb Charades
 - Paper Dance
- Students set up and managed their own game stalls, demonstrating planning, coordination, and leadership.
- A joyful and stress-free atmosphere was created, fostering a healthy break from routine academic pressure.
- Faculty members also participated and encouraged students, further strengthening student-teacher bonding.

Outcomes of the Program

- Helped students build **confidence and communication skills**.
- Created opportunities for **peer interaction and cooperation**.
- Strengthened the **student-teacher relationship** through informal engagement.
- Promoted **event planning and execution abilities** among students.
- Provided a refreshing and enriching experience contributing to the **overall development** of students.

Conclusion

The **Fun and Fair** activity proved to be a successful and much-appreciated initiative. It reflected the department's commitment to **holistic education**, focusing not only on academic excellence but also on the **social, emotional, and creative growth** of its students. Such co-curricular activities will continue to be encouraged in future academic years.

Old Age Home Visit Report

Event Details

- **Name of the Activity:** Visit to Old Age Home (माऊली वृद्धाश्रम भेट)
 - **Date:** 08 March 2025
 - **Venue:** Mauli Old Age Home, Shrirampur
 - **Organized by:** Department of Political Science
 - **Participants:** 30 Students (FYBA, SYBA, TYBA, MA Part I & II)
-

Objective of the Visit

The main objective of this social outreach activity was to sensitize students to the **realities of aging**, to understand the **sociological causes** leading to the rise of old age homes in Indian society, and to foster a **sense of empathy, responsibility, and social awareness** among students of Political Science.

Activity Highlights

- Students had meaningful interactions with the elderly residents, listening to their life stories and understanding their emotional and social struggles.
- A group discussion was conducted among the students to reflect on the **social disintegration** of joint families and the emergence of **nuclear family structures** leading to neglect of the elderly.
- Students explored **questions around social justice, human dignity, and the role of government policies** in elderly welfare.
- Some students brought small tokens and snacks to share with the residents, spreading joy and building emotional connections.
- The program included reflective discussions about the **importance of respect, care, and dignity for senior citizens** in society.

Traditional Day Activity Report

Event Details

- **Name of the Activity:** Traditional Day
- **Date:** 07/02/2025
- **Organized by:** Cultural Committee of RBNB College
- **Departmental Participation:** Students of the Department of Political Science (FYBA, SYBA, TYBA, MA Part I & II)
- **Level:** College-Level Cultural Event

Objective of the Activity

The aim of the **Traditional Day** celebration was to **foster respect for Indian culture, heritage, and diversity**. The activity was designed to help students appreciate the richness of India's traditions by showcasing **regional identities, ethnic wear, and customs** through active participation.

Activity Highlights

- Students of the Department of Political Science participated enthusiastically by wearing **traditional attire** representing various states and cultures of India.
- The department's participation stood out for its **vibrant colors, authenticity, and cultural representation**.
- Both boys and girls showcased traditional styles such as **sarees, kurta-pyjamas, turbans, dhotis, lehengas, and regional ornaments**.
- The entire event promoted a **spirit of inclusiveness, national integration, and celebration of unity in diversity**.
- The department received appreciation for its collective discipline, presentation, and creative spirit.

Outcomes of the Program

- Strengthened **cultural awareness and identity** among students.
- Promoted values of **diversity, unity, and mutual respect**.
- Encouraged **self-expression, confidence**, and public presentation.
- Provided a platform to **celebrate India's cultural richness** through attire and storytelling.
- Enhanced participation in **co-curricular and cultural events**, contributing to holistic development.

Conclusion

The **Traditional Day** celebration was a successful and joyful event, adding festive vibrancy to the academic environment. The participation of Political Science students reflected the department's commitment to not just academic excellence but also **cultural appreciation and holistic education**. Such events continue to play a key role in building a **strong, confident, and culturally rooted student community**.

Food Festival Activity Report

Event Details

- **Name of the Activity:** Food Festival
- **Date:** 08 February 2025
- **Venue:** College Campus, RBNB College
- **Organized by:** Department of Political Science (in collaboration with college-level event)
- **Participants:** Students of SYBA, TYBA, MA Part I & II
- **Level:** College-Level Cultural Activity

Objective of the Activity

The main objective of the **Food Festival** was to foster **unity, creativity, and cultural exchange** through culinary skills. It aimed at developing **team spirit, entrepreneurship, and leadership qualities** among students, while celebrating the **diversity of Indian cuisine** and traditions.

