Best Practices (2022-23)

Best Practice- I

1) Title of the Practice: Green Campus Initiatives.

2) Objectives of the practice:

- To promote awareness of environmental issues among the students, staff, and society.
- To achieve better sustainability on the campus and improve the quality of life of all the Stakeholders.
- To conserve water resources through rainwater harvesting.
- To plant rare and medicinal/herbal plants on the college campus.
- To implement the 3 'R' (Reduce/Reuse/Recycle) policy on the campus.
- To enrich organic farming activity to avoid the use of pesticide-based vegetables.
- To use renewable energy resources (solar energy).
- To support and implement "Swachh Bharat Abhiyan" for healthy India.
- To organize seminars/workshops, expert lectures, etc. on environment-related issues.

3) The Context:

Now a day, clean environment is a basic need of human beings for a healthy life. The main aim of the practice is to impart knowledge, create awareness, and to develop an attitude of concern, and nurture the necessary skills to handle environmental and pandemic issues. The semi-urban region and green landscaping of our college are the necessary features for shaping and sustaining an eco-friendly campus. The college is spread over 42.27 acres of lush green area. The campus is an abode of wildlife species which has provided the context for initiating and imparting the practice for an eco-friendly campus.

4) The Practice:

- The college conducts periodically a green audit by external peers. The objective of the green audit is to promote Environment Management and Conservation on the college campus and introduce and aware students of the real concerns of the environment and its sustainability.
- Department of Botany has conducted programs for labelling the plants on the college campus.
- Department of Zoology has developed Vermicomposting unit on the campus.
- Solar street lights along the roadside on campus are also installed and used efficiently.
- The college is using renewable energy like solar energy for water heaters in girls and boy's hostels.
- The college has installed a Solar Power Generation Plant of 53 kWh.
- Effluent Treatment Plant (ETP) has been installed for the treatment of effluent generated from Chemistry laboratories.
- In this year Rs. 3.81 Lakhs have been incurred on green initiatives and waste management on the campus.
- Our institution has made the MoU's with Amol Scientific Glass Works, Babhaleshwar Tal. Rahata and Karimbhai Raddiwala Depot, Shirampur respectively for proper disposal, recycling and reuse of raw glass materials and raw papers (Raddi).
- The college organizes seminars, workshops, expert lectures etc. on various challenging environmental issues.
- The energy audit of consumption of electricity in the college is conducted periodically by Aditi Engineering Services, Nashik.
- The objective of the audit is to identify energy consumption and conservation opportunity.
- The college has conducted Green Audit of the campus during the academic year 2022-23.

5) Evidence of Success:

This best practice has proven to be successful through the following activities:

- Through periodical tree plantations, Flora and Fauna on the campus have enriched, which has turned into an eco-friendly campus.
- Awareness campaign for the plastic-free campus through signboards/display boards made campus plastic-free.
- Through the Effluent Treatment Plant (ETP), effluents from the Chemistry laboratory are recycled and treated water is utilized for different purposes.
- Vermicomposting units helped us to convert solid waste into organic fertilizers which have minimized the solid waste on the campus.
- The college has introduced UGC-funded Career Oriented Courses such as Vermicomposting and Rain Water Harvesting.
- “No Vehicle Day” helps us to minimize the air pollution on the campus.
- Through workshops/ seminars/expert lectures/ NSS/NCC activities, students are made aware of environmental issues.
- Green audit and Energy audit of the campus are done periodically and regularly.
- The Langstroth Hive Boxes are placed in the botanical garden for the conservation of honey bees and effective pollination of flowering plants.

6) Problems Encountered and Resources Required:

- Green Campus initiatives are challenging so it requires determination and a long-term assurance from all the stakeholders.
- Green Campus initiative is a rather expensive practice. It needs expert advice and investment of resources.
- Less awareness of students and the community towards environmental issues.

Effluent Treatment Plant (ETP)

R. B. Narayanrao Borawake College, Shrirampur

Department of Chemistry ETP-Effluent Treatment Plant

Introduction

Effluent treatment plant cleans industrial effluents, Laboratory waste water, contaminated water from rivers and lakes, and so on just in order to reuse the water for additional purposes. Along such lines, water is reutilized and sustained. In fact, such gushing treatment ensures that any contaminant will be expelled from the water making it reusable. It is mostly used in industries such as pharmaceuticals, textiles, tanneries, and chemicals where there is a chance of extreme water contamination. Nevertheless, how this treatment will be applied may vary from industry to industry. Such treatment plant ensures that the contaminated and polluted water from industries get treated and become reusable before being released back to nature. Without this treatment, it won't be possible for humans to get clean usable water for household chores.

Applications of ETP

1. Food and processing industries
2. Pharmaceutical industry
3. Textile and Paper industries
4. Automobile industries
5. Textile and dye industry
6. Dairy and Beverage industries

Problem encountered and resources required

The problem of lack of technical assistance and trained personnel. The lack of space as the centralized facility can be planned in advance to ensure that adequate space is available. The problems of monitoring for the pollution control boards. To organize the disposal of treated wastes and sludge and to improve the recycling and reuse possibilities as once individual units are required to pay for waste treatment/disposal, they tend to adopt means to reduce waste generation. Chemicals are costly and require continuous power supply. Chemistry department staff and students shows active involvement in this project.

Objectives

1. To improve quality of waste water.
2. To eliminate the pollutants and toxicants from the waste water.
3. To preserve the water quality of natural water resources.
4. To make wastewater usable for other purposes.
5. To prevent the harmful diseases.
6. To reduce the treatment cost for individual units while protecting the environment.

This is to certify that the Environmental green Audit Report of 2022-2023 prepared by Bio-Geo Consultancy with due cooperation of the principal and staff of Rayat Shikshan Sanstha's R. B. Narayanrao Borawake College, Shrirampur, Tal.-Shrirampur, District- Ahmednagar - 413719, India, is prepared by following appropriate procedures, methods, knowledge and expertise in the field of Environmental Sciences.

We were actively associated with the process of collecting data and documentation of trees, bushes, grass cover and soils causing carbon sequestration. I have also conducted workshops of students and teachers on methods of quantification of biomass and Environmental Green Audit.

I wish a great future to the college and expect that the students and staff would be enthused to reduce carbon footprint by adopting methods of conservation of soil, water, plants and energy within the college campus and in society as well.

Best Practice - II
for
Academic Year 2022-23

Departmental Club

Rayat Shikshan Sanstha's
R. B. Narayanrao Borawake College, Shrirampur

Best Practices (2022-23)

Best Practice - II

1) Title of the Practice: Departmental Club.

2) Objectives of the practice:

- To encourage the students for participation in various events organized by the Department.
- To impart skills for development and enhancement of personality of students.
- To improve communication skills and decision-making power.
- To enhance spirit of competition among the students.
- To make students feel accepted and valued for their talents and abilities and stimulate their interest and motivation.

