World Mental Health Day, October 10, 2021

REPORT (2021-2022)

World Mental Health Day was first observed on October 10, 1992 as an annual activity of World Federation for Mental Health. The day initially did not have a specific theme and its aim was to promote mental health advocacy and educating the public on relevant issues. World Mental Health Day is observed on 10th October every year, to raise awareness of mental health issues around the world and mobilize efforts in support of mental health. The COVID-19 pandemic has had a major impact on people's mental health. Some groups, including health and other frontline workers, students, people living alone, and those with pre-existing mental health conditions, have been particularly affected.

The theme of this year's (2021) World Mental Health Day, set by the World Federation for Mental Health, is 'Mental health in an unequal world'. On the occasion of World Mental Health Day, various programs were organized in our college by the Department of Psychology and Department of IQAC. On the occasion of World Mental Health Day, State Level Quiz Competition was organized on 10 October 2021 and Poster Presentation Competition on 11 October 2021 on 'Mental Health for All'. 267 students participated in quiz competition and 250 students participated in poster presentation competition in various colleges. Certificates and prizes were awarded to the first, second and third place winners among the contestants who participated in the competition. On October 12, 2021, a lecture on "Importance of Mental Health in Daily Life" was organized in offline and online mode. Hon'ble Principal Dr. P. V. Rasal, Member, BoS in Psychology, Savitribai Phule Pune University, Pune delivered lecture on the importance of mental health in daily life.

Hon'ble Minatai Jagdhane Member, Managing Council, Rayat Shikshan Sanstha, Satara & Chairman, CDC, R. B. Narayanrao Borawake College, Shrirampur and Hon. Principal Dr. N. S. Gaikwad, has conceptualized the facility and I thank those for everlasting support and guidance.

“Nirbhay Kanya Abhiyaan” Workshop (2021-22)
Activity Report

Nirbhay Kanya Abhiyan scheme introduced by the S.P. Pune University, Pune to develop the confidence and personality of girl students who comes from the rural areas and are deprived sections of society.

Objectives:

1. To develop the personality of girl students.
2. To improve self-confidence in the girls students.

A one day workshop of ‘Nirbhay Kanya Abhiyaan’ was organised under Students Welfare Scheme on **28/02/2022**, in association with Savitribai Phule Pune University, Pune.

Section-I

First session was conducted by Dr. Mrs. Pourinima Gujar. She nicely explained about **“Indian Women: Yesterday, Today and Tomorrow”**. She focused on the status of women in the past, what is affecting it at the present time and what can be expected in the future. She also gave some tips on how to deal with problems which women face in day to day life. Girl students gained a lot of knowledge which will definitely help to build up a good future.

Section-II

The second lecture was delivered by Dr. U.L. Bhor. She delivered a lecture on **“Personality Development.”** She discussed how the personality development enhances the confidence of that person. Also she guided how our positive thoughts help in getting a better personality. In her talk she also shared development tips to improve personality.

Dr. Cholke S. P., Chairman Board of Student Development presented the Introduction and also mentioned the objectives of the programme. The programme was anchored by Mrs Methras A.S., and Dr. Jadhav P.S. expressed the vote of thanks.

Principal Dr. N.S. Gaikwad gave valuable guidance for the organisation programme. Dr. Pol S.B., Chairman, Board of Student Development, with her committee members and all other non-teaching staff, took efforts to make this programme successful.

A **Self-defence training programme for girl students** was organised on 16/03/2022 to 19/3/2022. Mr. Akbar Shaikh was invited to teach and guide self defence techniques to the participants. The main motto behind this training session was to prepare girl students for unexpected situations and also to develop better mental and physical health.

Learning outcomes from the workshop on self defence programme are: the students have the chance to see the live demo of the self defence techniques as demonstrated by the trainer. Total 55 participants had participated in this programme.

Title of activity- Smart Girl Training Program

Date: 21/02/2022 and 22/02/2022

Activity Report

The Workshop on Smart Girl training was organized on 21 and 22 February, 2022 at R.B.N.B. College, Shrirampur in association with Bharathiya Jain Sangathana, (BJS). In this workshop, Hon. Meenatai Jagdhane was a Chairperson and she welcomed BJS Committees.

Prin. Dr. N.S. Gaikwad gives his valuable guidance and support for this workshop. Vice Principal of Junior College Smt S.R. Pokharkar helped for the successful completion of this workshop.