Activity Highlights

- Students of the Political Science Department enthusiastically set up vibrant and well-organized food stalls.
- A wide range of **traditional Indian dishes** such as Poha, Puran Poli, Pav bhaji, Masala Dosa, Chaat and more were prepared and served by the students themselves.
- The stalls reflected **regional diversity**, showcasing dishes from different parts of India, promoting awareness and appreciation of Indian culinary heritage.
- The event was well-managed, hygienically executed, and attracted **spontaneous participation** from students and faculty across various departments.
- Students demonstrated **event management skills**, coordination, creativity in presentation, and effective teamwork.

Outcomes of the Program

- Developed **entrepreneurial thinking and marketing ability** among students.
- Promoted **cultural learning, hospitality, and culinary skills**.
- Encouraged **cross-cultural appreciation and peer collaboration**.
- Provided a platform for **non-academic talent** and **community building** within the college.
- Created a joyful and engaging atmosphere, balancing academic life with social and creative experience.

Conclusion

The Food Festival was a **delightful and memorable event** that showcased the vibrant spirit of the students of the Political Science Department. The overwhelming participation and success of the activity have made it a key feature of the department's annual calendar. Events like these contribute significantly to **personality development, teamwork, and cultural engagement** of students.

Special Lecture Report on Constitution Glory Week

Event Details

- **Name of the Program:** Constitution Glory Week – Special Lecture
- **Date:** 21 February 2025
- **Time:** 11:00 AM
- **Venue:** वाचन कट्टा (Reading Corner), RBNB College
- **Organized by:** Department of Political Science in collaboration with NSS Unit
- **Participants:** Students from the Faculty of Arts and Science

Objective of the Program

The program was organized to celebrate भारतीय संविधान गौरव महोत्सव (**Constitution Glory Week**) and to raise awareness among students about the **relevance, strength, and values of the Indian Constitution**. The event aimed to educate the young generation about the **importance of fundamental rights, duties, and the core principles** guiding the Indian democratic system.

Speakers and Topics

- **Dr. B. S. Tonde**, Head, Department of Political Science
- **Prof. Dr. Meghraj E. Auti**, Associate Professor, Department of Political Science

Both speakers delivered **enriching and insightful lectures** on the topic “भारतीय संविधान आणि मूलभूत हक्कांचे संरक्षण” (The Indian Constitution and Protection of Fundamental Rights).

Key Highlights of the Lecture

- Students were introduced to the **historical background** and **need for the Indian Constitution**.
- Discussion on **Fundamental Rights and Duties** helped students understand their role as responsible citizens.
- The concept of **Directive Principles of State Policy** was explained in detail, connecting them to **social justice and good governance**.

- Speakers emphasized the **importance of constitutional values** like liberty, equality, and fraternity in everyday life.
- The session encouraged students to think critically about **constitutional morality, democratic responsibility, and citizenship awareness**.
- The event received enthusiastic participation from **a large number of students across Arts and Science faculties**.

Outcomes of the Program

- Enhanced **constitutional literacy** among students.
- Developed a strong sense of **democratic values and civic responsibility**.
- Encouraged **active participation in national and social affairs** through awareness of rights and duties.
- Motivated students to study **constitutional law, political theory, and the structure of governance** more deeply.

Conclusion

The Constitution Day Special Lecture was an **inspiring, informative, and impactful program**, successfully fulfilling the objectives of **Constitution Glory Week**. The Department of Political Science remains committed to nurturing **informed, responsible, and active citizens** by organizing such knowledge-driven events. The use of simple language, relatable examples, and legal insights made the session truly **memorable and meaningful** for the student community.

Educational Trip Report

Trip Details

- **Date of Trip:** 25 February 2025
 - **Total Number of Students:** 14
 - **Places Visited:**
 - **Shivneri Fort**
 - **Vighnagar Ganapati Temple**
 - **Bhimashankar Wildlife Sanctuary**
 - **Dimbe Dam**
-

Purpose of the Trip

The primary objective of this educational trip was to introduce students to the **historical, cultural, and environmental elements** related to Political Science, as prescribed in the academic curriculum. This trip was designed as a field-based extension of classroom learning, encouraging students to engage with India's rich heritage and ecological systems.