3) The Context:

The institution is devoted to provides holistic and value-based education to our student. Majority of our students belongs to rural area. These students face several problems such as lack of motivation, self-esteem, communication skills, competitive spirit, etc. These students are more likely to leave higher educational institutions without completing their degree course. Additionally, in many cases, the entry level marks are average or below average. Analysing the student profile and to sensing the motivational needs, the institution introduced Departmental clubs. These clubs help student to gain knowledge, skills and experience in leadership, communication, problem-solving, group development and management, finance, presentation and public speaking. As a result, the students are motivated, gain self-confidence and perform well in both academic and non-academic areas.

4) The Practice:

The Departmental clubs were introduced to provide extracurricular opportunities and to facilitate practical learning among the students. At the beginning of academic year, Departmental clubs are formed at every Department level. The various programmes and activities such as study tours, workshops, training programmes, poster presentation competition, anchoring programme, research awareness programme, workshop on NET-SET guidance, Debate, Elocution, Essay and Quiz competition, Workshop on Academic Bank of Credit, quiz competition etc are organized. These programmes and activities pushed the student beyond the curriculum and enable students to participate and discuss the concepts from different backgrounds to which they are not familiar.

5) Evidence of Success:

During this academic year, college has successfully implemented this practice. All the activities are organized at the Department level under Departmental Clubs and students were actively participated. News of some programmes are published in the local newspapers. Geo-tagged Photographs, Certificates, Student Attendance and the Report of activities were preserved.

6) Problems Encountered and Resources Required:

- Efforts are made to increase the involvement of maximum number of students in each programme organized by the respective departments.

Abstract of activities organized under Departmental Clubs

Rayat Shikshan Sanstha's, R. B. Narayanrao Borawake College, Shrirampur has set up the "Departmental Clubs" from the academic year 2022-23 and performed number of activities under these Departmental Clubs. The main aim for implementing this activity is to enhance the overall personality of students and encourage them for participation in various events organized by the Department. The various programmes and activities such as study tours, workshops, training programmes, poster presentation competition, anchoring programme, research awareness programme, workshop, Debate, Elocution, Essay and Quiz competition, Workshop on Academic Bank of Credit, quiz competition on New Education Policy (NEP-2020) were organized.

During academic year 2022-23, many activities are organized by every Department and some of them are mentioned here. Department of Chemistry organized one-day workshop on "Career Opportunities in Pharma Industries", Essay Competition on the occasion of National Science Day and NET/SET Workshop for PG students. On the Occasion of International Year of Millet, Department of Botany organized guest lecture on "Millet". Study tour at "Western Ghat" for familiarization with various plants. Computer Science organized the one-day seminar on "Use of MS-Office" On the Occasion of International Pi Day, Department of Mathematics organized "Poster Competition", NET/SET workshop etc. On the Occasion of World Radio Day, Physics Department organized "Poster Presentation". Department of Zoology has conducted various activities such as Biodiversity Festival, Scientific Rangoli, Quiz Competition, Poster competition, insect collection, Specimen exhibition etc. Statistical Quiz Competition was organized by Statistics Department. Department of Marathi has organized guest lecture on occasion of "Marathi Diwas". History Department has organized Study Tours and group discussion on "Role of Women's in Family". Department of Geography organized

guest lecture on “Water Conservation” and study tour at “Raigad Fort”. Department of Political Sciences organized workshop on “Academic Bank of Credit”, essay competition & Street play on occasion of Voters Day Programme”. Department of Economics has organized guest lecture and poster presentation on “Union Budget” and conservation of MODI Script. Department of English organized guest lecture on “Entrepreneurship Development” and Opportunities in IT Sector and Department of Psychology has organized poster presentation on the occasion of World Mental Health Day.

Students are actively participated in the various programs conducted through Departmental Clubs and acquired technical skills and knowledge. Departmental Club activities helped students for their overall development.

'How to Crack CSIR-UGC NET/SET/GATE Competitive Examinations in Chemical Sciences'

Date: 17/03/2023

Activity Report

Internal Quality Assurance Cell (IQAC) and Department of Chemistry of R.B. Narayanrao Borawake College, Shrirampur had organized One Day Online National Level Workshop on 'How to Crack CSIR-UGC NET/SET/GATE Competitive Examinations in Chemical Sciences?' on 17/03/2023 through Zoom online platform.

(Link: <https://us02web.zoom.us/j/85976504829?pwd=Mm93WEk4MIJSSUpleVh1TmtESGtzUT09>)

The objectives behind the organizing workshop were;

- To provide a platform where aspirants can clear their doubts and queries about NET/SET/GATE examinations.
- To understand the question pattern and revised syllabus structure of CSIR-UGC NET/SET/GATE examinations.
- To discuss the most important topics from the syllabus.
- To have a discussion on how to attempt the papers.
- To discuss some easy tricks for qualifying Crack CSIR-UGC NET/SET/GATE Competitive Examinations in Chemical Sciences.

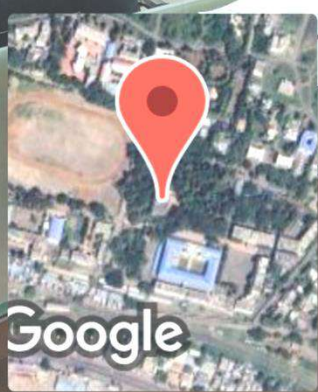

The Resource Personnels for the workshop were;

1. Dr. Santosh T. Shinde (Assistant Professor, Department of Chemistry, Annasaheb Awate College, Manchar, Tal-Ambegaon, Dist. Pune)
2. Mr. Pankaj H. Naikwadi (Assistant Professor, Department of Chemistry, Agasti Arts, Commerce and Dadasaheb Rupwate Science College, Akole, Dist. Ahmednagar)

The workshop began at 11.00 am with the introduction of resource persons by Dr. D.B. Bankar which followed an inaugural speech by Prin. Dr. P.V. Badadhe. The Principal highlighted the importance of SET/NET/GATE examinations to the students and the need for its effective preparation.

Mr. Pankaj H. Naikwadi, addressing the participants during the second session

Hon'ble Dr. A.N. Jagdale (Associate Professor and Head, Department of Chemistry) and Hon'ble Meenatai Jagdhane (Chairman, College Development Committee and Member, Managing Council, Rayat Shikshan Sanstha, Satara) have expressed their best wishes for the Workshop.

First session was delivered by Dr. Santosh T. Shinde. At the outset he explained the examination pattern and marking scheme of CSIR-UGC NET/SET/GATE examinations in Chemical Sciences. Thereafter, he discussed plenty of questions from organic and inorganic chemistry from the previous question papers and also suggested important references required for the preparation of such exams.

In the second session, Mr. Pankaj H. Naikwadi delivered a very useful talk on logical tricks in organic, inorganic and physical chemistry. He nicely explained many important topics from the syllabus of CSIR-UGC NET/SET/GATE examinations. He highlighted several sub topics in the chemistry and also talked about supporting information regarding reference books and previous question papers. Students are highly motivated by these expert talks. Finally at the end of workshop, a vote of thanks was proposed by Dr. S.S. Karhale. Anchoring of the workshop was done by Dr. A.A Agale. Total 134 participants attended the workshop.

