**Best Practices (2021-22)**

---

**Best Practice- I**

**1) Title of the Practice: Promotion of Research**

**2) Objectives of the practice:**

- To inculcate a sense of research among the students.
- To provide seed money and incentives to the teachers and student scholars for research activities.
- To motivate the faculty to pursue Ph.D. and further research.
- To undertake guideship to create a number of research scholars.
- To establish linkages and collaborations with other institutions/industries and universities research.
- To encourage faculty members to participate and present their research papers in National and International Conferences/Seminars/Workshops/Symposiums.
- To embolden the faculty to apply for the major and minor research projects of UGC, CSSR, DST, BCUD, S. P. Pune University, Pune, etc.
- To publish quality research articles in UGC-listed journals, journals with good repute/impact factor.

**3) The Context:**

Science and technology play a pivotal role in the development of any country. India is being a developing country, promotion of research is very crucial. In any higher educational institute, knowledge creation is as important as knowledge transfer. This could be achieved, only by enabling the researchers to focus on their core research work with a support system and helping them to gain the necessary funding. The repute of any educational institution depends on Teaching-Learning-Research and Innovations. Therefore, promotion of research is a need of the time. The college initiates research activities through motivation and providing basic research facilities to the faculty and the students.

#### **4) The Practice:**

- The institution has a Research Advisory Committee and Academic Research Coordinator for promoting research culture in the staff and students.
- Faculty members are encouraged to participate and present their research papers in National and International Conferences/Seminars/Workshops/Symposiums for which the college provides financial assistance and also grants duty leave.
- Faculty members are motivated to publish good quality research articles in UGC-listed journals and journals with good impact factor.
- Faculty members are motivated to apply for research grants to different funding agencies.
- The college provides seed money and incentives to the faculties for the research activities.
- The college has established Instrumentation Facility Centre (IFC) under the DST-FIST scheme.
- The college provides computer and internet facilities, e-journals, INFLIBNET, DELNET, etc. for research scholars and teachers.
- Students are encouraged to participate in AVISHKAR, Innovative Idea Competition and Science Talent Search Examination.
- Students are encouraged to take research projects.
- The college organizes Seminars/Conferences/Workshops on various research themes.
- The college provides a Study Leave Facility for the teachers pursuing their Ph. D./M. Phil. degree.
- The college provides free access to anti-plagiarism software for research scholars and teachers.
- The college has established linkages and MoUs with Institutes/Industries for research and training, etc.

#### **5) Evidence of Success:**

After the implementation of the promotion of research as the best practice, the college has observed successful outcomes in research in the last few years. Presently, the college has **23** faculty members having Ph. D. degree. The college has **6** Research Centres for Ph.D. in the subject of Marathi, Economics, Chemistry, Botany, Political Science and Geography. **16** faculty members are recognized as Research Guides in various subjects. Seed money projects

have been sanctioned to the faculties for their research activities. Total **04** seed money projects are sanctioned in current academic year. **30** research papers are published by the faculties in reputed National and International Journals during the academic year 2021-22. Besides, faculty members published **18** books/chapters in edited volumes/books and **24** research articles published in international conference proceedings.

- The college provides incentives to the teachers for their extraordinary work in research.
- The college has established a well-equipped Instrumentation Facility Centre (IFC) under the DST-FIST scheme.
- Financial supports are provided to the faculty for attending Seminars/Conferences/Workshops, etc.
- The college has established **48** linkages and **23** MoUs for research, student on-the-job training, etc.
- The college has established “Soil and Water Testing Laboratory” and during this year, **23** samples were tested.

**6) Problems Encountered and Resources Required:**

- Laboratory facilities need to be strengthened.
- Fewer funds for research projects from UGC, BCUD, S. P. Pune University, Pune, etc.
- Skilled and trained persons are required in Instrumentation Facility Centre (IFC)

Sir,

Please refer to your application for Recognition as a Post Graduate Teacher & Ph.D. Research Guide of Savitribai Phule Pune University, I am directed to inform you that the University authorities have been pleased to recognize you as a Post Graduate Teacher & Ph.D. Research Guide of this University under the provision of Section 37(1)(e) of the Maharashtra Public Universities Act, 2016.