The visit aimed to:

- Develop students' understanding of **political history** by visiting **Shivneri Fort**, the birthplace of Chhatrapati Shivaji Maharaj, which provided deep insights into Maratha polity and resistance.
- Appreciate **cultural and religious syncretism** at **Lenyadri Caves**, part of the Ashtavinayak pilgrimage, and explore the intersection of politics and religion.
- Observe **biodiversity and environmental conservation** efforts at **Bhimashankar Wildlife Sanctuary**, enhancing awareness about ecological issues and sustainable development.

- Study the **role of water resources and irrigation** in rural development at **Dimbe Dam**, linking it to environmental policy and governance.

Outcomes of the Trip

- Strengthened the connection between theoretical knowledge and real-world experience.
- Enhanced students' ability to observe, analyze, and discuss political and environmental issues critically.
- Promoted group collaboration, responsibility, and social engagement.
- Provided a memorable and meaningful learning opportunity outside the classroom.

Conclusion

This educational trip successfully combined elements of **history, geography, environment, and political awareness**, giving students a comprehensive experience aligned with the objectives of Political Science education. The department plans to continue organizing such educational visits to enrich students' academic journeys and nurture responsible, aware citizens.

Old Age Home Visit Report

Event Details

- **Name of the Activity:** Visit to Old Age Home (माऊली वृद्धाश्रम भेट)
 - **Date:** 08 March 2025
 - **Venue:** Mauli Old Age Home, Shrirampur
 - **Organized by:** Department of Political Science
 - **Participants:** 30 Students (FYBA, SYBA, TYBA, MA Part I & II)
-

Objective of the Visit

The main objective of this social outreach activity was to sensitize students to the **realities of aging**, to understand the **sociological causes** leading to the rise of old age homes in Indian society, and to foster a **sense of empathy, responsibility, and social awareness** among students of Political Science.

Activity Highlights

- Students had meaningful interactions with the elderly residents, listening to their life stories and understanding their emotional and social struggles.
- A group discussion was conducted among the students to reflect on the **social disintegration** of joint families and the emergence of **nuclear family structures** leading to neglect of the elderly.
- Students explored **questions around social justice, human dignity, and the role of government policies** in elderly welfare.
- Some students brought small tokens and snacks to share with the residents, spreading joy and building emotional connections.
- The program included reflective discussions about the **importance of respect, care, and dignity for senior citizens** in society.

Outcomes of the Visit

- Created a strong emotional impact, developing a **humanistic and compassionate outlook** in students.
- Strengthened students' understanding of **social problems, loneliness, and abandonment** among the elderly.
- Encouraged students to think critically about the **role of family, society, and state** in elder care.
- Promoted **values of empathy, service, and civic responsibility** in youth.
- Gave students a platform to apply **theoretical knowledge to real social situations**.

Conclusion

The visit to the old age home was a deeply **transformative experience** for the students. It successfully bridged academic learning with social reality and aligned with the department's goal of developing **socially aware and responsible citizens**. The Department of Political Science plans to continue organizing such **value-based field activities** in the future to enhance the civic consciousness of its students.

Women's Day Celebration Report

Event Details

- **Name of the Activity:** International Women's Day Celebration
- **Date:** 08 March 2025
- **Organized by:** Department of Political Science
- **Venue:** Department of Political Science, RBNB College
- **Participants:** FYBA, SYBA, TYBA, MA Part I & II Students

Objective of the Program

The celebration aimed to honor and acknowledge the **contribution of women in society and education**, while also fostering **self-confidence, awareness, and encouragement** among female students. The event was designed to inspire, appreciate, and empower students on the occasion of **International Women's Day**.

Program Highlights

- The program began with a short introduction on the **importance of Women's Day** and its historical significance.
- As a symbolic and inspiring gesture, the Department of Political Science **gifted motivational books** to all female students.
- The distribution of books created a positive atmosphere and sent a message of encouragement and empowerment.
- Students expressed joy, gratitude, and appreciation for the thoughtful initiative.
- A few students also spoke briefly, sharing their feelings about **women's empowerment, gender equality, and the importance of education** in building a better society.