Invitation

Dear Students and Colleagues, it gives us immense pleasure to cordially invite you to participate in One Day Online National Level Workshop “How to Crack CSIR-UGC NET/SET/GATE Competitive Examinations in Chemical Sciences” organized by IQAC and Department of Chemistry of R.B. Narayanrao Borawake College, Shrirampur, Dist-Ahmednagar, Maharashtra. We hope that your participation will help us to make the Workshop a great success.

About the Rayat Shikshan Sanstha

The Rayat Shikshan Sanstha is one of the leading educational institutions in Asia. The value of its contribution to education in general is enormously great as it has, from the very beginning, tried all its best to lay emphasis on the education of the down-trodden, the poor and the ignorant that really form the major bulk of society. The founder of the institution, late Dr. Karmaveer Bhaurao Patil, was a man of the masses who devoted to the cause of their education. He had an incisive understanding of the social ills that beset his times and fully realized the dire need of the spread of education. He believed that education alone could correct the social ills such as caste-hierarchy, illiteracy, untouchability, superstitions and social and economic inequality. Throughout his life, Dr. Karmaveer Bhaurao Patil tried to translate this belief into reality. He was a great humanitarian who endeavored hard to educate the masses to bring a kindly light of hope in their lives of misery and ignorance. He realized that the social ills could be remedied through the education of the masses alone and laid the foundation of the Rayat Shikshan Sanstha by opening a Boarding House at Kale (Tal-Karad, Dist-Satara) in 1919. Soon, however, in 1924 he shifted the head-quarter of his educational institution to Satara.

Today, Sanstha runs 42 senior colleges, a newly added 1 research institute, 438 secondary schools, 8 training colleges, 42 primary schools, 31 pre-primary schools, 80 cosmopolitan hostels, 7 administrative offices, 8 Ashramshalas, and 57 ancillary branches. It is spread over in 15 districts of Maharashtra and 1 district of Karnataka with 14627 employees and around 4.5 Lakhs of students are catered with their educational needs.

About the College

R. B. Narayanrao Borawake College, Shrirampur is one of the leading educational institutes, which was established on 15th June 1960 as a branch of Rayat Shikshan Sanstha, Satara. The college is permanently affiliated to Savitribai Phule Pune University, Pune (Formerly known as University of Pune, Pune) and situated in Shrirampur a rural Tahsil of Ahmednagar district in Maharashtra State. The college campus is spread over an area of 42.27 acres. It provides quality higher education in Arts and Science streams at graduate, postgraduate and research level. The college runs 15 UG, 16 PG, and 06 research programs in the subjects of Marathi, Economics, Chemistry, Botany, Geography and Political Science. The college is approved under section 2(f) and 12(B) of the University Grants Commission (UGC) act. The college has achieved the milestones such as;

- ❖ The Best College Award by the S.P. Pune University, Pune.
- ❖ Rayat Mauli Award of Rayat Shikshan Sanstha.
- ❖ Karmaveer Award of Rayat Shikshan Sanstha.
- ❖ The Best Principal Award of S. P. Pune University, Pune in 2008 and 2019.
- ❖ DST-FIST Recognized and ISO: 9001-2015 Certified College.
- ❖ The college Annual Magazine Purti awarded with Best College Magazine Award by S. P. Pune University in 2013-14 and 2019-20.
- ❖ The College Reaccredited A⁺ Grade in 3rd Cycle by NAAC with CGPA 3.44 in 2019 in new methodology.

Objectives of the Workshop

- ❖ To provide a platform where aspirants can clear their doubts and queries about NET/SET/GATE examinations.
- ❖ To understand the question pattern and revised syllabus structure of CSIR-UGC NET/SET/GATE examinations.
- ❖ To discuss the most important topics from the syllabus.
- ❖ To discuss on how to attempt the papers.
- ❖ To discuss on some easy tricks for how to Crack CSIR-UGC NET/SET/GATE Competitive Examinations in Chemical Sciences.

Instructions to the Participants

- ❖ Participants are expected to attend and participate in all the sessions.
- ❖ E-certification will be granted based on the attendance and feedback form completion.
- ❖ Sessions will be conducted on Zoom.
- ❖ Meeting ID and Passwords will be shared before the session day on Telegram group.
- ❖ Participant should join the Telegram group for further details by clicking the link <https://t.me/+zSvropF18-FjOGI9>

**Activity Report**

Name of Activity	National Online Chemistry Quiz Competition-2023
Activity Date	Sunday, 26 th February 2023
Time	12.00 noon
Type of Participant	UG and PG student all over India
No. of Participant	237

National Online Chemistry Quiz Competition-2023 was organized by Department of Chemistry in collaboration with IQAC, R. B. Narayanrao Borawake College, Shrirampur on 26th February 2023 at 12.00 noon to 1.00 p.m. The objectives of the activity were:

- To evaluate the Chemistry knowledge of the participants within students of UG and PG to make them familiar with the prospects of quizzes and the objectivity of the questions.
- To develop interest in subject areas of Chemistry including competitive aspects.

The online Quiz was open for all UG and PG students from all over the India. The notification of quiz competition was given by various social media platform viz. Whatsapp, Telegram, facebook etc. and personal messaging. The students were encouraged for participation in quiz by the faculties of college as per directives from Dr. A. N. Jagdale, HoD, Department of Chemistry. A telegram group was created to share important information with participants. Around 732 UG and PG students joined to telegram group, out of which 237 participants appeared to quiz from diverse part of India. Link to the quiz was provided on telegram group at 12.00 noon and closed at 1.00 pm. The quiz comprised 25 diverse multiple choice questions from Organic Chemistry, Inorganic Chemistry, Physical Chemistry and General Chemistry. The scorecard of quiz was published at 4.00 pm on the same day. Mr. Gagare Narendra Balasaheb from New Arts Science and Commerce College Ahmednagar secured first rank and won cash prize of 1500/- Rs. Ms. Waditake Anjali Rajendra from R. B. Narayanrao Borawake College, Shrirampur stood second and won cash prize of 1000/-. Ms. Doke Snehal Dipak from Arts Science and Commerce College Indapur secured third rank and won cash prize of 700/- Rs. Hon. Meenatai Jagdhane (Member, Rayat Managing Council and Chairman, Rayat Sankul Shrirampur), Hon. Prof. Dr. P. V. Badadhe (Principal, R. B. Narayan Borawake College, Shrirampur) and Hon. Dr. A. N. Jagdale (Head, Department of Chemistry) gave their best wishes to winners and all participants. Dr. D. B. Bankar, Dr. S. P. Kunde, Mr. C. A. Timane and all faculty members gave key contribution for the success of this activity.