The goal of the program is to sustainably enhance young girls' capacities to live life with dignity and access equal opportunities through effective life skills education. The program framework broadly recommends 5 modules (Self Awareness, Communication and Relationships, Self Esteem and Self Defense, Choices and Decisions and Friends and Temptations) for girls consisting of a total of 10 hours to be delivered as a two day workshop. Additional 7th module for parents and 30 mins with girls is also a part of this program where parents are sensitized towards girls needs and together parents and girls are facilitated for bonding well and resolving to spend quality time together.

Bharathiya Jain Sangathana, (BJS) has conducted two days workshop in our college with their five trainers named as Mrs. Suvarna Katare, Mrs. Manisha Bhansali, Shri. Ratnakar Mahajan, Shri. Rajendra Bhutada and Shr. Sanjay Achalia.

The objectives of above workshop are as:

- To enhance self- awareness in girls that directly and indirectly improves their social status.
- To increase knowledge about maintaining self-esteem in girls
- To increase confidence among girls for self defense through practical tips.
- To generate ability in girls for balancing choices and making life decisions.
- To facilitate positive beliefs in girls about right friendship and handling temptations
- To sensitize parents for their adolescent child's developmental and emotional needs.

The workshop has been conducted under six educational modules to empowerment of girls:

1. Self-Awareness: It makes the girls realize their strengths and weaknesses and also helps them improve the strengths and control or reduce the weaknesses. This also guides them on how to bring about a positive change in their personality by self-questioning the social, physical and emotional aspects and critical observation of their roles, experiences and events in their daily life.

2. Communication and Relationship: It guides the girls on good communication skills and maintaining healthy relationships. Through this activity, the girls get to understand the causes of differences in opinion and their value in arriving at well-balanced decisions.

3. Menstruation and Hygiene: It focuses on physical aspects of their body, menstruation, hygiene, and nutrition. Topics, which all parents would like their children to know, but are not comfortable discussing at home are covered in detail and with scientific explanation. Healthy practices regarding menstruation are shared. This is being supplemented with health and nutrition knowledge.

4. Self Esteem and Self Defence: It gives an idea for each girl to increase value and self-respect for oneself. The environment around us subjects the girls to adverse incidents and events which may make them lose confidence in themselves. This session helps them to protect their self-esteem. The session on Self Defense teaches the basics of self-defense – both mental and physical. Goal of self defense is survival not winning.

5. Choices and Decisions: The girls develop an understanding that with the freedom to make a choice comes great responsibility and equips them to conduct themselves responsibly. Elements like time management, career planning, social media and technology and their impact on our lives is a part of this session.

6. Friendships and Temptations: Friendship and socializing is a basic need of humans. We just spot out what is important for us and what is not important. There is no need to hide good friendships from parents. It educates the girls on the temptations arising from friendship with boys, risks involved in internet surfing, Facebook uploads and social media interaction and alerts them on the best practices. Important aspects like differences between a good touch and bad touch, etc. are also covered. Everyone is unique, so shine like the whole universe.

At the last second session, a valedictory function was conducted in which some smart girls and parents expressed their thoughts and views in front of trainers on this two-day valuable workshop. All committee members of Vidyarthini Manch, Prevention and Protection of Person from Sexual Harassment and Gender equity have taken efforts for successful completion of this workshop.

Gender Awareness and training program

The Vidyarthini manch of R. B. N. B. College has organized "Gender Awareness and training program" on 8th January 2022 between 11:00am to 4:00pm. The aim behind organizing this program is to create awareness about sex and gender among the students and faculty members of our college also to bring awareness about equity and equality among students.

This training programme is possible due to the guidance and encouragement given by Hon'ble Principal Dr. N.S. Gaikwad Sir. The programme started with a lamp lighting ceremony by the dignitaries on the dais. At the beginning a welcome speech was addressed by Mrs. Pokharkar S. R. Vice principal of R. B. N. B. Junior College.

Hon'ble Mrs. Prajakta Avhad was the resource person for this Programme. She is president of Sanvedana sansthas, Chandigarh, Punjab, a non profit organisation which works in the sphere of gender issues with a focus on domestic violence and legal assistance for women. She expressed her happiness for conducting this kind of programme as it is essential to create responsiveness among the young generation for reducing gender bias in the present day societal circumstances. She spoke about gender, gender equality and inequality, problems of the gender inequality, major reasons for gender discrimination etc. She said about gender issues faced by the rural/semi rural society and particularly related in the education field. She also gave information about a gender awareness workshop, which was organised by Sanvedana sanstha. At the end resource person addressed and clarified the questions posed by the participants. The president of the event Hon'ble Meentai Jagdhane expressed her views on gender equality. She also tells the difference between sex and gender to the participants. She believes that gender equity should begin from our home itself. So it reduces gender discrimination in our society. The program was concluded by proposing the vote of thanks by Mrs. Annasaheb Gorane sir. It was attended by around 120 female and male students and faculty members from the college.