**The details of your recognition are as under :**

- You have been recognized as a **Post- Graduate Teacher (by Papers)** under the faculty of **Science and Technology** in the subject of **Chemistry** with effect from **22-09-2020** to till your age of superannuation or you are ceased to be in service of the Affiliated College/ Recognized Institute / Research Institute from where you had applied for the recognition as a Post Graduate Teacher.
- You have been recognized to guide **Ph. D.** Scholars under the faculty of **Science and Technology** in the subject of **Chemistry** for the period of eight (8) years with effect from **22-09-2020 to 21-09-2028** with following particulars:
  - Eight (8) Ph. D. Scholars, if you are a Professor.
  - Six (6) Ph. D. Scholars, if you are an Associate Professor.
  - Four (4) Ph.D. Scholars, if you are an Assistant Professor.

Geography has approved your research topic on "Study of Problems and Prospectus of  
Urbanization in Nashik District Maharashtra."

Your admission is now confirmed as per Ph.D. Rule 11.3. The details of your admission are

1. Subject : Geography
2. Faculty : Science & Technology
3. Guide : Dr. S. P. Cholke
4. Date of Registration :14/03/2018

Please also note that you will have to pay the fees prescribed as per the schedule. The  
first year fee will have to be paid within a month from the date on which your admission is  
confirmed. The successive year's fees will have to be paid within a month from the date of  
completion of each year.

Yours faithfully

This book describes the experimental details of the electrochemical process for the synthesis of Ni nanoparticles. We have used commercially available metal foils for the synthesis of Ni nanoparticles respectively. The variation in the particles size with respect to stabilizers has also studied. The Ni nanoparticles thus obtained were characterized by UV-Visible Spectroscopy, FTIR, SEM, EDS, TEM, FE-SEM and HR-TEM.

Here, we present nanostructured particles of NiO have been successfully synthesized by electrochemical reduction method using TEAB as capping agent at 16mA/cm<sup>2</sup>. The NiNPs were crystalline in nature and the average crystallite size was found to be 18.22 nm and 21.96 nm respectively. SEM confirms that the particles are in nano size and the appearances of particles are in irregular polygonal and spherical in shape. FE-SEM clearly indicates that particles are spherical and bucky ball like shape. TEM and FE-TEM confirms the cubic structure of synthesized nickel nanoparticles. From TEM images the Ni nanoparticles average size obtained was 22nm and 50nm. In NiO nanoparticles, inter planner spacing from SEAD pattern was in good agreement with XRD pattern.

The contents embodied in this book are with respect to, the complexes of Cu(II), Co(II), Ni(II), Mn(II) and Fe(III) synthesized from 2-amino-6-substituted benzothiazoles and their biological activities. The ligands and complex compounds are characterized by using various physicochemical methods. The conclusions drawn from the results obtained from various techniques can be summarized as follows:

- 1) Synthesis and Analytical Data of Ligands and their Metal Complexes.
- 2) Magnetic Susceptibility of the Complexes
- 3) Spectroscopic Studies of Cu(II), Co(II), Ni (II), Mn(II), and Fe(III) Complexes -
  - a) Electronic Absorption Spectral (EAS) Studies of the Metal Complexes-
  - b) Infrared (IR) Spectral Studies of Complexes
- 4) Thermal Decomposition Studies of Metal Complexes
- 5) X-ray Diffraction Studies of Complexes
- 6) Antibacterial and Antifungal Studies of 2-amino-6-substituted benzothiazoles and their Metal Complexes

**MEMORANDUM of UNDERSTANDING**  
Between  
**English Language Teachers' Association of India (ELTAI)**  
and

**Department of English**  
**Rayat Shikshan Sanstha's**  
**R. B. Narayanrao Borawake College, Shrirampur**

**PREAMBLE**

This Memorandum of Understanding (MOU) is entered into by **English Language Teachers' Association of India** hereafter 'ELTAI, and **Department of English, Rayat Shikshan Sanstha's R. B. Narayanrao Borawake College, Shrirampur**, with a registered address at **Shrirampur, Tal: Shrirampur, Dist: Ahmednagar, Maharashtra - 413709** and are referred to collectively, as "Parties" or individually as "Party."

**1. Purpose**

It is a matter of grave concern that the "visual" generation of today has strayed away from the reading culture – a skill recognized as the mother of all skills. Even when they happen to read, they seem to be mostly flipping through non-serious texts. Hence, the primary purpose is to motivate them to reading culture and make it a lifelong habit.

It is essential to prepare our youth in accordance with the expectations of the futurists who look for the Twenty First Century Skills. Youth need to achieve a reasonable degree of competence in creative thinking, critical thinking, design thinking, emotional and social intelligences and other related cognitive skills which can be developed through reading. If it cannot

04

be developed during the school/college days there is no possibility of cultivating the habit ever in one's lifetime.

The purpose of this MoU is to define the roles and responsibilities for driving the **ELTAI Reading Club** in which the Parties desire to work together for inculcating reading skills amongst the learners.