(On the occasion of Science Day 2023)

Notice

Date: 28/02/2023

Department of Chemistry has organised an Essay competition on the occasion of Science Day 2023 for T. Y. B. Sc. (Chemistry) and M. Sc. Part I, II Chemistry students. All students are encouraged to participate in this competition. Below are the topics you may choose from. Essay has to be hand written in English on a full scape paper, word limit is 1000-1200 words. Give proper referencing wherever needed.

Three winners will be selected and they will get exiting prizes and certificates. All other participants will also get a certificate of participation.

Topics for the competition are:

- 1. Global Science for Global Well-being**
- 2. Climate Change: Causes, Consequences and Possible Solutions.**
- 3. Carbon Neutrality: Challenges ahead for India.**
- 4. Chemistry and Environment: from a day-to-day life Perspective**

Submit your essays to Mr. Timane C. A. **on or before 3rd March 2023**. You should clearly mention your name, class, email-id on the top.

Activity Report

Name of Activity	Hands on Training and Career Opportunities in Pharma Industries
Activity Date	24 th April, 2023
Time	11.00 am
Type of Participant	PG Students of Chemistry Department
No. of Participant	82

The Department of Chemistry and the Placement Cell of R. B. Narayanrao Borawake College jointly organized one-day workshop on "Career Opportunities in Pharma Industries On 24^h April 2023. Mr. Datta Thopate, director Chemsar Research Institute was keynote speaker of workshop. The workshop aimed to provide students with valuable insights into the varied career prospects in the pharmaceutical sector.

The program commenced with a moment of homage to the great visionary and social reformer, Karmveer Bhaurao Patil, through garlanding as a mark of respect and gratitude for his contributions to education and society. Dr. Pravin Badadhe, the Incharge Principal of the college, gracefully chaired the event, emphasizing the significance of workshop in guiding students towards making informed career choices and encouraging them to explore opportunities in the pharmaceutical industry.

The program proceeded with an introduction to the esteemed speaker and the lecture's agenda, delivered by Dr. Amarnath Jagdale, the Head of the Department of Chemistry. This introduction shed light on Mr. Datta Thopate professional expertise and accomplishments in the pharmaceutical sector, fostering excitement and anticipation among the students.

The keynote Speaker Mr. Datta Thopate, fascinated the students with his intense knowledge and industry insights. He spoke at length about the evolving landscape of the pharmaceutical sector, emerging trends, and the career opportunities available to aspiring individuals. Students were enriched with valuable information regarding research and development, quality control, regulatory affairs, marketing, and various other domains within the pharmaceutical industry. Following the lecture, a lively interaction session allowed students to pose their queries, which Mr. Datta Thopate graciously addressed, further enriching their understanding and enthusiasm.

Dr. Sachin Kunde, placement cell coordinator delivered a heartfelt vote of thanks. He expressed gratitude to Mr. Datta Thopate for sharing his knowledge and experiences, Dr. Pravin Badadhe and Dr. A. N. Jagdale for his support and all the faculty members, students, and attendees for making the event a resounding success.

The workshop on " Hands on Training and Career Opportunities in Pharma Industries " proved to be a highly educational and inspirational event, offering students valuable insights and

guidance for their future activities. The efforts of the Department of Chemistry and the Placement Cell in organizing such events are commendable, as they continue to empower students with the knowledge and exposure necessary to make informed career choices.

BOTANY CLUB

Formation of Botany Club:

The club was formed on 06/06/2022 under the guidance of Head of the Department Dr. A.K. Mohite. Botany is established in to motivate and stimulate young minds. It will platform to students to showcase their knowledge. The teachers will also get the opportunity to create awareness, build attitude and help students to take up activities.

Botany Club Composition:

Sr. No.	Name	Designation	Position
1	Dr. A. K. Mohite	Professor & Head Department of Botany	Chairmen
2	Dr. K.W. Pawar	Associate Professor	Member
3	Miss K.S. Popere	Assistant Professor	Co-ordinator
4	Dr. P. D. Jadhav	Assistant Professor	Member
5	Mr. S. G. Chavan	Assistant Professor	Member
6	Miss Chaudhari Ishwari	S.Y. B.Sc. Student	Member
7	Miss Saniya Tamboli	T.Y. B.Sc. Student	Member
8	Miss Harshada Ranchod	M.Sc. - I Student	Member
9	Mr. Saurabh Amolik	M.Sc. – II Student	Member

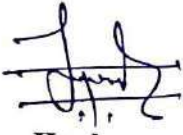

Objectives:

- To develop an aptitude towards science and nature and develop a general interest in Botany.
- To stimulate active participation and initiative among student in learning process.
- It will encourage individual and group activities among the students.
- It will create awareness and impart knowledge of Biodiversity conservation and environmental issues.
- It will develop logical and independent thinking in students.
- It will develop habits of exploration and creative Faculties.

Following activities were Carried out under the Botany Club:

1. Identification and Preparation of QR code for plants
2. Guest lecture on millet
3. Botanical excursion
4. Science day celebration
5. Industrial visit
6. True hands - on DNA Workshop
7. Short term course-mushroom cultivation
8. Add- on course-Fruit Processing Technology
9. Tree Plantation Programme

Identification and Preparation of QR code for plants

Report:

On 7th November 2022 Identification and Preparation of QR code for plants in college were performed. Survey of the plants in the campus were carried out by the members of Botany club. The barcode contains detailed information of the plant like vernacular name, Botanical name, Economical and Medicinal Importance. In order to identification of plants to laymen, we prepared name plates of every tree plant within campus with QR code. It is helpful to know the botanical name as well as medicinal use of the different plant species.

GUEST LECTURE ON MILLET

REPORT:

Food and Agriculture Organization and United Nations has recognised 2023 as International Year of Millets or IYM2023 for awareness about health and nutritional benefits of millets. The Indian Government proposed to celebrate 2023 as International Year of Millets. The aim to create awareness and increase production & consumption of millets.

On the Occasion of international year of Millet, The Department of Botany organized guest lecture on Millet under Botany Club. Hon. Meenatai jagdhane, I/C Principal Dr. P.V. Badhade, Vice principal Dr. S. Cholke, Vice Principal A.N. Jagdhale, Dr. D. B. Bankar, Dr. K.W. Pawar other faculty members and students were present for the Programme. Hon. I/C Principal Dr. P.V. Badhade give brief introduction of the chief guest Dr Yogesh Ban and introduces objectives of the Programme.

The chief guest **Dr Yogesh Ban** (Breeder and Incharge office AICRP small Millets Zonal Agricultural Research Institute, Kolhapur) in his talk give's Objectives of international year of millets. He gives introduction and information about small millets. The different varieties, nutritional content, secondary processing of millets was explained. He also explains eating millet daily will provide you with several health benefits. It helps women to fight off heart ailments post-menopause. It could also control high blood pressure and cholesterol level in the body. Those suffering from gallstones should also benefit from it since it contains fiber."