Department of English
Academic Year-2021-2022
Language Laboratory

1. Goal:

The career guidance is an important activity in the life of the students. With the intention to make students aware of the avenues available after the Graduation by providing exposure to different career paths, the Department of English has taken initiative in conducting the best practice for Career Enhancement through Language Laboratory.

The main objectives of the Language Laboratory are:

1. To equip and enhance the students with good communication skills.
2. To make them aware of the need of English in the technical and competitive world.
3. To prepare them for interviews and future job environments and opportunities.
4. To make the students competent enough to build and develop overall personality through communicative English
5. To enrich and enhance the written skills of the students.

2. The Context:

It is observed that language laboratory is the best medium to train students. Technology is bringing innovative changes in language laboratory and thus language laboratory is getting equipped with various language learning softwares. Now, English Language Laboratory is not the stockpiles of cassette tapes, CD players and microphones that some of the students experienced a decade ago. But, there are computer rooms with designed software to give students a unique and customizable learning experience.

Language Laboratory at the college is well equipped to foster and facilitate effective language learning. The use of the Interactive English software along with headsets with microphone is very useful for the students. These interactive tools are designed to enhance not only language teaching but also listening, speaking, reading, writing, class room grading and placement skills learning. The content meets the language learning needs of all different levels of proficiencies of the students.

3. The Practice:

India is becoming a global economy. The IT companies, educational institutes and media are conspicuously focusing on English language skills of the candidates. Employers do not expect candidates to be proficient in English with a rich and cultivated vocabulary. But, they expect from them is to have good sense of the language skills while communicating. With beautiful dreams and high spirits the students enter into the Graduation. They set their own goals, and take hard efforts in achieving them and getting placed in to a reputed organization which adds flavor to their life journey.

The college has well-furnished and a licensed Multilingual Interactive ETNL Language Laboratory Software (4.0 Version) in the department of English. The language lab is having one teacher console and 40 student consoles with necessary electronic equipments, like- L.C.D Projector, Smart Board, etc. The laboratory is effectively utilized by the students and faculty members for self-enhancements. The students of Functional English and Special English classes are using it for developing communication skills in reading, writing, speaking and listening, with the emphasis on grammar and vocabulary. This also facilitates to the teacher to conduct tests and assignments to evaluate the students' comprehension.

The language laboratory focuses computer-aided multi-media instructions and language acquisition to achieve the following goals

