FROM THE PRINCIPAL'S DESK

It gives me immense pleasure to welcome and introduce you to Rayat Shikshan Sanstha's R.B.Narayanrao Borawake College, Shrirampur. Since 1960 college is imparting quality education in Arts and Science to the rural masses. The founder of the Sanstha, Dr. Karmaveer Bhaurao Patil had an incisive understanding of the social ills that beset his times and fully realized the dire need of the spread of education as a panacea for all the social ills. From its beginning, Sanstha had laid its emphasis on the education for the downtrodden and the poor that really form the major bulk of the society.

Today, R.B.Narayanrao Borawake College, Shrirampur Graced with A+ grade by NAAC in its 3rd Cycle (CGPA 3.44) ISO 9001:2015 has left an indelible mark of quality in the academic world. Since its establishment the college is taking high strides in achieving its success. Though the college is situated in rural vicinity still it is in possession of State-of-the-Art infrastructure which adds grandeur in the beauty of the college. The college is spread over 42.37 acres of lush green land. We provide quality higher education in Arts and Science streams at graduate, postgraduate and research level.

The college runs 14 UG, 15 PG, and 4 research programs and functional 19 different short-term courses to cater the diverse needs of the students from the rural vicinity.

I feel proud to acknowledge the devotion and contribution of our highly qualified, dynamic, energetic, multi-faceted, multi-talented faculty, a non-teaching fraternity of the college who always strive for the betterment and development of the college in the academic world.

We also endeavor to provide our students with an ambiance, rich in knowledge and favorable to their physical, mental, social and intellectual growth and development. At the outset, the college strives to instill values like morality, sympathy, truth, spiritual development, humanity, integrity, honesty, democratic sense, equality, universal brotherhood, and welfare to lead them towards their holistic development.

I feel honored to mention that the management of the college has a noble and virtuous vision and is constantly motivating the college to attain its vision and mission. With the motto of RayatShikshanSanstha and under the able guidance of the management, I am sure college will definitely prove to be on the high pedestal in the coming future.

We implemented the asynchronous teaching and learning through YouTube lectures in the covid-19 pandemic period. It was a great challenge to provide education in pandemic situation to the needy students in adverse condition of online teaching. It not only benefitted the students of our college & University but also users across the nation. At present the number of videos uploaded on the You Tube channel is –1. Arts- 1001 2. Science-800 Total- 1801, Overall-3650

Thank You,

DR. P.V.BADADHE

I/C Principal,