Presidential speech was given by Hon. Meentai jagdhane member managing council Rayat Shikshan sansta's Satara. She encourages all the students belonging to farming background to incorporate millet production in their farms. She asks students to introduce millets in day today life. she also motivated student to start small scale business of millets.

A vote of thanks was proposed by Dr K.W. Pawar. All the members of the committee have given the support for successful organization of the event.

BOTANICAL EXCURSION

REPORT:

Department of Botany organize botanical excursion every year to the places of botanical interest. Students visit such areas and obtain knowledge about various plants, geographic situation, and environmental condition of the location.

This year on November 22nd 2022 T.y. B.Sc M.Sc.I & M.Sc. II students visited Bhimasankar, Shivneri, Lenyadri, Ozar, this excursion was guided by Dr. K.W. Pawar, Prof. Chavan, Prof. Lande, Prof. Popere & Prof. Kshirsagar.

Bhimashankar a beautiful hill station in the western Sahyadri ranges i.e., in the western ghat is an edge of the Deccan, plateau is considered to have an average altitude of 1150 m. Western Ghat in general identified as the biodiversity zone of global level. It forms a region of altitude, heavy rainfall, greater relief & rich biodiversity. It enjoys an average annual rainfall between 2000-7000 mm. Spread over 4-5 month of the year prolonged dry period of 7-8 months renders the evergreen nature of the forests rather unique. The Bhimashankar sanctuaries situated in the Western Ghat. It was notified by Maharashtra government. On 10th Oct 1895. Under the Wildlife Protection Act 1972. It holds a cultural religious & historic significance. It houses around 14th sacred groves which are protected by the local people because of spiritual reasons. The study area was selected because of the importance of Western Ghats at an International level as these have recently been added to the list of World Heritage Sites by UNESCO. Other beautiful places near to temple are Hanuman lake, Gupt Bhimashankar, Govt. Rest House, Bombay Point, Sunset Point, Nagfani etc. This place is considered to be pilgrims' paradise, a trekker's delight status.

SHIVNERI FORT:

Shivneri Fort is a 17th-century military fortification located near Junnar in Pune district in Maharashtra, India. It is the birthplace of Chhatrapati Shivaji Maharaj, the founder of Maratha Empire. Shivneri is known to be a place of Buddhist dominion from the 1st century AD. The caves, rock-cut architecture and water system indicate presence of habitation from the 1st century. Shivneri got its name as it was under the possession of the Yadavas of Devagiri. This fort was mainly used to guard the old trading route from Desh to the port city of Kalyan.

SCIENCE DAY CELEBRATION

REPORT:

National Science Day is an annual celebration observed in India on 28th February to commemorate the discovery of the Raman Effect, for which the Indian physicist C.V. Raman won the Nobel Prize.

The National Science was celebrated on 28th Feb 2023 at the Rayat Shikshan Sanstha's R.B. Narayanrao Borawake College Shirampur. The Objectives of the programme was to provide the platform to the students to prove their talents, bring out their creativity, and face challenges and overcome their weakness. Our Principal Dr. P.V Badadhe has emphasized our role in widely spreading the significance of scientific application in our daily life. Our staff members share their knowledge to the students.

On the occasion of National Science Day Department of Botany Organized the online Botany Quiz on Online platform google form Under the Guidance of Head of the department of Botany Dr. A. K. Mohite. Near About 112 students of Class S.Y. B.Sc., T.Y. B. Sc & M.Sc. (Botany) had Participated in the Quiz. The event was successful and we believed that our objectives was achieved.

INDUSTRIAL VISIT

REPORT:

Department of Botany R.B. Narayanrao Borawake college has organized industrial visit during the academic 2022-23 to Renuka Herbal Industries (MIDC Area) on 07th April 2023 for T.Y.B. Sc, M.Sc. I & M.Sc. II.

This industry was established in 1995 by Mr. Machindra Raosaheb Patare. He is well known about trading, manufacturing, and marketing of herbal products which are derived from plants.

The Renuka Herbal Industries Shirampur is unit which produces Ayurvedic and Herbal Churna, Bhard and oil. These products have great demand in market. Different product was produced at these industries such as Ashwarin capsuled, Medorin capsule, Augurmeh Churn, Vedatri Churn, Renuka Hair Churn, Punchasam Churn, Ocirin.

Students visited the different units at the industries like grinding unit, sieving unit tablet forming unit, labelling unit, Packing unit. Students learn different techniques required for formation herbal Churna, tablets . It will give direction to new and young entrepreneur and motivate them to find new opportunities to make good entrepreneur.

TRUE HANDS - ON DNA WORKSHOP

REPORT:

A workshop on “True hands - on DNA Workshop” was conducted in **Rayat Shikshan Sanstha’s R.B. Narayanrao Borawake**. College under the guidance of Principal Dr. P.V. Badadhe at the Department of Botany under Botany club for Under Graduate and post-graduate students on 17th and 18th April 2023.

The main objective of the workshop was to strengthen the moving intelligence of student. It included changes in their mindset and thinking patterns, eliminating fears, and identifying strengths and talents. Introduction of high standard biotechnology protocols provide them skills of biology experiments for their life time excellence in biology and increased job opportunity across the globe in biology fields.

Resource person for the workshop was **V. K. Singh** (Director, Escherichia Genomics Pvt. Ltd). He described advance practical skills about all kind of DNA Isolation, Agarose Gel Electrophoresis, DNA Photography & Gel Documentation, DNA Fingerprinting & Analysis Methods, Molecular Marker Analysis, DNA Isolation Kit Development, Chemical / Buffer / Solution Preparation.

The main outcome of the workshop was that every student got an opportunity to do experiments individually and independently and practiced on their own on the instruments. This workshop provided a platform for students to stay competitive, upgrade skills, prepared themselves for startup, increase productivity, promote continuous improvement, and build confidence in development of high standard skills, thought, and concepts to leads independent research/ thesis/ & development.

Around 38 students and 9 staff members participated in the workshop and each of them got certificate. At, the end of the workshop feedback forms was filled by the students. The workshop was highly beneficial and appreciated by the participants.

SHORT TERM COURSE-MUSHROOM CULTIVATION

REPORT:

Department of Botany offered Short Term Course Entitled “Mushroom Cultivation” under career-oriented course in the academic year 2022-23. The course duration was of one month in which theory and practical were allotted. The students of F. Y. B. Sc. were eligible for the said course.

Total 49 students were admitted to the course. The main purpose of programme is to explain the importance of creative thinking and how the creative thinking is beneficial for the entrepreneurship qualities.

Mushroom cultivation is one of the most significant agribusinesses in the world. It is also very profitable as it can be started with a low investment and small space. Mushroom cultivation is an up-and-coming source of alternative income for many agripreneurs in India. To give the proper shape and speed to career of students and to develop the stable product is the main aim of entrepreneurship making is an important task for good entrepreneur. Besides to develop good projects by students and to increase the placement is also important aspect of entrepreneurship.