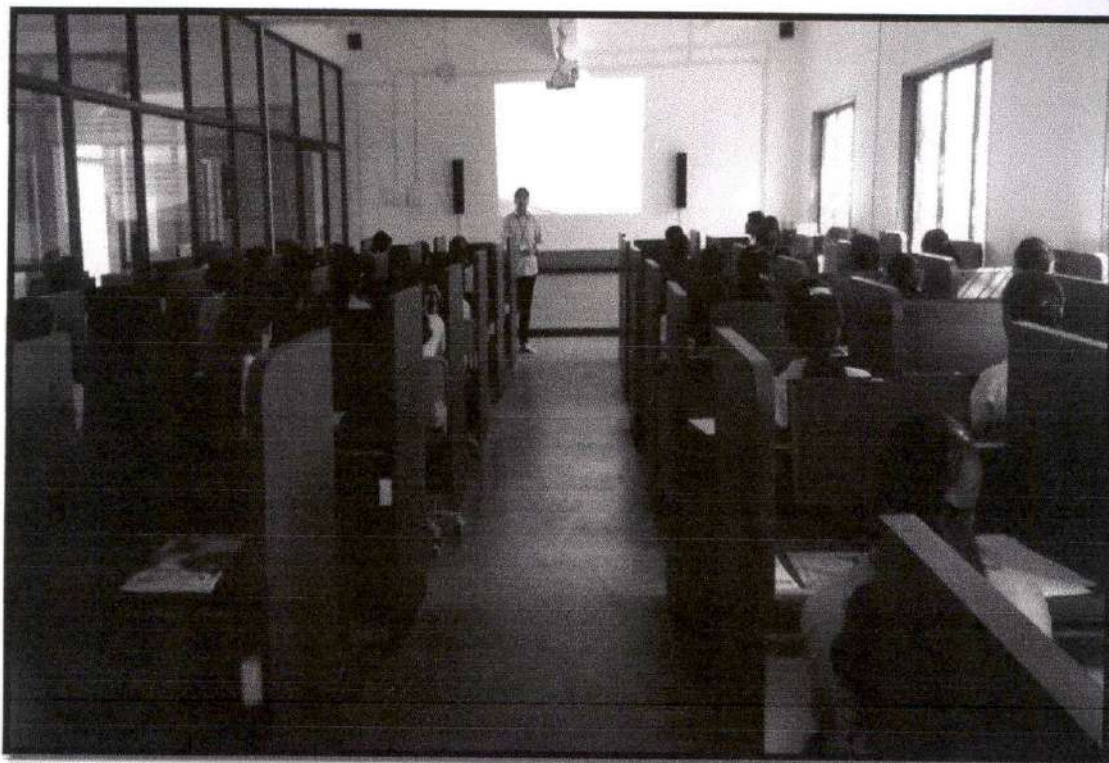

- To expose the students to a variety of self-instructional, learner friendly modes of language learning.

- To enable them to learn better pronunciation through stress on words, accent, intonation, and rhythm.
- To train the students to use language effectively to face interviews, group discussions and public speaking.
- To enhance the attention and listening skills of the students and train them linguistically fluent.
- To cope up with the education system and help the rural, non- English background students for career building.

English language laboratory practice:

- Introduction to Phonetics.
- Introduction to Vowels and Consonants and associated Phonetic symbols.
- Introduction to Accent, Intonation and Rhythm
- Situational Dialogues/Role Play
- Debate
- Public Speaking
- Group Discussions
- Facing Interviews
- Resume preparation
- e- Correspondence

1. Grammar of English Language: Practice and Exercises
2. Vocabulary Building Skills
3. Active Listening Skills
4. Introduction to Phonetic Sounds
5. Reading Comprehension
6. Business Letter Writing
7. Oral Presentations (Self Introduction, Extempore, Public Speech, Formal Presentation, Use of Audio-Visual Aids, etc.)
8. Group Discussion (Structured and Unstructured)
9. Mastering Presentation Tools (Microsoft Word and Power Point)
10. Preparation of and Appearing for the Interview
11. Situational Conversations
12. Understanding Importance of Body Language

Details of language laboratory:

Software: Multilingual Interactive ETNL Language Laboratory Software (4.0 Version)

Laboratory Location: 'I' Building, Hall No- 11, Department of English

Laboratory In charge (Hardware): Shri Computer, Shrirampur

Laboratory In charge: 1. Mr. S. L. Divekar
2. Mr. S. S. Vairal

Area: 800 sq. ft.

Consoles: A teacher console and 40 student consoles

4. Evidence of Success:

English Language Laboratory is stepping away from traditional drills and worksheets and getting the students more engaged in grammar and its functional usages. Teachers of the department are using it to cultivate decent pronunciation, to conduct guided study sessions, like- English-language videos, including movie trailers, news making , inspiring talks, etc. that come with clickable captions and built-in learning activities.

The Advanced Digital English Language Laboratory has provided an equal opportunity for the students. It also has offered psychological privacy to help even hesitant students to promote their speaking ability.

A linguistic interaction between the teacher and 40 students in the laboratory has become healthy because the necessary attention is given to each student. The Laboratory is effectively utilized by the students and faculty members for various self-enhancements. Laboratory has proved beneficial for those students who were weak in the use of English language. Students from rural background who are generally weak in English can have sufficient ear training in the language lab.

Majority of the students are selected in education, media, corporate, etc., and some of them have opted for PG as well as further education. We take pride in mentioning that most of our students are working in TBSS, Infosys and Conneqt as Customer Executives and Team leaders while completing their education from the department. As an outcome of Functional English course numbers of students are working as teachers in English Medium schools in the vicinity after completing their education. As a result of Soft Skills Development Programme many of the students have joined Civil Services, Administrative Sectors, Banking Sectors and various corporate sectors.

5. Problems Encountered and Resources Required:

Problems Encountered:

1. Socio- economic background affects a lot for the enrollment to the courses, like- Functional English.
2. The students from vernacular medium are not ready to take admission.