## **2. Scope**

This MoU sets forth the intentions of the Parties for increased collaboration, cooperation and interaction and does not create any legally binding commitments.

## **3. The Parties intend to:**

- 3.1 To promote reading skills amongst learners/teachers in their areas of interests.
- 3.2 To co-operative in Joint research programmes in areas of mutual interest.
- 3.3 To encourage collaboration and cooperation of projects related to **Reading** from the user communities associated with each Party.

## **4. General Provisions**

- 4.1 As stated above, any specific joint projects with legally binding obligations will be set forth in separate written agreements.
- 4.2 Treatment of Intellectual Property Rights developed through collaborations under this MoU will be determined between the Parties through mutual consultation and separate written agreements on a case-by-case basis.
- 4.3 As per the guidelines of Long Term Membership fees for Institution and Five Teachers, **Rs. 19,000/-** will be sent to ELTAI, Office, commencing from **1<sup>st</sup> April 2022**.

## **5. Confidentiality**

The parties agree that there is no intention to share any confidential

or proprietary information in any collaboration under this MoU. If either Party wishes to disclose information it considers to be confidential or proprietary to the other Party, the Parties will enter into a written non-disclosure agreement. It is also understood and agreed that no information will be exchanged or disseminated under any collaborations pursuant to this MoU which is not as per laws of government and its relevant legislations.

#### **6. Roles and Responsibilities**

**Department of English, Rayat Shikshan Sanstha's R. B. Narayanrao Borawake College, Shrirampur**

- 6.1 The Institute/College to become a long term Member of ELTAI along with 5 (individuals/teachers/others) long term members from the Institution.
- 6.2 To provide space with proper seating arrangements for students and resource persons from inside and outside the campus to meet regularly.
- 6.3 Build a library with students' contributions— donating books of interest that lie idle at home, donating books on the occasions such as their birthdays.
- 6.4 To make two leading English newspapers and two magazines available at the reading centre.
- 6.5 To provide bookshelves and assistance in issuing and returning of the books. (to be managed by the students)
- 6.6 To motivate the students for reading 100+ books of their choice, (in about 3-4 years) as their interests range from sci-fi to adventure to romantic writings, besides a number of short stories (with/without audio) and short articles.
- 6.7 To provide the audited statement of books purchased and monthly report of the activities under ELTAI Book Reading Club.

- 6.8 To meet the travel cost of resource persons sent by ELTAI for the workshops, if any, conducted by ELTAI for teachers of the school / College, besides providing them with free accommodation and local hospitality.
- 6.9 To provide assistance in organizing any event on virtual platform.
- 6.10 To depute at least two teachers to attend our annual conference every year.
- 6.11 To undertake research projects in collaboration with ELTAI and apply for aid from the UGC and/or ICSSR.
- 6.12 To host programmes organized by ELTAI.

#### ELTAI

- 6.13 ELTAI is to share a researched-based reading framework incorporating audio materials, e-texts, printed texts of different kinds depending on the interests of different learners. The texts would range from the canonical to contemporary literature, mass media and social media texts to cater to the demands of students. It is to be, to a greater extent, learner-driven and learner-managed event under the guidance of the faculty members.
- 6.14 Learners are to meet frequently to interact among themselves and resource persons from various organisations/institutions are to be invited to motivate them as often as possible to sustain their interest.
- 6.15 Learners to maintain a logbook to record the titles they have read and a brief review of them. Two students who read the maximum number of books in a year are to be given prizes at the college function (college day / founder's day).
- 6.16 Draw the latest findings from organisations such as International reading association (International Literary Association, USA based) to positively impact readers.

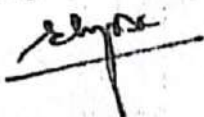

- 6.17 Learners are to become the influencers of even reluctant readers. Observe some of the important activities such as international reading day, international reading week, and international reading month and so on.
- 6.18 To Sponsor the most promising readers to international reading association conference held annually in the US.
- 6.19 ELTAI to provide the financial assistance of Rs. 5000/- to purchase books only after signing the MoU for one time.
- 6.20 To utilize the services of teachers of the School/Institute/College to serve as resource persons for conducting programmes elsewhere.
- 6.21 To exempt the registration fee of two deputed members of faculty as per section 6.9.

#### 8. Duration

This MoU shall be effective for a period of two (2) years from the date of final signature. It may be modified or extended by mutual written agreement by the Parties. This MoU may be terminated by either party upon six (6) months advance written notice.

**The Parties to this Memorandum of Understanding hereby confirm their agreement to its terms by the following signatures:**