The course was totally covered including Theory and Practicals. According to syllabus Students had performed practicals namely Cultivation of Mushroom (Preparation of spawn, Mushroom bed and harvesting of mushrooms) and preparation of various mushroom recipes like Mushroom Pakoda, Mushroom Curry, Mushroom Soup and Mushroom Pulav.

Theory and Practical work-load were assigned to the faculty of Department namely Miss. K. S. Popere, Dr. P. D. Jadhav, Miss. A. A. Lokhande, Miss. P. P. Bankar, Mr. S. G. Chavan, Miss. S. S. Kshirsagar, Mr. M. S. Lande. All Teachers were completed the assign work satisfactorily.

ADD-ON COARSE FRUIT PROCESSING TECHNOLOGY

REPORT:

Department of Botany offered a add-on course Entitled “Fruit Processing Technology” under carrier-oriented course in the academic year 2019-2020 The Course duration is of one Month days in which theory and practical were allotted. The students of S.Y.B.Sc. and T.Y. B.Sc. were eligible for the said course.

Total 35 students were admitted for the course. The main objective behind the said course is to know the information about fruit and its preservation technique for generation of self-employment in students and it is also applicable in day today life. The course was totally covered on 30L including Theory and Practicals.

The course was totally covered including Theory and Practicals. According to syllabus Students had performed practicals namely Preparation of Jellies, Preparation of Juices, Packing, labelling and sealing of prepared fruit products.

Theory and Practical work-load were assigned to the faculty of Department namely Miss. K. S. Popere, Dr. P. D. Jadhav, Miss. A. A. Lokhande, Miss. P. P. Bankar, Mr. S. G. Chavan, Miss. S. S. Kshirsagar, Mr. M. S. Lande. All Teachers were completed the assign work satisfactorily.

TREE PLANTATION

REPORT:

It gives me immense pleasure to submit herewith annual report of the Campus Beautification Committee for the year 2022-23. In this academic year Birth day celebration of Honorable Sharad Pawar Ex. Union Minister Govt. of India and President of Rayat Shikshan Sanstha Satara on 12th Dec. 2022, committee organized “Tree Plantation” by the auspicious hands of Meenatai Jagdhane and in presence of Hon. Mr. Sujitdada Jagdhane, Hon. Nikam Patil, Dr. B.B. Kale Director General, CMET Pune, I/C Prin. Dr. Pravin Badadhe, Prin. M.S. Pondhe, I/C Prin. Suhas Nimbalkar. In this plantation, we planted 16 Coconut and about 35 ornamental plants in college garden and campus.

In order to identification of plants to laymen, we prepared name plates of every tree plant within compus with QR code. It is helpful to know the botanical name as well as medicinal use of the particular plant species.

=====

Objective:

To bring all the students together to take initiative for the protection of wild life community and also spread awareness to conserve and to inspire future conservative leaders.

Conservation of wild life is important for this new generation to learn that without the nature it's difficult to survive. Most of the world's species are on the track to go extinct in the near future. So, the prime purpose of this club is to make students learn and step up to these challenges.

=====

In the Academic year, R.B.N.B. College, Shirampur, Department of Zoology arranged a several activities under ZOOIKOS Department club. Throughout the year the several activities were carried out under this club.

Biodiversity Festival: Scientific Rangoli, Quiz Competition, Poster competition, insect collection, Specimen exhibition etc.

Under Zooikos club Department has organised Parent-Teacher meet on 17 August 2022. Beside these our department has organised on the occasion of celebration of world wild life day by various competition and activities like wildlife photography, poster competition, Rangoli on Animals, Debate competition, and Celebrated HIV day. Department has conducted quiz competition on the occasion of celebration of National bird day. Our UG and PG students actively participated in extracurricular activities such as career festival and entrepreneurship development programme organised in Department.

Department has time to time organised Field visits such as Aquarium visit for Aquaculture, Students of UG and PG visited the Fish Market to study Fishery, Botanical Garden to study Insects in Entomology, bird watching visit camp for Bird Diversity.

Zooikos club has initiated the participation of students in Apiculture unit. Club members are continuously engage in delivering talk to students about awareness, use of Vermicompost, Vermiwash how it is useful for agriculture purpose.

Under Zooikos club faculty members has delivered lecture on NET/ SET guidance to students, many students has been applied for the examination.

In this Academic year, R.B.N.B. College, Shirampur, department of Zoology arranged an excursion tour and industrial visit for the students of S.Y.B.Sc. This tour was arranged on 13 April 2023 for educational purpose at "**Baswant Honeybee Park and Training Centre**, Baswant Pimpalgaon. For this tour 41 Students of S.Y.B.Sc. were actively participated. Along with them there were 4 faculty members.

All the objectives were tried to fulfil by the Department of Zoology under the guidance of Hon. Principal of R.B.Narayanrao Borawake College, Shirampur.

PHYSICS CORNER

Apart from syllabus, all students of B.Sc. and M.Sc. should know the biography of scientists, their innovations as well as current innovations, discoveries and recent research in our subject. So, the **Department of Physics- 'Photonics Club'** has started the idea of '**Physics Corner**', through which we display various articles related to Physics. Our T.Y.B.Sc., M.Sc. Physics students and faculty members write articles of their favorite physicists on the occasion of their birth or death anniversaries as well as innovation anniversaries. These articles are also related to noble prize winners in Physics. Some articles are also based on current discoveries, innovations and researches. Some articles are directly taken from newspapers, magazines, journals and online sources.

Physics Corner helps our students to encourage for research. It helps to broaden their knowledge in Physics subject.

Poster Presentation Competition on the Occasion of World Radio Day

Report

Date: 13/02/2023

On the occasion of World Radio Day, the Photonics Club of Department of Physics and IQAC of R. B. Narayanrao Borawake College, Shrirampur organized a Poster Presentation Competition on the occasion of **World Radio Day** on 13th Feb 2023 for students. The theme for the World Radio Day 2023 is "**Radio and Peace**", recognizing the role of radio in promoting peace and understanding among people from diverse backgrounds. The theme aims to emphasize the power of radio as a tool for conflict prevention, peace building, and reconciliation promoting diversity and inclusiveness.

The competition received a great response from the students. The students were given the task of creating a poster that depicted their ideas and thoughts on the theme of "Radio and Peace". The submissions were evaluated by a panel of judges consisting of Mr. R.R. Jagtap (Head, Department of Mathematics) and Mr. S.T. Shete (Head, Department of Physics).

After a thorough evaluation, the judges announced the top 3 winning entries. The winning posters were praised for their unique and creative approach to the theme and their ability to communicate the message effectively. The competition provided students with an opportunity to express their ideas and thoughts on the theme of "Radio and Peace" and to showcase their artistic skills. 20 students participated in this competition. All faculty members of Physics department made valuable contribution to the success of this Competition. Hon. Prin. Dr. P.V. Badadhe gave valuable guidance for this competition.