Resources Required:

1. Proficient and trained language Trainer.
2. Financial support from the govt

Approved

CERTIFICATE COURSE IN PSYCHOLOGICAL COUNSELING (BASICS)

Academic Year: 2021-2022

About the Rayat Shikshan Sanstha:

RayatShikshanSanstha, Satara founded by late Padmabhushan Dr. Karmaveer Bhaurao Patil in 1919, is one of the leading educational institutions in Asia. Karmaveer being the greatvisionary, worked with a motto **"Education through Self Help"**. The value of its contribution to education in general is enormously great as it has, from the very beginning, tried all its best to lay emphasis on the education of the down-trodden, the poor and the ignorant that really form the major bulk of society. The founder of the institution, late Dr. KarmaveerBhauraoPatil, was a man of the masses who devoted all his mind and heart to the cause of their education. He had an incisive understanding of the social ills that beset his times and fully realized the dire need of the spread of education. He believed that education alone could correct the social ills such as caste-hierarchy, money-lending, illiteracy, un-touchability, superstitions and social and economic inequality. Throughout his life he tried to translate this belief into reality. RayatShikshanSanstha spread over 15 Districts of Maharashtra and one District in Karnataka having 673 branches including 43 senior colleges, around 4.5 Lakh of students are benefitted educationally.

About the College:

R. B. Narayanrao Borawake College was established in June 1960 as a branch of RayatShikshanSanstha, Satara. The college has attractive campus spread over area of 42.37 acres of land in the vicinity of Shrirampur town. It provides quality higher education in Arts and Science streams at Graduate, Post-Graduate and Research level. Several major and minor research projects are undertaken by faculty resulting in a number of publications in National and International Journals. Every year institute imparts education to more than four thousands students. TheCollege reaccredited 3rd Cycle with 'A+' Grade by NAAC with CGPA 3.44in April, 2019.

College achieved milestone such as:

- NAAC Reaccredited 3rd Cycle 'A+' Grade (CGPA 3.44)
- Best College award of Savitribai Phule Pune University, Pune
- Rayat Mauli Award of Rayat Shikshan Sanstha, Satara
- DST-FIST Sponsored college
- ISO 9001:2008 Certified college

Department of Psychology:

Department of Psychology, R. B. Narayanrao Borawake College, Shirampur-413709, was established in May, 1960 as a general level and special level in June, 2013. M.A. in Clinical and Counselling Psychology was initiated in 2016 under the guidance of Dr. G. V. Lokhande who served as its head until 2020. At present the department is under the able leadership of Dr. Santosh B. Gaikwad. At present ours is the reputed post-graduate department of Psychology affiliated to Savitribai Phule Pune University, Pune having in- take capacity of 24.

The department of Psychology has laboratory set up according to the stated norms. It includes eight cubicles and discussion hall. The department is equipped with two classrooms, one fully furnished cabin for the HOD, a separate cabin for faculty members. The department also has hi-tech projector facilities, laptops, computers and internet facilities for the staff and the students.

The department has purchased 148 standardized Psychological tests; and 35 psychological instruments for experimentation purpose. Department has maintained a departmental library with 50 books which are donated by students and staff, these books are available for students. In the college library there are 450 Psychology books that cost INR 3, 12,955/-.

In 2013 the department took initiative in starting a Counseling Centre that provides (online and offline) psychological assistance to students, non-teaching, and teaching staff, and the needy in the community. Counseling cases including personal counseling, aptitude testing, career guidance, group counseling, etc. are also dealt with expert guidance.

Department conducts various curricular and Co-curricular activities like webinar, workshops on important psychological topics, seminars, conference, guest lecturers, regular interaction with the alumni, parents meetings, remedial teaching for students, Educational visits and tours, presentations of students on various topics, essay and quiz competitions etc.

Department has capable, active, and sociable faculty members. Apart from teaching, they are engaged in research, curricular and co- curricular activities.

Apart from academics, students of the department have excelled in the field of sports, literature, debates and social work etc. Some of the students have participated in many state/national levels various competitions. Some of our past students are working as lecturers and assistant professors in well-known institutions.

Students are encouraged to attend State and National level seminars and present, publish papers in and out of Maharashtra. Under-graduate and post-graduate students undertake research projects and participate in competitions like Avishkar. Students present research papers at State/National level seminars/conferences every year.