Outcomes of the Celebration

- The event promoted **academic motivation and emotional well-being** among students.
- Female students felt **valued, appreciated, and inspired** by the department's gesture.
- The celebration helped foster a **culture of respect, inclusivity, and empowerment** within the department.
- Encouraged the importance of **reading and personal growth** through the gifting of books.

Conclusion

The **Women's Day celebration on March 8, 2025**, by the Department of Political Science was a **memorable and impactful program**. It not only honored the essence of womanhood but also promoted **positi academic culture and student welfare**. The smiles, gratitude, and heartfelt participation from students made the event truly special and successful.

Departmental Club MANASPARSH

Academic Year 2024-25

Activity Report

In the academic year 2025-26 Department of Psychology has organized various activities under the MANASPARSH Department Club. The details of activities are as follows:

Activity 1:

Psychological Test Experiments Exhibition (15th October 2024)

The Department of Psychology celebrated the “World Mental Health Day” Psychological Test Experiments Exhibition on 15th October 2024 under the department club. The objective of providing practical exposure to students and creating awareness about various psychological assessments and experiments. Students actively participated in the exhibition by demonstrating different psychological tests and experiments such as Intelligence Tests, Personality Tests, Memory Tests, Attention and Perception Experiments, Reaction Time Tests, and Aptitude Tests. Each experiment was systematically presented with proper materials, procedure explanations, and interpretation of results. The participants confidently explained the purpose, administration process, and significance of each test to the visitors. The exhibition helped students understand the practical application of psychological concepts and enhanced their skills in test administration, observation, and interpretation. Faculty members and guests visited the exhibition and appreciated the students’ efforts and presentation skills. The event proved to be informative and interactive, successfully promoting experiential learning and awareness about psychological assessment methods.

The program was chaired by the Head of the Department, Dr. S. B. Gaikwad, while the chief guest was the Principal Prof. Dr. P. V. Badadhe, Prof. Dr. A. S. Dalvi (Head, Department

of Hindi) on the occasion, Dr A. S. Mahure (Head, Department of Education), Mr. S. S. Jadhav, Miss. R. B. Lande and students from UG and PG classes of the department were present.

Activity 2:

Debate Competition (16th October 2024)

Department of Psychology celebrated the "World Mental Health Day" on 16th October 2024 under the department club. The objective of enhancing students' critical thinking, communication skills, and understanding of various psychological issues. The competition witnessed enthusiastic participation from students who debated on relevant and thought-provoking topics such as the impact of social media on mental health, nature versus nurture, the effectiveness of psychotherapy, and the role of artificial intelligence in psychology. Participants confidently presented their arguments, supported by psychological theories, research findings, and real-life examples. The debate was judged by a panel of faculty members who evaluated the participants based on content, clarity, confidence, logical reasoning, and rebuttal skills. The event encouraged healthy discussion, intellectual exchange, and deeper insight into contemporary psychological concerns.

The program was chaired by the Head of the Department, Dr. S. B. Gaikwad, while the chief guest was the Vice Principal Prof. Dr. A. S. Dalvi (Head, Department of Hindi) on the occasion, Dr A. S. Mahure (Head, Department of Education), Mr. S. S. Jadhav, Miss. R. B. Lande and students from UG and PG classes of the department were present.

Activity 3:

Elocution Competition (17th October 2024)

Department of Psychology celebrated the "World Mental Health Day" on 17th October 2024 under the department club. World Mental Health Day 2024 is an opportunity for people and communities to unite behind the theme "It's Time to Prioritize Mental Health in the Workplace", to improve knowledge, raise awareness and drive actions that promote and protect everyone's mental health as a universal human right. On this occasion organized Elocution Competition. Total 35 Students were participated in this competition.

The program was chaired by the Dr. S. B. Gaikwad, while the chief guest was the Vice Principal Prof. Dr. A. S. Dalvi (Head, Department of Hindi) on the occasion, Dr A. S. Mahure (Head, Department of Education), Mr. S. S. Jadhav, Miss. R. B. Lande and students from UG and PG classes of the department were present.