Study tour at Solar Steam Cooking System

Report

Date: 24/02/2023

On February 24, 2023, a one-day study tour of solar steam cooking system was organized by 'Photonics Club' of Dept. of Physics of R.B.N.B College Shrirampur. Solar steam cooking system is an innovative and sustainable solution to the problem of energy scarcity and environmental pollution. The purpose of the tour was to provide students with practical knowledge about solar energy and how it can be attached for cooking purposes. The tour included a visit to a solar steam cooking system project located in a **Shri Saibaba Sansthan Trust, Shirdi, Ahemdnagar.**

Cooking of food using steam

Visit to Parabolic Solar Concentrator

Parabolic Solar Concentrator

Information by Operator

35 UG and PG students were actively participated in this study tour. Mr. Sharad Shirole, Incharge of Mechanical Department of Shri Saibaba Sansthan Trust, Shirdi, Ahmednagar provides proper instructions on how to visit a solar steam cooking system. The detail information about solar cooking system is given by operator **Mr. Ganesh Rukari**. Individual study tour report collected from students and issued certificate of participation to students. Faculty members of department of Physics made valuable contribution to the success of this tour. The study tour of solar cooking systems provided valuable insights into the practicality and effectiveness of this innovative technology.

This report outlines the findings of the study tour, including the advantages and disadvantages of solar steam cooking systems. The most significant limitation is that they are dependent on the availability of sunlight. Despite some limitations, solar cooking systems offer many advantages, including environmental friendliness, affordability, and health benefits.

“Mega Micro Model Exhibition”

Report

20/03/ 2023

The Department of Microbiology organized a Mega Micro Model Exhibition to showcase the various aspects of Microbiology and its application.

A part of Departmental activity a “**Mega Micro Model Exhibition**” was held on 20th March 2023. The programme inaugurated by Hon Dr. P. V. Badadhe (I/C Principal R. B. N. B. College, Shirirampur). The Exhibition began with welcome addressed by Head of the department Miss N. K. Nannaware. One of the most interesting aspects of the exhibition was the models made by students depicting different part of human body and the role of microorganisms in protecting and damaging them.

The Students made models of different organ such as the Human body, Lungs, Liver, Heart, Kidney, DNA, Skin, Human gut, Viruses – HIV, Influenza, Corona virus, Rabies Virus, Different shape of bacteria, Electron transport chain, Bacteriophage, Cell wall of gram positive and gram negative bacteria, Bacterial cell wall.

They highlighted the various microorganisms that reside in the human organ their role in maintaining the overall health of human body. These models also showed how imbalanced in these microorganisms can lead to various health problems. Overall, the models made by the students were a great way to educate the people about the role of microorganisms in protecting & damaging various organ of the human body. Model Exhibition also highlighted the importance of maintaining a health microbiome to prevent various health problem

The “Mega Micro Model Exhibition” was a great success and provided opportunity for people to learn about the fascinating world of Microbiology & its application in various field.

एकांकिका सादरीकरण – 'दळण' व 'अभिरुची क्लब' उद्घाटन २३/०१/२०२३

मराठी विभागाच्या वतीने आयोजित मराठी भाषा संवर्धन पंधरवड्याचा समारोप 'दळण' या एकांकिकेने झाला. दळण ही एकांकिका द.मा.मिरासदार लिखित दळण कथेवर आधारलेली असून, त्याचे एकांकिकेत उत्तम लेखन व दिग्दर्शन मराठी विभागाचा एम.ए. भाग-२ चा विद्यार्थी अजय घोगेरे याने केले. या एकांकिकेचे उत्तम असे सादरीकरण अजय घोगेरे व त्याचे सहकारी कु. सौरभ संकपाळ, गणेश मंगरे, प्रतिक मोठे, अथर्व हरदास, नवनाथ कर्डिले, जया अस्वले, काजल गायकवाड, अक्षय खंडागळे, वर्षा भवर, संचित आदिक, वैष्णवी मुठे, ऐश्वर्या ताके, शिवानी कुलकर्णी, धनश्री लोळगे, ओंकार गाढे यांनी केले. या एकांकिकेतून कलाकार विद्यार्थ्यांनी आपल्या अभिव्यक्तीतून मराठी भाषेचे महत्त्व व मोठेपण मोठ्या कौशल्याने सांगितले. बदलत्या डिजिटल युगात माणसा-माणसातील मराठी भाषेचा संवाद लुप्त होत चालला आहे. आपल्यातील आपुलकी व माणुसकीची नाळ जोडण्यासाठी आपल्याला संवाद जिवंत ठेवणे गरजेचे आहेत. त्यासाठी मराठी भाषा संवर्धनाची मोठी जबाबदारी आजच्या तरुण पिढीवर आहे. हे या एकांकिकेने स्पष्ट केले. कार्यक्रमाच्या अध्यक्षता मा. मीनाताई जगधने यांनी सदर उपक्रमास शुभेच्छा दिल्या. महाविद्यालयाचे प्राचार्य डॉ. पी. व्ही. बडधे यांनी विद्यार्थ्यांचे अभिनंदन केले.

कीर्तनातून समाजप्रबोधनाचे काम होते : प्रा जोशी

प्रतिनिधी | राष्ट्र सहाय्यी

श्रीरामपूर : महाराष्ट्र ही संताची भूमी आहे. संतांनी समाजाला संस्काराची दिशा दिली आहे. अज्ञान व अंधश्रद्धेला मूठमाती देऊन समाजाचे प्रबोधन करण्यासाठी त्यांनी ओवी, अर्भग व कीर्तन या प्रकारांचा प्रभावी वापर केला. तसेच मराठी भाषेची थोरवी व तिचे मोठेपण त्यांनी आपल्या काव्यातून गाईले, असे विचार नारदीय कीर्तनकार प्रा. आदिनाथ जोशी यांनी व्यक्त केले.

येथील बोरावके कॉलेजमध्ये मराठी विभागाने आयोजित केलेल्या 'मराठी भाषा संवर्धन पंधरवाडा' उपक्रमांतर्गत 'नारदीय कीर्तन' या विषयावर प्रमुख कीर्तनकार म्हणून ते बोलत होते. रयत शिक्षण संस्थेच्या मॅनेजिंग कौन्सिल सदस्या मीनाताई जाधने, प्र. प्राचार्य, डॉ. प्रवीण बडधे व उपप्राचार्य डॉ. सुनील चोळके यावेळी उपस्थित होते.

अध्यक्षीय समारोपात जगधने म्हणाल्या की, विद्यार्थ्यांनी आपल्या वाचनातून, लेखनातून व आपल्या अभिव्यक्तीतून मराठी भाषेचे संवर्धन केले पाहिजे. मराठी ही आपली मायबोली आहे. आपल्यावर गुणसंपन्न संस्कार तिने केलेले आहे. संत महात्म्यांनी देखील समाज प्रबोधनासाठी रसाळ व गोड असणाऱ्या अशा भाषेचा अवलंब केला आहे.

मराठी विभाग प्रमुख प्रा.डॉ. बाळासाहेब शेळके यांनी प्रास्ताविक केले. प्रा.डॉ. कैलास महाले यांनी आभार मानले. प्रा.डॉ. योगिता रांधवणे यांनी सूत्रसंचालन केले. हा उपक्रम यशस्वी करण्यासाठी प्रा. संतोष पवार, प्रा. प्रकाश साबळे व प्रा. गीतल बच्छाव यांचे सहकार्य लाभले.

हिंदी दिन समारोह (२०२२-२०२३)

प्रतिवेदन

रा. ब. नारायणराव बोरावके महाविद्यालय, श्रीरामपूर के हिंदी विभाग द्वारा दि. १४ सितम्बर 'हिंदी दिन' के उपलक्ष्य में हिंदी दिन समारोह का आयोजन दि. १९ सितम्बर २०२२ को सुबह ९:०० बजे किया गया था। इस अवसर पर न्यू आर्ट्स, कॉमर्स अंड सायन्स कॉलेज के डॉ. अशोक गायकवाड प्रमुख अतिथि के रूप में उपस्थित थे। समारोह की अध्यक्षता महाविद्यालय के प्रधानाचार्य डॉ. के. एच. शिंदे जी ने की। विभागाध्यक्ष डॉ. अनुप दळवी जी ने समारोह की प्रस्तावना तथा अतिथि परिचय करवाया। प्रा. जलाल पटेल ने कृतज्ञता ज्ञापन किया। प्रा. एस. पी. पाटील ने सूत्र संचालन किया। समारोह में हिंदी विभाग तथा महाविद्यालय के विभिन्न अध्यापक एवं छात्र बड़ी संख्या में उपस्थित थे।

प्रमुख अतिथि डॉ. अशोक गायकवाड जी ने अपने मनोगत में हिंदी भाषा एवं साहित्य का महत्व प्रतिपादित करते हुए केवल राष्ट्रीय स्तर पर ही नहीं तो अंतर्राष्ट्रीय स्तर पर हिंदी को संपर्क भाषा के रूप में स्थापित करने का मनोदय व्यक्त किया। उन्होंने बताया कि हिंदी भाषा बोलनेवालों की संख्या की दृष्टि से विश्व की तीसरी सबसे बड़ी भाषा है। हिंदी भाषा एवं साहित्य में इतनी व्यापक क्षमता है कि वह न केवल देश की राष्ट्रभाषा के पद का वहन कर सकती है, बल्कि विश्वभाषा की गरिमा का भी सार्थक वहन कर सकती है। उन्होंने छात्रों से आवाहन किया कि वे हिंदी को महत्व दिलवाने हेतु अपना सक्रीय योगदान दें। इस अवसर पर उन्होंने हिंदी में रोजगार के अवसर भी प्रतिपादित किए। साथ ही उन्होंने अपनी वर्तमान स्थिति पर आधारित कुछ कविताएँ भी सुनाई।

समारोह के अध्यक्ष डॉ. के. एच. शिंदे जी ने राष्ट्रभाषा के रूप में हिंदी भाषा का महत्व बताते हुए हिंदी भाषा की प्रगति के संबंध में अपने विचार प्रस्तुत किए। उन्होंने हिंदी भाषा का अधिकाधिक प्रयोग करने का आवाहन छात्रों से किया। उन्होंने बताया कि हिंदी हमारे देश की अस्मिता की भाषा है। अंतर्राष्ट्रीय स्तर पर देश की अस्मिता को बनाए रखने के लिए हमें अधिकाधिक मात्रा में हिंदी का प्रयोग करना आवश्यक है।

प्रस्तावना:

आजच्या काळात इतिहासाचे जतन आणि संवर्धन होणे अत्यंत गरजेचे आहे. कारण इतिहास हा माणसाचा खरा गुरु आहे. जो समाजाला भविष्यासाठी योग्य मार्ग दाखावितो. कोणताही वंश किंवा राष्ट्र जिवंत, प्रगतशील आणि गतिमान राहण्यासाठी इतिहासाचा अभ्यास महत्त्वाचा आहे. म्हणून आजच्या पिढीला इतिहासाचे ज्ञान व्हावे यासाठी आम्ही महत्वपूर्ण भूमिका घेत आहोत. यासाठी इतिहास विभागाने शिवनेरी क्लबची स्थापना केली. या क्लब मार्फत विद्यार्थ्यांच्या मनामध्ये इतिहासा विषयी आवड, जिज्ञासा निर्माण करणे, तसेच विद्यार्थ्यांच्या चौकसबुद्धीला चालना देणे. तसेच विद्यार्थ्यांचा सर्वांगीण विकास घडून आणणे. हे इतिहास विभागाचे मुख्य ध्येय आहे.

उद्दिष्टे

१. विद्यार्थ्यांची जिज्ञासावृत्ती जागृत करणे.
२. विद्यार्थ्यांच्या चौकसबुद्धीला चालना देणे.
३. विद्यार्थ्यांच्या सुप्त कलागुणांना वाव देणे.
४. ऐतिहासिक वस्तूंच्या व वास्तूंच्या जतनाची जाणीव निर्माण करणे.
५. राष्ट्रीय प्रतीकांबद्दल आदर निर्माण करणे व राष्ट्रीय एकात्मतेची भावना निर्माण करणे.

Trip Report

Educational Visit to Hiware Bazar Village, Ahmednagar

On May 10, 2023, an educational trip was conducted by the Department of Political Science to Hiware Bazar Village, located in the Ahmednagar district. The purpose of this trip was to provide students with an opportunity to observe and study various aspects of rural development, with a focus on agriculture, education, health, and overall community growth. The trip aimed to bridge the gap between theoretical knowledge and real-world scenarios.

The trip was meticulously planned and coordinated by Dr. B. S. Tonde, Dr. M. E., and Mr. R. R. Raut, who are faculty members of the Political Science Department. Their combined expertise and knowledge ensured a well-structured itinerary that encompassed multiple dimensions of village life and development. The trip's itinerary was designed to cover key areas of interest, promoting a comprehensive understanding of rural development. The schedule included visits to various locations within Hiware Bazar Village, allowing students to interact with locals, gain insights, and analyze ground-level challenges and achievements.

The educational trip to Hiware Bazar Village provided a valuable learning experience for the students of the Political Science Department. By directly engaging with the village community and observing various aspects of development, the students gained practical insights that complemented their academic knowledge. The trip not only enriched their understanding of rural development but also highlighted the importance of interdisciplinary perspectives when analyzing complex societal issues. The meticulous planning by Dr. B.S. Tonde, Dr. M. E.Auti and Mr. R. R. Raut contributed to the success of the trip and its educational objectives.

The trip underscored the significance of such experiential learning opportunities in shaping well-rounded and socially conscious future leaders. It is recommended that such educational visits be regularly organized to bridge the gap between theoretical classroom learning and the real-world dynamics of rural development.
